

A wind is  
blowing  
there

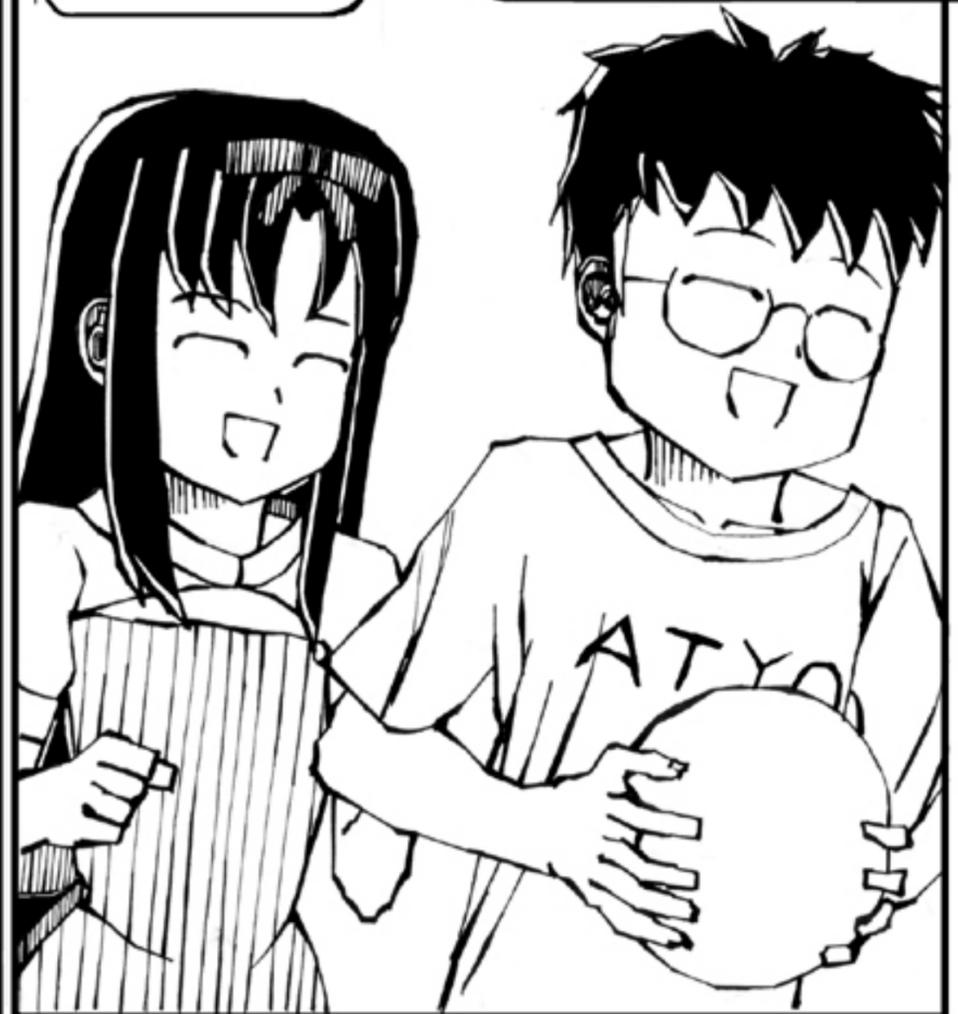

with my elder brother

In childhood, I often played in the courtyard of Tono's family

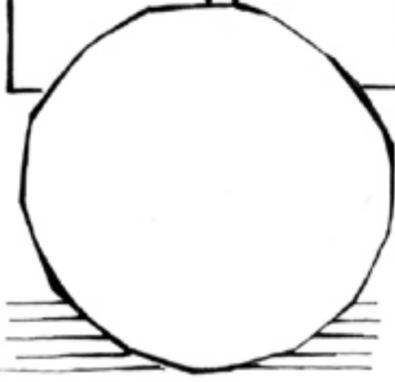

I am being smeared with anxiety

I was innocent in those days. But now,

Thing  
in the  
future

About  
thing of  
Tono's  
family

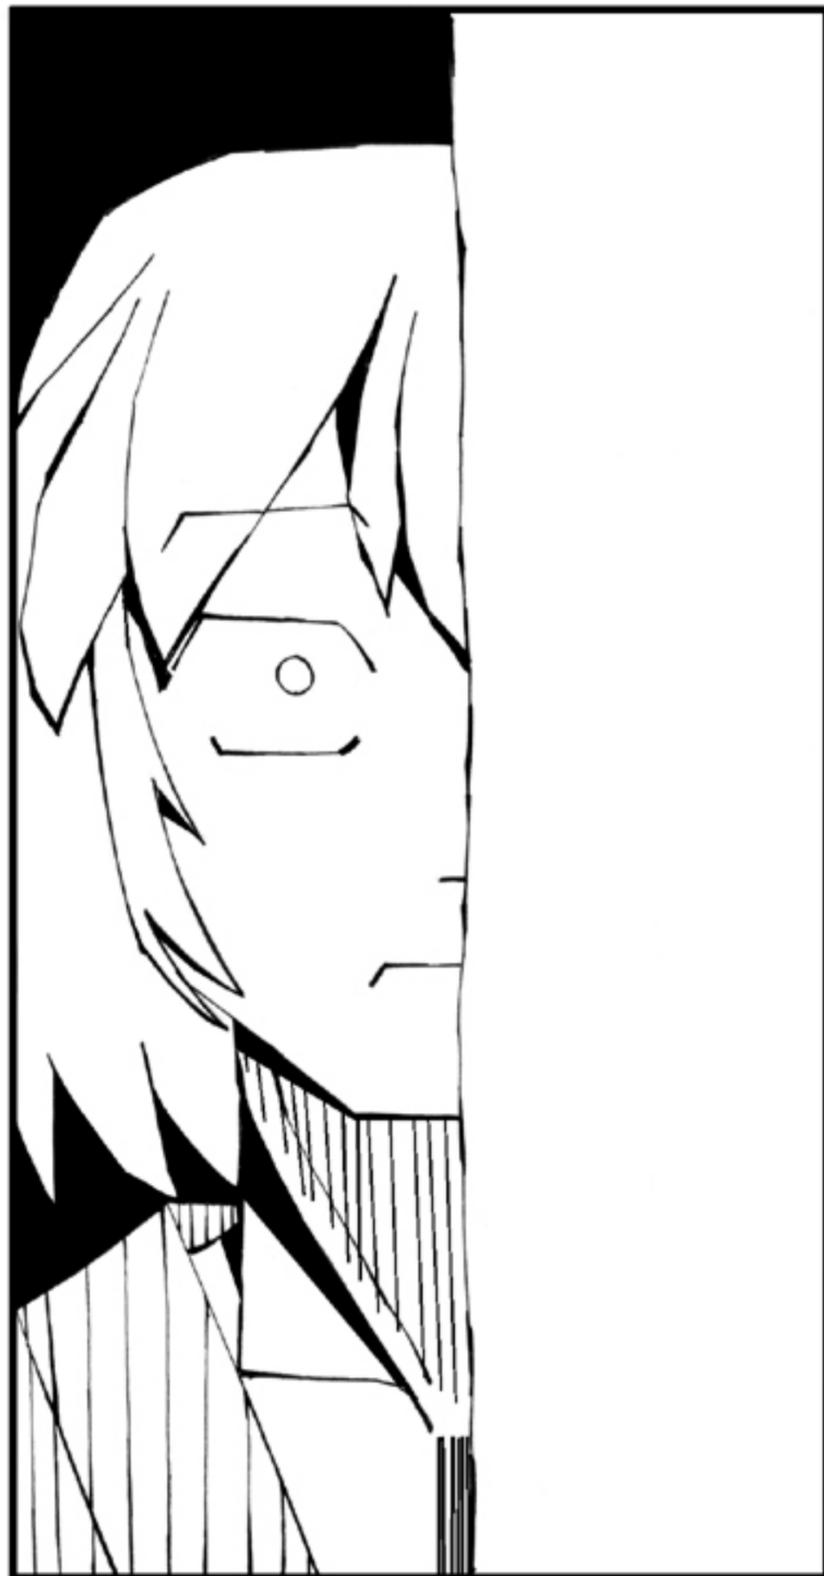

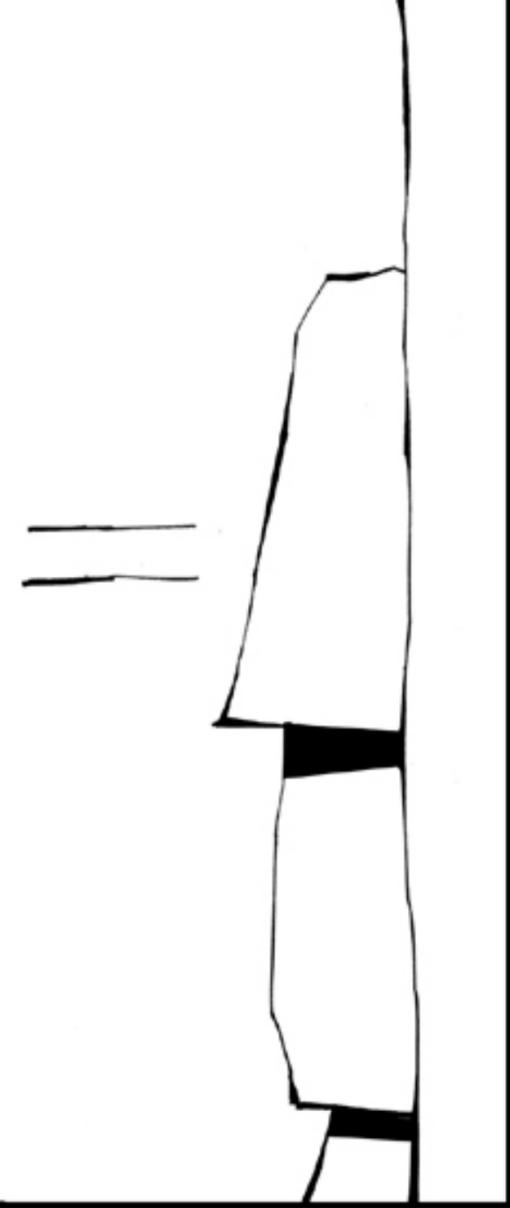

Feelings to  
elder brother

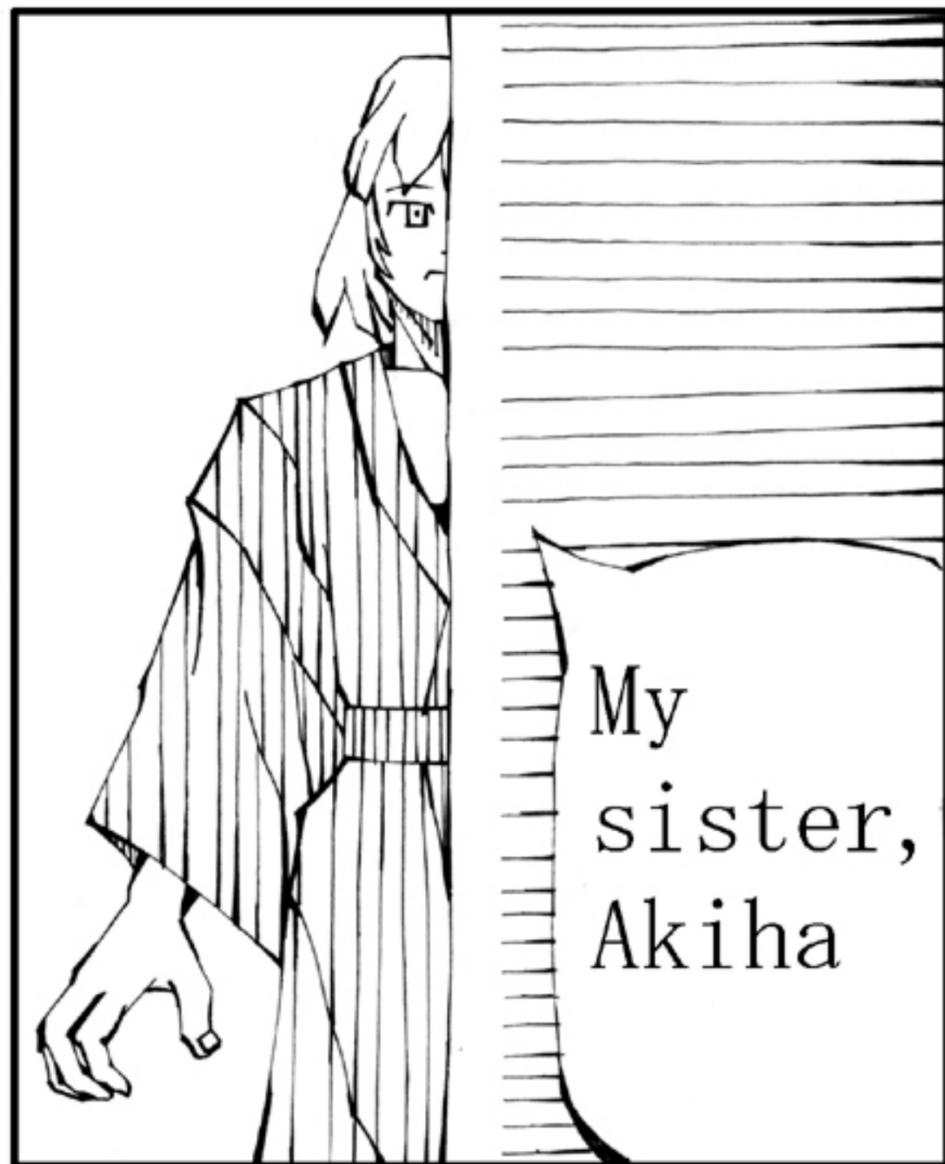

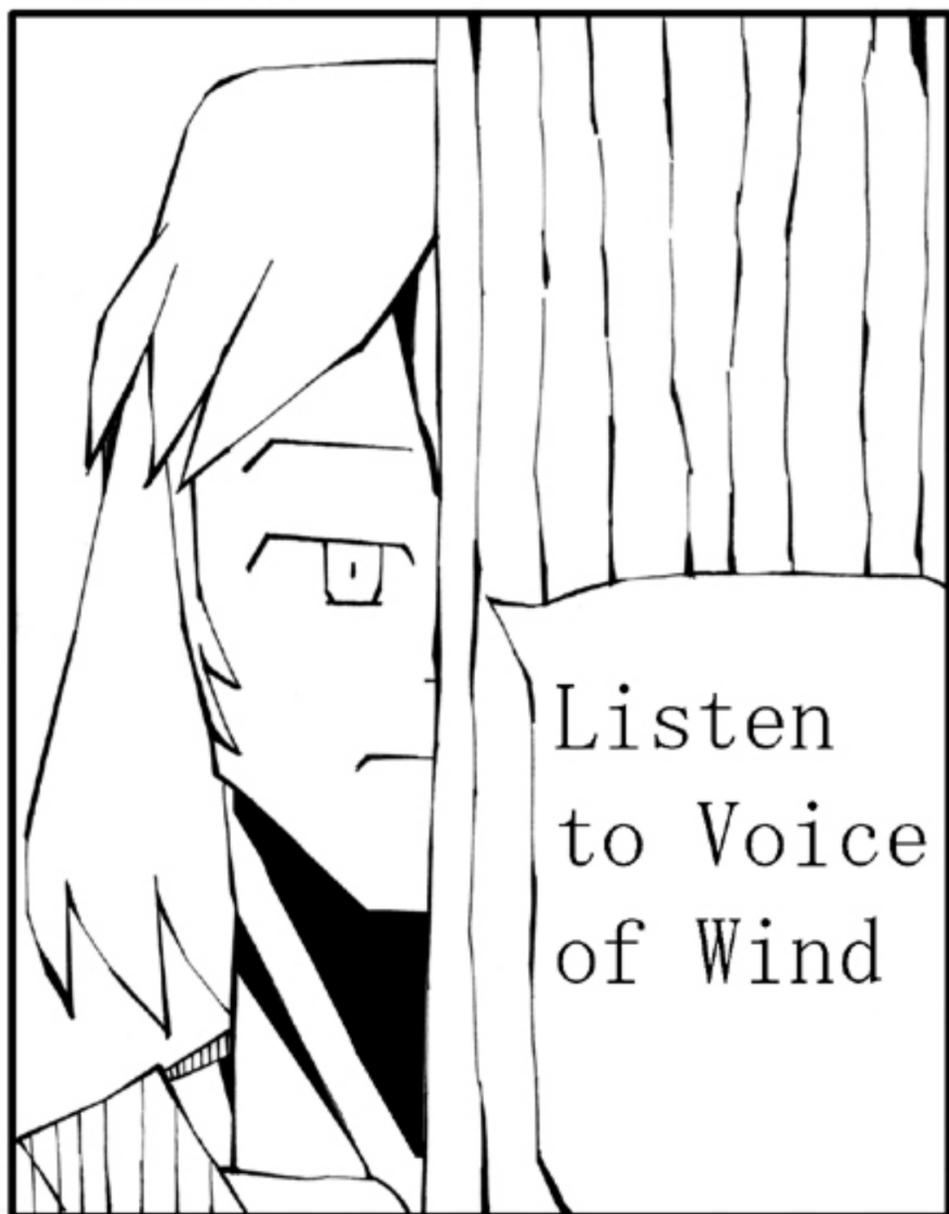

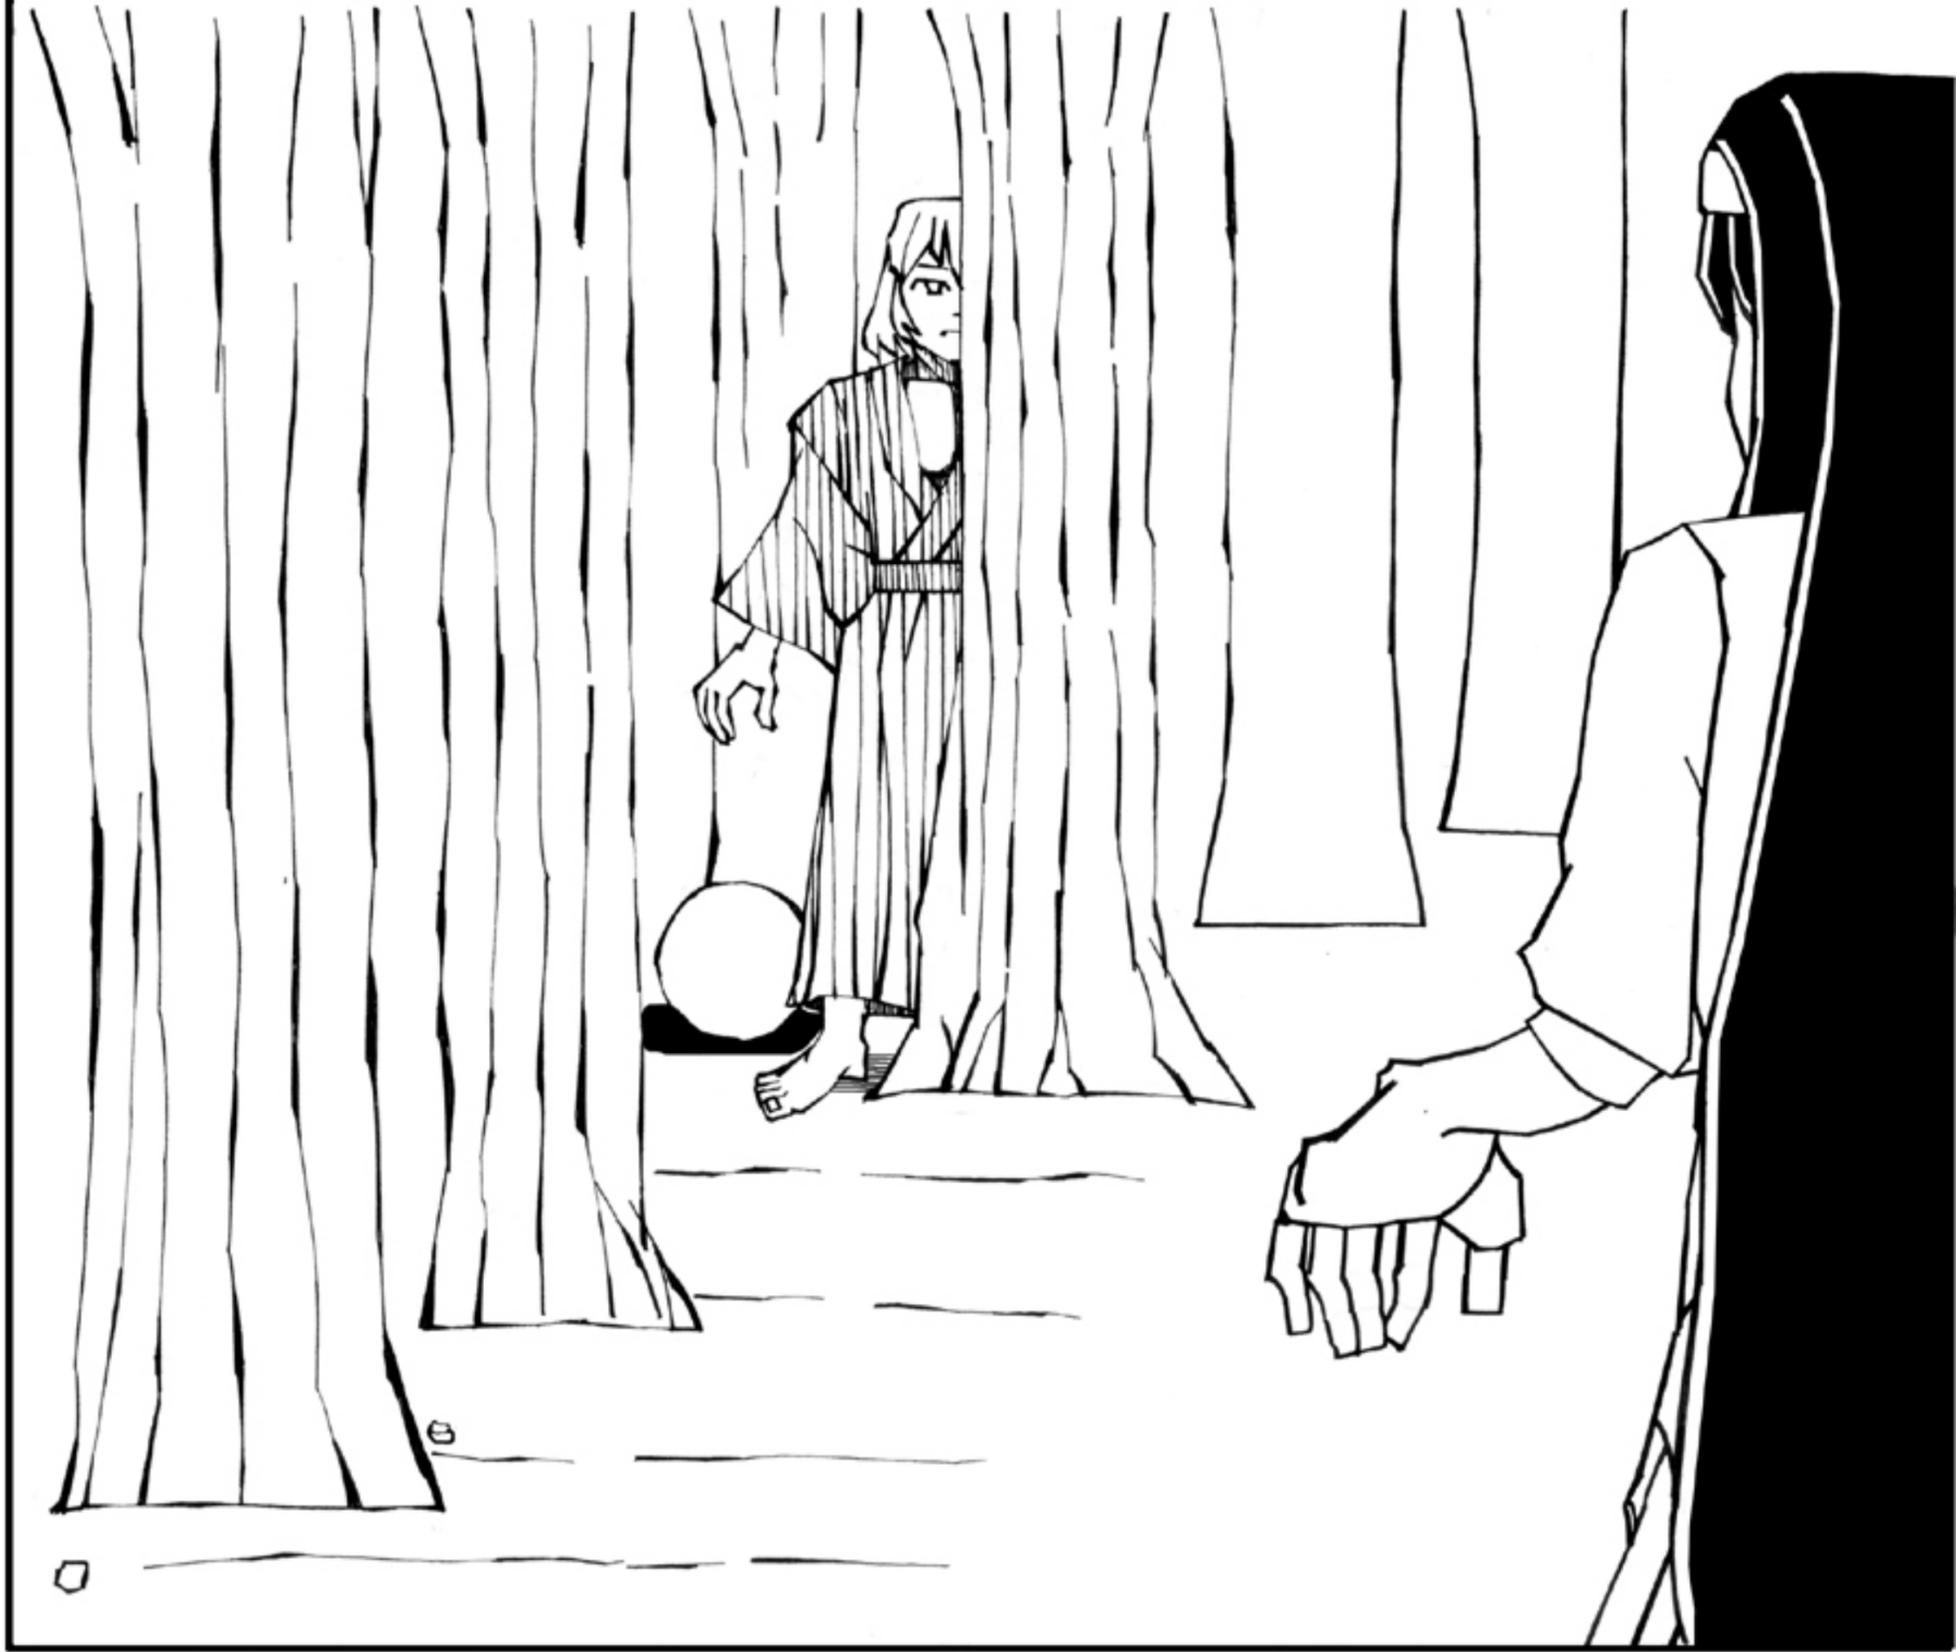

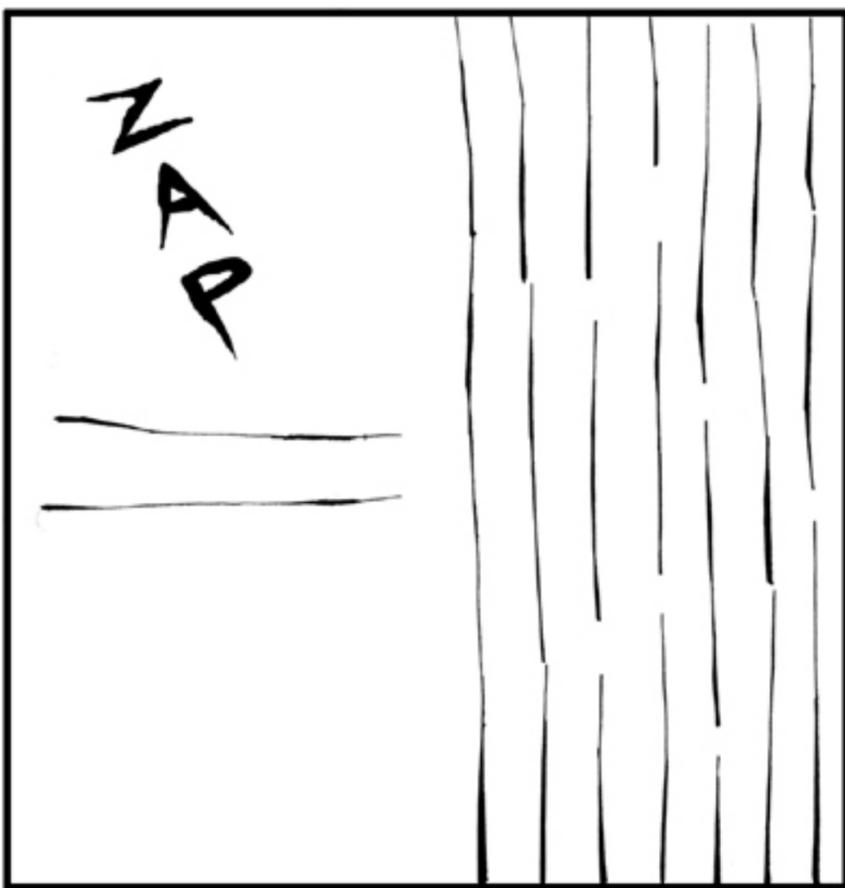

What  
should  
I do?

My  
brother

What do you feel now?

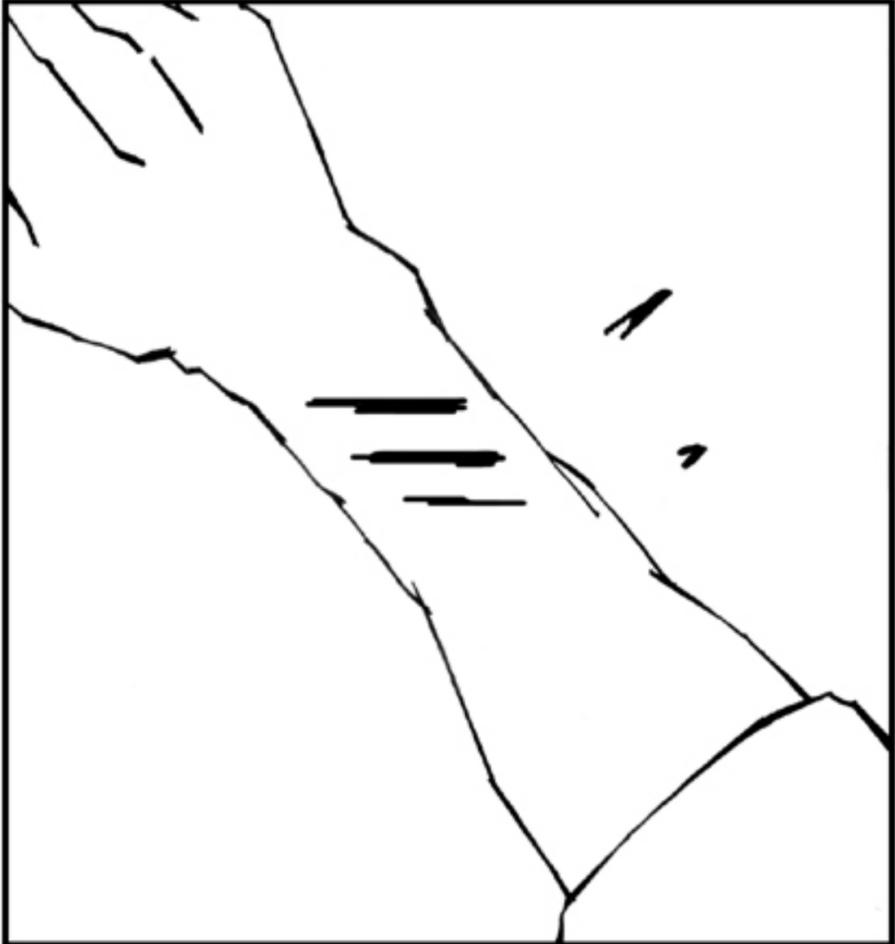

Where are you now?

I lost  
everything  
there

I was in  
underground  
oubliette  
for eight  
years
