Ninja

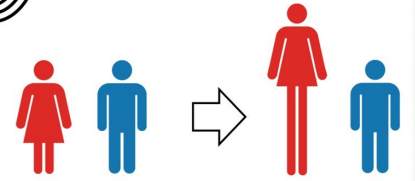

"Growth sound" only affects girls, not boys,
and has been developed in top secrecy.

The sound is played discreetly over
the school's public address system.

Why are you always dressed as a ninja?
It's fine, I just like ninjas.
You're weird.....
By the way, don't you
hear something strange?
No? I don't hear anything.
Hmm, that's strange.

Are you okay?

I feel weird... but I'm fine....

I see.

By the way, do you have
time today?

There's somewhere
I want you to come with me.

Yeah, I have time. Got it.

Why did you call me to a place like this?

**Sorry,
it was sudden.**

**I thought I'd show you
my ninja techniques.**

You've been doing something like that?

First, this shuriken.

That's classic.

Take this!

It didn't even reach the tree.

Ugh... I'm still practicing!

Next is
my lightning-fast technique.

Hiyah!

How was it!?

Well, it just looked
like you jumped.

Darn it! I still need
more training for this too.

(What a strange person...)

Day 1 140cm^{4'7"}

3 days later

Hey! Are you alright!?

Whoa.

It's the ninja vanish technique.

Yeah,
I was surprised.

How about that?
I got behind you.

Wait, aren't you taller?

Am I?

**I think it's because
I'm wearing high heels.**

I see, that's the reason.

Day 3
140^{4'7"}cm → 150^{4'11"}cm

3 days ago

6 days later

And then...
Hmm...

What?
Wait, isn't she taller?

Was she always this tall?

She's also...

No way... Isn't she taller than me now?

She used to be shorter.

**Hehe, I used my hiding technique.
You didn't notice.**

**I've noticed that I've grown taller too,
and it seems like the other girls
in my class are also growing.
It's strange.**

Day 6
150cm^{4'11"} → 160cm^{5'3"}

3 days ago

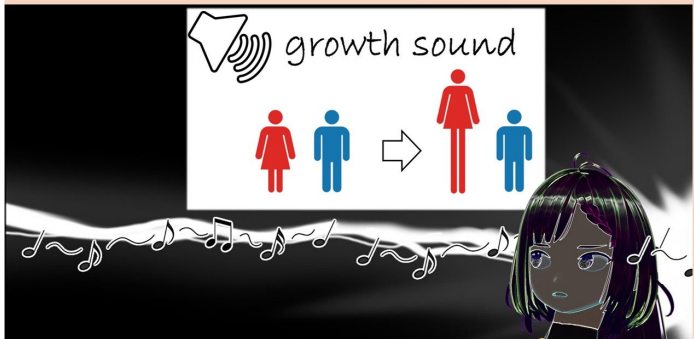

12 days later

Hey! Haven't you gotten taller!?

I've finally hit a growth spurt!

Girls grow in height, style and ability!

But boys stay the same!

My ninja techniques have gotten stronger, haven't they?

Ugh.....

Small girls outgrow boys!

Day 12
160cm → 170cm

6 days ago

Girls grow after growth!

That's impossible.

Good morning~

An anime-style illustration of a school hallway. In the center, a girl with short black hair, wearing a white sweater and plaid pants, is being lifted or supported by two very tall women. One woman is wearing a dark red dress with a yellow sash and black gloves, pointing her finger. The other woman is wearing a white shirt and plaid pants, also pointing. To the left, another tall woman in a white shirt and plaid skirt is walking. To the right, two boys in school uniforms are walking. The background shows a hallway with lockers and a window.

Haven't you grown taller again?

It's just that the boys
aren't growing, right?

This is a story for tall women,
breast expansion, and real GTS lovers!
