and has been developed in top secrecy.

 growth sound

The sound is played discreetly over  
**the school's public address system.**

**Here is the rumored Dracula's  
castle...**

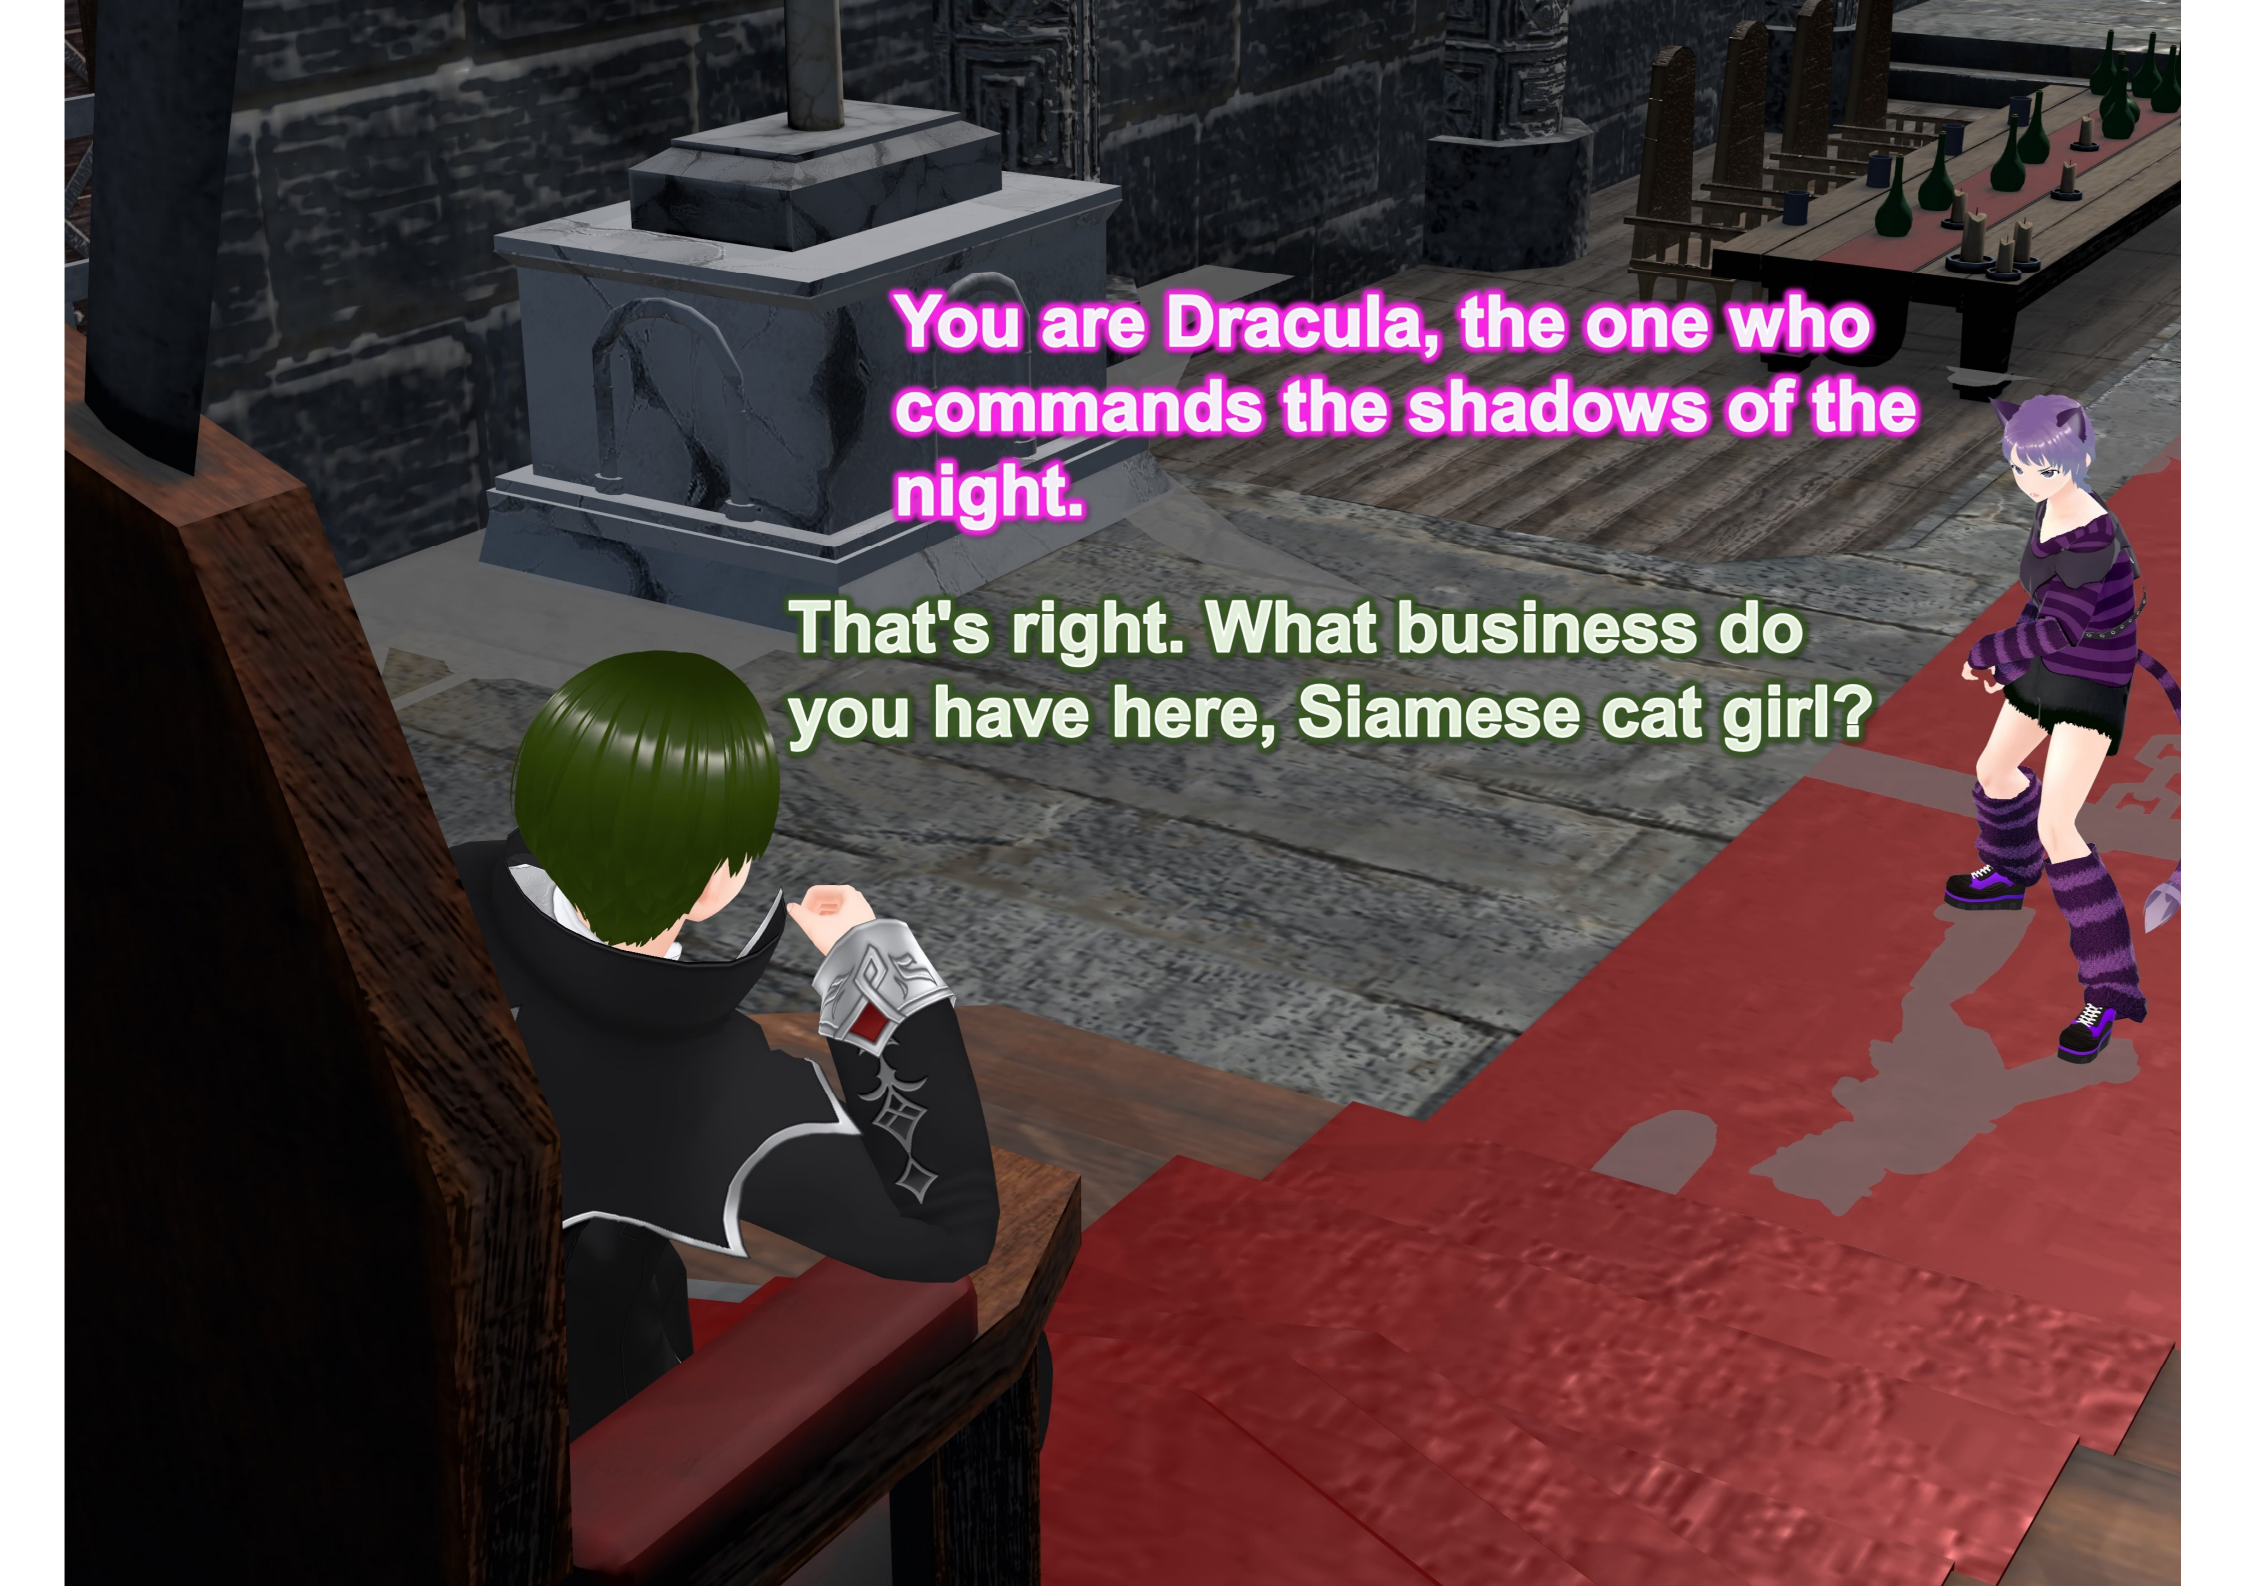

Who dares to step into this castle?

**You are Dracula, the one who  
commands the shadows of the  
night.**

**That's right. What business do  
you have here, Siamese cat girl?**

**Just curiosity. I wanted to know  
what secrets this old castle holds.**

A close-up of a character with short green hair and green eyes. A vertical scar with visible stitching runs down the center of their face. They are wearing a black coat with a large white ruffled collar. A silver chain with a red gem is visible at the base of the collar. The background is a dark red wall with gold patterns on the left.

Curiosity... do you know that it can  
sometimes be fatal?

**I easily lose my life...**

**Oh? I forgot my line!**

A 3D game scene set in a dark, gothic-style environment. In the foreground, a male character with short green hair, wearing a long black coat with white trim and black boots, is walking away from the viewer. He is looking back over his shoulder at a female character. The female character has purple hair with cat ears, is wearing a purple and black striped long-sleeved top, a black skirt, and purple and black striped thigh-high socks with black shoes. She has a long purple tail. She is standing on a red carpet that is laid out on a stone floor. In the background, there is a large, ornate stone structure, possibly a tomb or altar, and a large, arched window with a metal grille. The scene is lit with a mix of dark and bright light sources, creating a dramatic atmosphere.

Hey! What the heck are you doing?

Sorry, sorry.

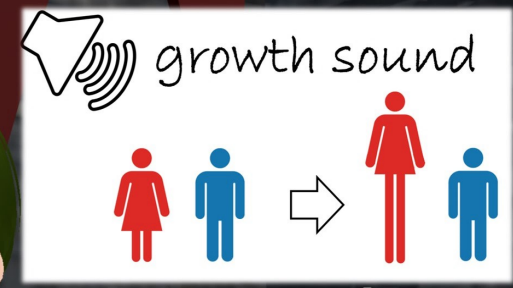

Still, it's an extravagant set.  
Hard to believe it's inside the  
school.

Yes, it cost a lot of money.

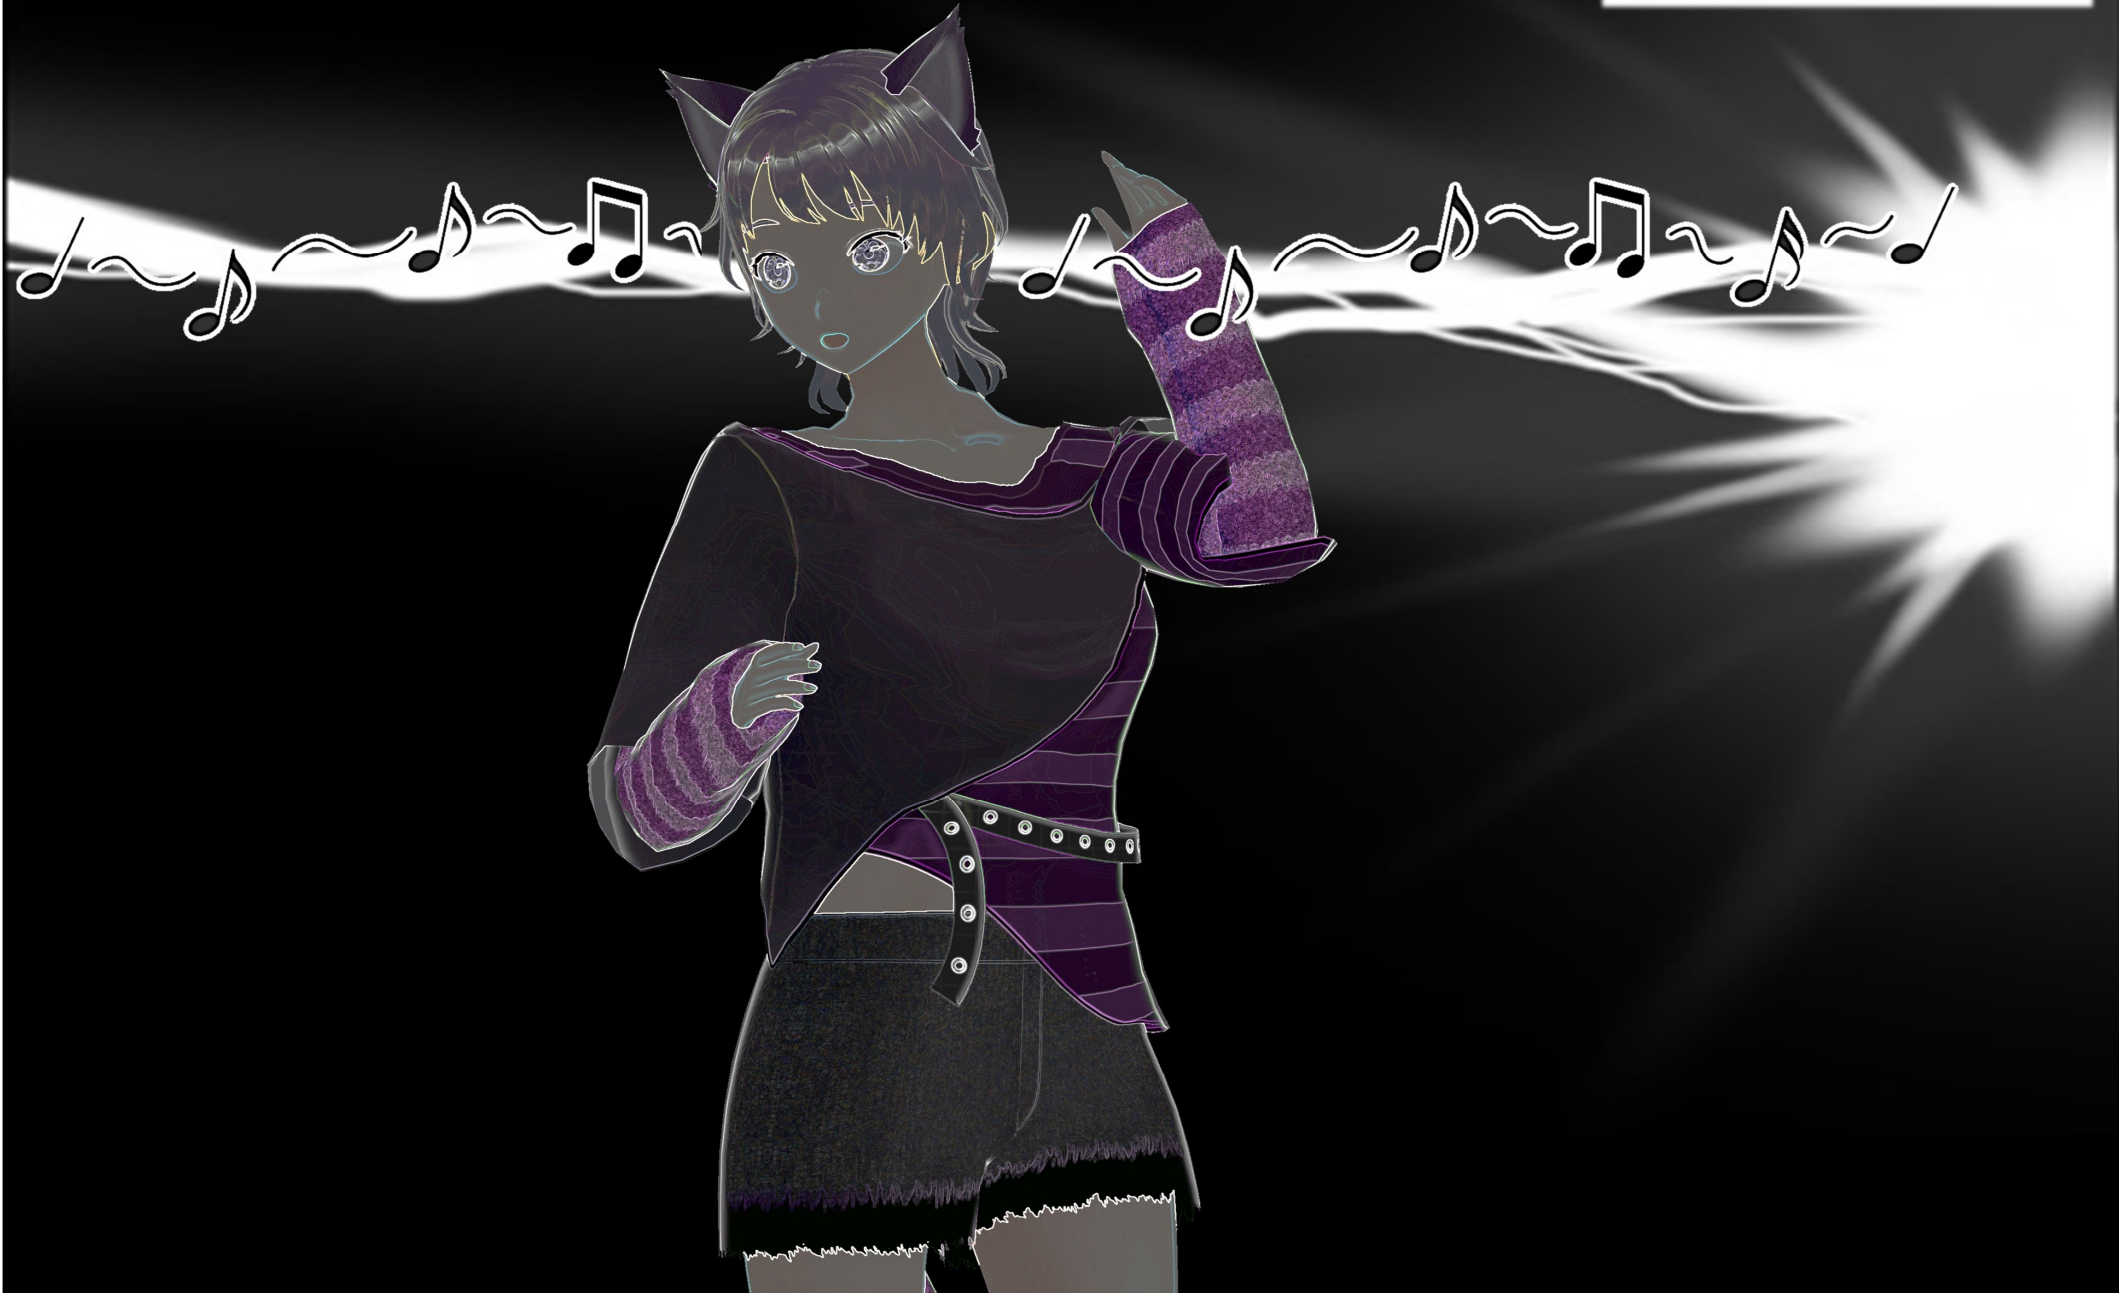

The school broadcast  
can be heard properly.

**That's ridiculous...**

Don't worry, I'll act well. Enjoy the
