About the included pose and motion files

- Pose and motion files included only in the paid version are subject to the same terms and conditions as model files.
 - You can use them for both commercial and non-commercial purposes. We would appreciate it if you could indicate your credits.

Copyright

- The copyright of this model belongs to the creator.

Credit notation

- Credit notation is optional when publishing works or contents using this model.
(Credits are welcome.)
- No notification is required for the use of model files and pose/motion files.

Disclaimer

- We are not responsible for any inconvenience caused by the use of this distribution. Please use at your own risk.
- The Terms of Use may be revised without notice. In the event of revision, the latest version of the Terms of Use will take precedence, so please use the site in accordance with the latest version of the Terms of Use.
- Although we take the utmost care in creating this site, we do not guarantee complete operation or compatibility.
- We do not support any modification methods or other matters outside the basic scope of use.
- Related to implementation
 - Since this is created in Blender and morphs cannot be completely rearranged, the order of some parts will be back and forth. Please understand this in advance.
 - The skirt deformation morph is affected by physics, so if you use it with motion applied to the model, it will result in unintended deformation, which cannot be controlled well in many cases. Please use it with the understanding that it is only a simple shape deformation.

System requirements and production environment

- Confirmed to work with **MikuMikuDance Ver. 9.32 (64bit)**.
 - Created with **Blender3.4**.
-

Thank you for checking the Terms of Use!
