Training started

Day 1

The story was that two beautiful and bewitching women lived in that large house. Only luxury foreign cars would sometimes enter the place. A young man heard this rumor.

While he was looking at various job sites, he miraculously found a job offer from a woman who seemed to be from this mansion. He lived far away, but he immediately applied for the job and finally made it to the final interview. Today was the day of the interview.

The young man was surprised when he stepped onto the grounds of the mansion. The mansion was surrounded by a very high wall, and there were several palm trees that were even taller than the wall.

There was also a swimming pool in the garden, and in this place where a gentle breeze blew, there were even reclining chairs outside.

The job he found was to look after two women. It seemed to be a week-long overnight job. He was confident in his physical strength. Besides, he was happy just to be in this place, so he wanted to pass the test at all costs.

Since he applied for this job, there had already been various email exchanges and a strict document screening process. And now, this final interview. The two women sitting in front of him seemed even more beautiful than he had heard. He felt he had to pass at all costs.

He imagined that they would ask him some tough questions. However, the exchange was not as tough as he had expected. It was just a casual chat.

What kind of transportation did he use to get here today?
Did he tell anyone that he was coming here today?
What is the latest news about his family?

It was really just trivial stuff.

A woman with short, straight silver hair and bangs is seated on a modern, metallic chair. She is wearing a black, form-fitting, sleeveless top and black leather pants with silver studs along the side. She is looking off to the right with a slight smile. The background is dark and out of focus.

The name of this silver-haired woman is Hikari.
She speaks very clearly, and he decides that he likes her very much.
And it seems that the young man has been accepted by the girls.
The conversation progresses.

And the name of this red-haired woman is Akari.
She speaks in a more relaxed way than Hikari.
And he found out one interesting fact.
These two women seem to be twins.

They are exactly the same in terms of voice, except for the way they speak.
And their faces and body shapes are also very similar.

Well then... let's start testing you tonight.
You have three days to train.
So you'd better study hard.

And on the fourth day, there will be a test.
Depending on the results of that test,
I will tell you what kind of work you will be doing,
so please do your best.

We are busy during the day, so basically,
your work will be done at night.
As for the prohibited items and payment of your salary,
I have already told you about them.

Yes, I understand.
I'm staying for a week, and if I leave before the end of the week,
I will have to pay a penalty.
Also, I'm not allowed to touch either of you.

Yes.

As long as you understand that, it's okay.
Then, you should get changed straight away.
Your formal clothes are in the drawer there.

Oh, and I'll need to take all the devices
and mobile phones you're carrying with you.
That was part of the contract, wasn't it?

There's also confidential information here,
so I can't have you doing anything weird.

...Well, if you don't want to, that's fine... what will you do?

...Yeah, it seems you understand.

Well, we have to change too, so we'll leave first.

I'll be waiting in the living room.

a few minutes later

You found a guy who looks quite interesting.
He seems like a proper guy, but actually he doesn't
seem to understand at all.

And look at his tiny body.
I wonder if he can really endure what's about to
happen.

He said he was confident in his strength, but...

Well, it doesn't really matter either way.
If he can hold out, we'll be lucky.
But if not, it'll be business as usual.
Either way, there'll be lots of things for us to be happy about.
Oh... I can't wait for him to get here.

Or maybe he'll be surprised?
I wonder if he'll be surprised to see the "formal wear" in the drawer
he opened is just a pair of underwear?
...Hmmm... I'm really looking forward to him getting here.

Excuse me, can you hear me?

...The only thing in the drawer in front of me is a pair of underpants.

Surely it's wrong to go over there in a state that's almost naked, isn't it?

...To begin with... being naked is a little embarrassing.

There's nothing wrong with you.
In fact, that's your formal wear.
Come on, don't keep us waiting.
Hurry up and change and come over here.

That's right, **your original form is nakedness.**
But you're still training, right?
Besides, we don't look at you **in a sexual** way.
So don't worry.

Mm-hmm... It looks really good on you.
But there's something wrong with your posture.

Put your hands behind your head.
And straighten your back and show us your whole body.
Come on, do it quickly.
The order is absolute.

Yes, that's fine.
But you're so small.
All this work requires a lot of stamina.
Are you sure you're up to it?

Oh, before we start, I should say
that you're sure you want to start, right?
If you're too embarrassed now,
we can stop training.

Of course! I look forward to it.
Experience is important for this kind of work.
Besides, I don't mind being seen by you two beautiful people.

Oh, really?
Then I look forward to working with you for the next week.
I'm looking forward to you not giving up.

Well then, for today, let's have you start by memorizing our smells. You should maintain your posture. Your hands should be behind your head.

Over the course of three days, you will memorize various information about us. Where should I start? Well, how about I have you smell my sweaty armpit? Look up.

Hey, you.
Didn't you hear me when I said to raise your head?
Come on, raise your head.
If you can't understand our kind words,
we'll have to show you with our actions.

Oh... I'm sorry... I'm sorry...

Look, raise your head and turn to the left.
From now on, I'm going to make you
smell Hikari's armpit.

Sharpen your mind and concentrate
on remembering the smell.
Do you understand?

Here it is. He's scared, isn't he?
Akari, you're being too strict.
He's probably just panicking
because it's all new to him.
Give him a break.

See... I'm all sweaty...
Please smell me.
Is it a bit strong?

Can you smell the sour smell?
...I'll put your face between my armpits, which smell so bad.

Stink...

Yes, you have a very interesting reaction.
This place smells really bad, doesn't it?
But it's your job to remember it.
There's nothing you can do about it. Give up.

Oh dear... you're making such a sad voice.
Could it be that you've reached your limit?
Or does it mean that you've managed to
memorize the smell?

...Well, let's take a break.

W...
...
!!

What, are you already down?
You haven't smelled me yet.
Come on, put your hands behind your head.
Straighten your back.

Was it a bit too stimulating for you?
Oh well...
I'll help you out, so you can also smell Akari.

My head is spinning...
it's so hard...

Here we go...
You really are small and thin.
Come on, brace yourself.
I'll support you on either side so you don't fall over.
Reach out! That's it.
Let Akari support you with her arms.

There... it's finished.
You should sniff a lot of Akari's crotch.
It's sure to smell much worse than my armpit.
But... you won't be able to escape until you've
properly memorized the smell.
Go ahead and sniff.
Heh heh, this is interesting.

Yes, you're just the right size.
Actually, we've been skipping baths
for three days in preparation for today.
That way, the smell will be the best, right?
Oh my, your body is trembling cutely.

Is that from the excitement?
Or is it from despair?
Well, make sure you remember it.

A woman with short, wavy red hair is wearing a white maid-style outfit with a ruffled collar and a lace-trimmed apron. She is looking down with a slightly distressed or pained expression. She is being held from behind by a person with short black hair, whose arms are visible in black lace gloves. The background is a plain, light-colored wall.

Oh dear, your body is starting to shake.
Perhaps you've reached your limit?
Or perhaps you've completed your memory?

I'll stop for now, believing that you are excellent.
But next time, you'll have to sniff Hikari's crotch.
Do you understand?

Oh... why aren't you awake?
It was my turn next...

I'm sorry... I'm not feeling well...
Please let me off for today. I'll do my best tomorrow...

Yes, that's fine.
It's your first day, and you've worked hard.
But I'm going to give you one penalty.
I'll be waiting for you here at the same
time tomorrow night.
Oh, and your room is upstairs.

Akari, take good care of him.

Oh dear, a penalty.
That's too bad.
But that's because you can't do your best.
You can't even walk properly,
so I'll carry you to your bedroom.
Good luck tomorrow night.

Days of suffering

Day 2

Hey, it looks like you slept well yesterday.
I'm glad you came in time for today's training.
I'll be ready in a minute. Just wait a little longer.
Let's see... like this... umm...OK!

What's wrong?
You look worried.
But don't worry.
This is the collar for yesterday's penalty.
And I'll tell you what it is.
It's like an insurance policy.

See this?
This is the switch to activate the collar.
Isn't it cute?

I press this button when you need
to receive another penalty.
What do you think will happen?

If you press that switch,
a fairly strong electric current will flow.
If you're not trained, you might faint.
Well, you don't normally use it, so it's fine.
Only when I need to give you a penalty.
Got it?

Ah... electricity... is... scary...

There's no need to be afraid.
I will only punish foolish people who
give up halfway through.
Let's start today's training.
Lie face up on the sofa there.

Today, we're going to have you remember our weight.

You'll need to use your whole body to remember our weight. You said you were confident in your strength... so you'll be fine, right?

Well then... I'll start with me.

Weight?
Am I supposed to remember the weight?

Well then... take care of me.
...Here, this is my weight.
I want you to understand it accurately.
So, I'll put all my weight on you later.

When you're taking the test,
it's fine if you can tell whether it's me or Akari.
Akari is much heavier than me,
so you should be able to tell straight away.

THUD!!

Oh dear... what's wrong?
You look like the end of the world.
Is it that hard to breathe?
This is only half my weight.

Well then... I think I'll continue from yesterday.
I'll let you smell me a little more.
...Which smell do you want to smell?
My butt? Or my crotch?
Or, umm, yes!

It's heavy...
I can't breathe.

See, this is about 80% of my body weight.
Oh, and even though I know it's hard to breathe,
please don't use too many bad words.
Do you think there are women who would
be happy to hear you say "It's heavy!" ?

I walked quite a long way today,
so I'm sweating a lot.
To start with, I haven't had a
bath since yesterday.

So I'm pretty dirty.
I think I smell pretty strong,
so please remember that.
After that, I'll let you smell
my sweaty butt.

A woman with vibrant red hair is kneeling on a white, textured surface. She is wearing a white lace corset with ruffled shoulders and a white choker with a small black and red detail. She is looking towards the camera with a slight smile. Her legs are spread apart, and she is wearing white fishnet stockings. A small, glowing yellow arrow icon points downwards in the top left corner.

See... this is the smell of my feet.
Take a deep breath and let the smell
of my feet permeate the back of your
nose and the bottom of your lungs.

The smell of my feet is quite different
from Hikari's, so it should be quite easy to tell.
Make sure you can tell the difference.

And... look, this is my full weight!
Isn't it a good weight?
I'll keep doing it until you can remember it.

Ten minutes...twenty minutes...thirty minutes...
The time passes painfully slowly for the man.
Perhaps the collar is working, but he doesn't give up at all today.
But it doesn't end.

One hour later

You've worked hard for a long time.
Next time, I'll let you smell my butt.
I'll add enough weight to it, so remember it at the same time.

U..Ummm.....
already... stop... stop...

Oh...did you say something?
I couldn't hear you.
Hmmm...enjoy the smell of my butt.
This is the last time I'm going to do this, so...hang in there until the end.
Now...take a deep breath.

Thud!!!

Oh dear, you're shouting something.
I wonder if that means it's over and you're okay?
...But I'd be worried if it wasn't,
so let's continue for a little while longer.
Until you lose the energy to make that sound.
I'll keep riding on top of you.
...Just a little more...
Just a little more.
Heh heh♥

Mmmm... I'm feeling ecstasy.
You're quite a hard worker.
But you're shaking so much.
But let's continue for a little while longer.
You're still okay, right?
Until just before your shaking stops.
Hehehehe♥

Oh... maybe I went a little too far.
Well... but you did well to stick with it until the end.
See you tomorrow at the same time.

Well then... I'll carry it to your room again today.
Tomorrow, we'll have our taste recorded in your brain.
I'm looking forward to tomorrow.

(...No good... This place is dangerous.)
(...I have to... escape somehow...)

Determination

Day 3

The third evening.
The man woke up earlier than the time he had been assigned.
His mind had already made up its mind.
He would escape from this place.

The training was far more intense than he had imagined.
His mind and body were at their limit.
In a little while, the training would start again.
He decided that he had to escape before the girls returned.

There were a few things that concerned him.
One of them was that he had lost all of his belongings.
He had no money, no clothes, and no phone.
He could ask the girls for help, but he didn't want to pay the penalty.
For now, he would escape and think about it later.

As soon as he left the room, he headed for the exit.
The girls weren't there at this time yesterday either.
Whenever they come back, there's always a loud exhaust noise from their car.
He hurried along the path to the exit, barefoot.

He ran straight through the garden and came to the exit of the garden.
He was almost there.

Of course, he didn't want to walk outside naked, but he thought there was no choice.
He thought he would explain the situation to the people in the town
and somehow get them to understand.

He thought about what would happen after he left the mansion.

Then, just as he was thinking about some things, a loud noise suddenly rang out.

A close-up, low-angle shot of a person's neck and shoulder. They are wearing a black, multi-layered collar or neck brace. The collar has two small red lights on the right side and a yellow lightning bolt symbol on a black rectangular patch. The person's head is tilted back, and their mouth is slightly open. The background shows a clear blue sky and a white wall with a spherical finial. A pool of water is visible in the lower left corner.

Bleep!

He felt a sharp pain in his neck and collapsed to the ground.
He had no idea what had happened.

His whole body felt numb.
Could it be that his collar had activated?
He didn't understand.

However, he would soon realize the gravity of what he had done.

I told you yesterday.
It's insurance.

What are you doing here?
Did you try to go out on your own?
That's not allowed, you know...

Did you think your collar wouldn't activate
unless we were near you?
I'm sorry you were wrong.

It activates when you approach the exit on your own.
It also keeps transmitting your location.
That's why we knew where you were from the
moment you started going down the stairs.

Haha!

... It's a bit early, but let's start training today.
I don't mind getting dirty in this place.
You know, I'm going to forgive you this time.

That's right, I'm going to forgive you.
Then, let's get started.
Today, I'm going to make you remember my taste.
Do you know what it is?
Hehehe ♡...
First, I'll have you try my taste.

Well...
Are you going to forgive me?
