Terms of Use

Permitted Uses:

No credit attribution required

Use for commercial purposes

Use in adult-oriented works

Appropriate editing to fit scenes, including the use of only parts of the music

Prohibited Uses:

Redistribution or sale of the materials, or using the materials as the main content for distribution

(Using the music in games like rhythm games is allowed)

Remixing the music or making significant alterations to the original track, if deemed lacking in consideration for the creator's work

Use for AI training is not permitted.

Purchasers agree to use this work at their own responsibility and bear full responsibility for the use of the work after purchase.

We hope to assist your creative work through these materials.

We also welcome your feedback for product development and updates reflecting users' voices, so feel free to contact us.
