Train

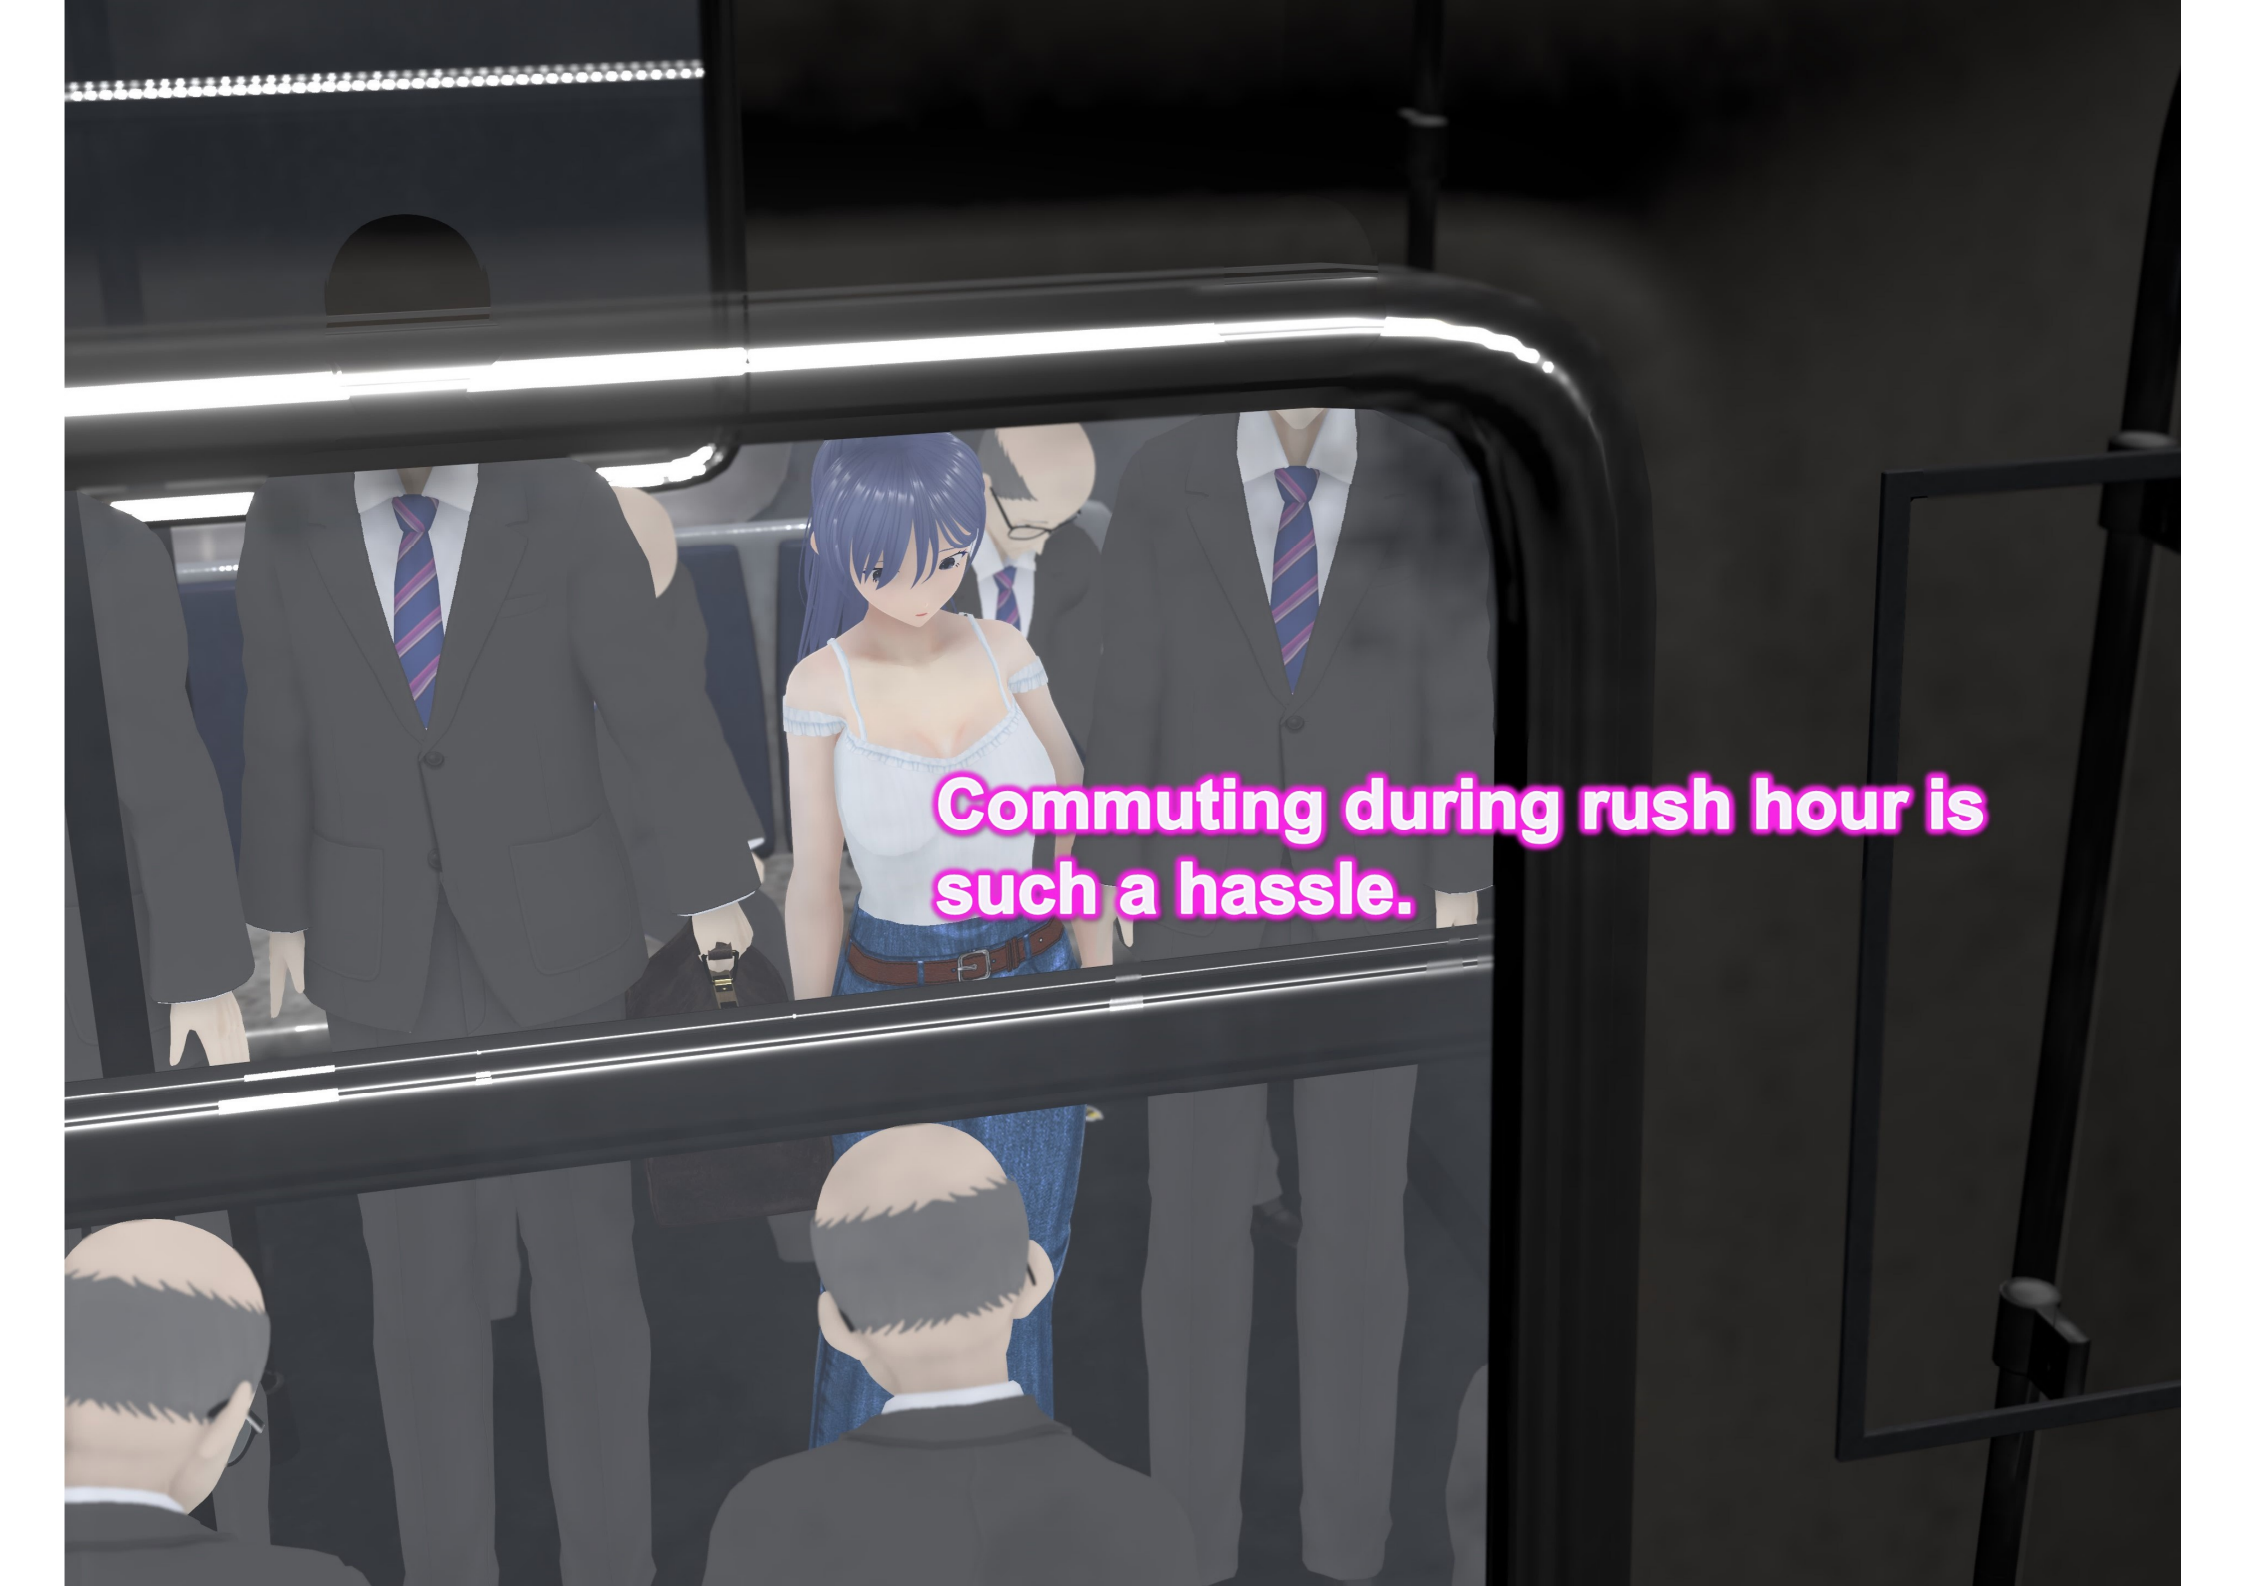

"Growth sound" only affects girls, not boys,
and has been developed in top secrecy.

 growth sound

The sound is played discreetly over
the school's public address system.

**Commuting during rush hour is
such a hassle.**

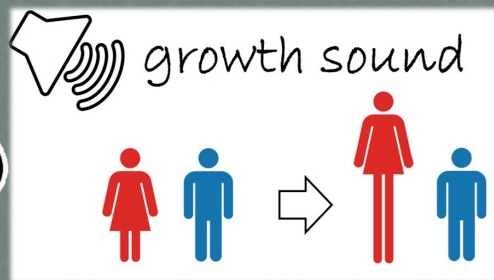

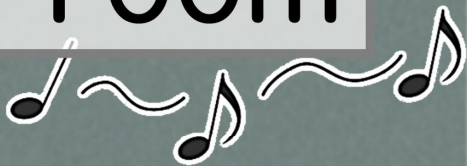

Ugh! This old man's bag is hitting me, it's the worst.

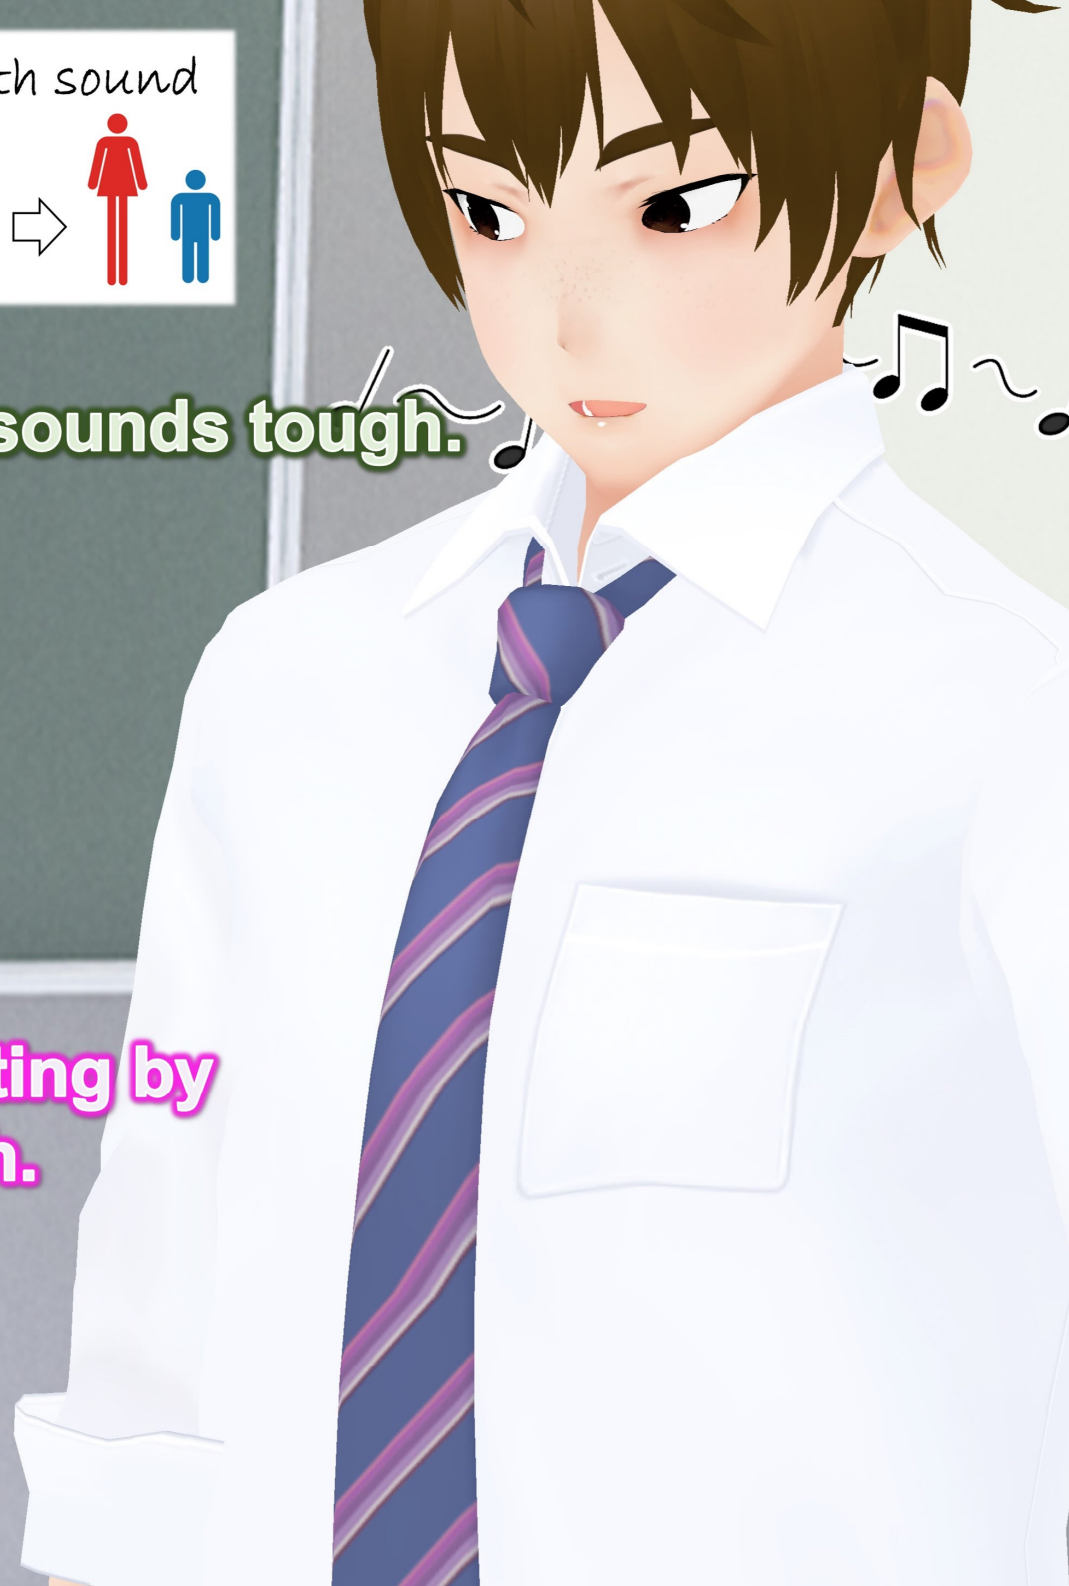

Phew...
finally got off at the station.

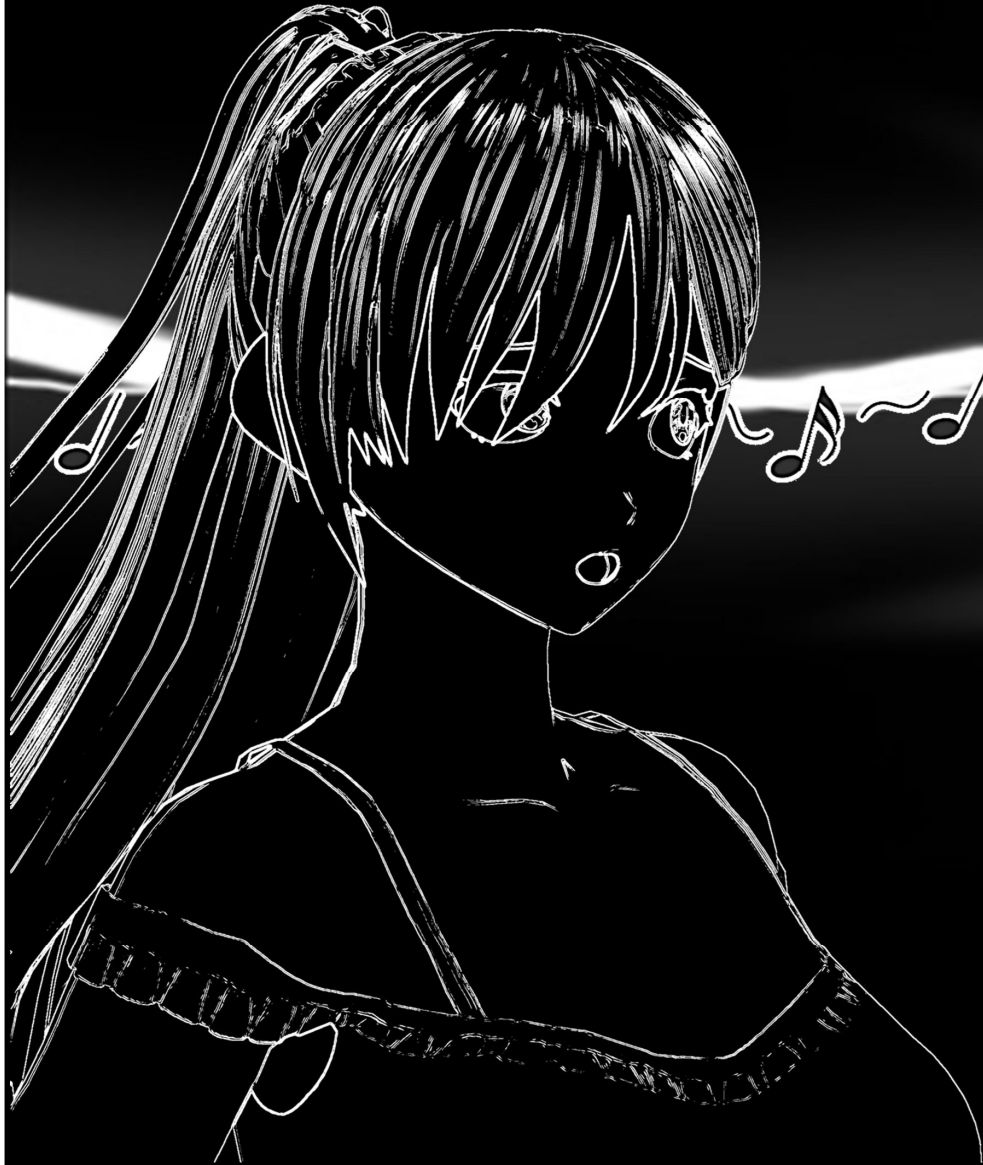

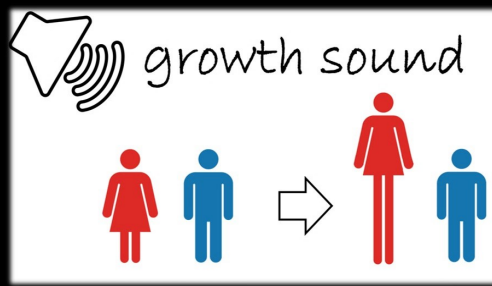

class room

Oh, that sounds tough.

Yes, commuting by
train is tough.

Are you okay?

Yeah, it's kind of
a strange feeling.

Day 1

140⁴⁷cm

3 days later

**Another rush hour train
today.**

**Ugh! His bag hit my
crotch, it's the worst!**

This old man is the worst

Day 3

140^{4'7"}cm → 150^{4'11"}cm

140cm

6 days later

Huh?
The bag isn't hitting
my crotch.

Instead, it's hitting my chest.

Day 6
150^{4'11"}cm→160^{5'3"}cm

140cm

12 days later

I did it! I got to sit today!

Ah, I have to get off
at the next stop.

Alright, here we go.

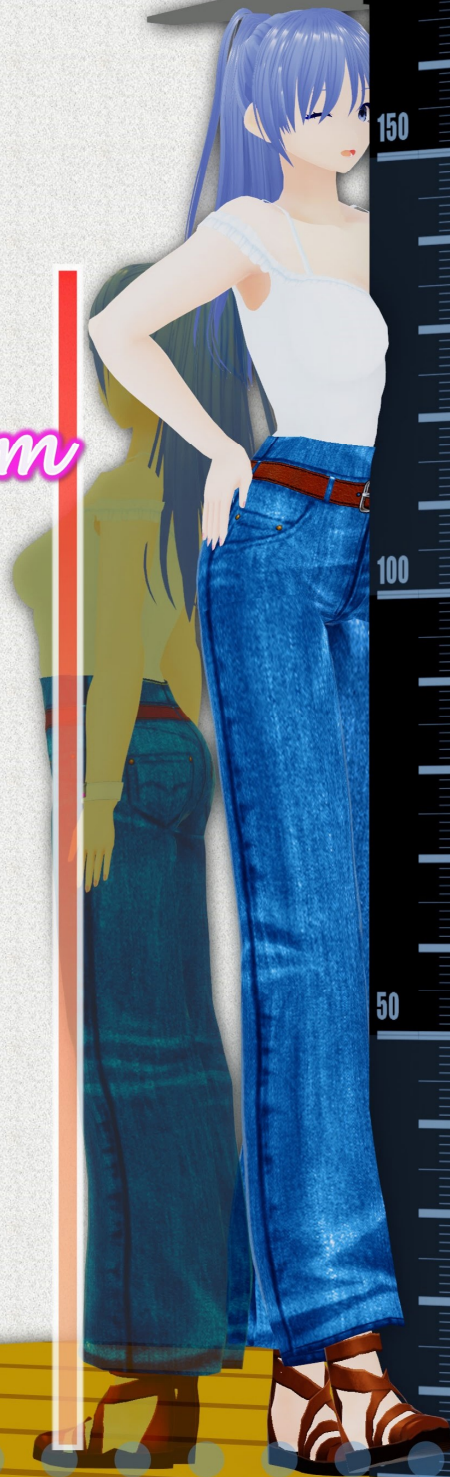

**I feel like I'm looking down at the old man
in front of me.**

Day 12
160^{5'3"}cm → 170^{5'7"}cm

140cm

18 days later

Everyone's so short...

I'm easily looking down on them.

**This is the worst... I can feel the
old man's gaze on my chest.**

Day 18
170^{5'7"}cm → 180^{5'10"}cm

140cm

25 days later

The door entrance feels small.

The train feels small too.

Girls grow in height, style and ability!

But boys stay the same!

I'm easily looking down on them.

The train feels small too.

Small girls outgrow boys!

Girls grow after growth!

So, you switched to bus commuting!

That's right.

The boys hit their growth spurt earlier, but I'm trying to surpass 2 meters... even if the boys grow, I don't think they'll catch up.

Sorry for my long legs!

**This is a story for tall women,
breast expansion, and real GTS lovers!**
