

You prepared something, right?

Well, let's not delay any longer and exchange gifts

Huh?? What does that mean??

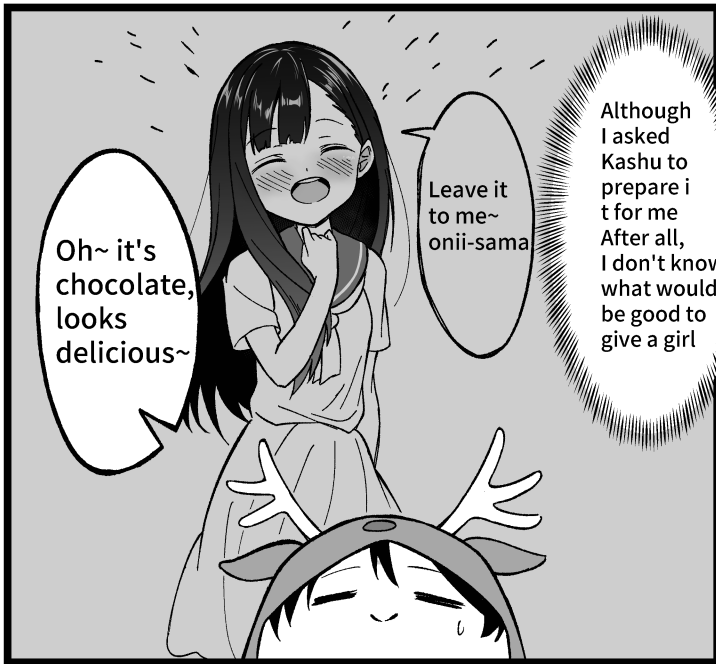

After all, drawing three characters at once is too trouble-some

Sob, the track and field club just happens to have a competition today

Unfortunately, Lemon and Komari-chan both have things to do

I have to go to a meeting

Oh~ it's chocolate, looks delicious~

Leave it to me~onii-sama

Although I asked Kashu to prepare it for me After all, I don't know what would be good to give a girl

I do have prepared...

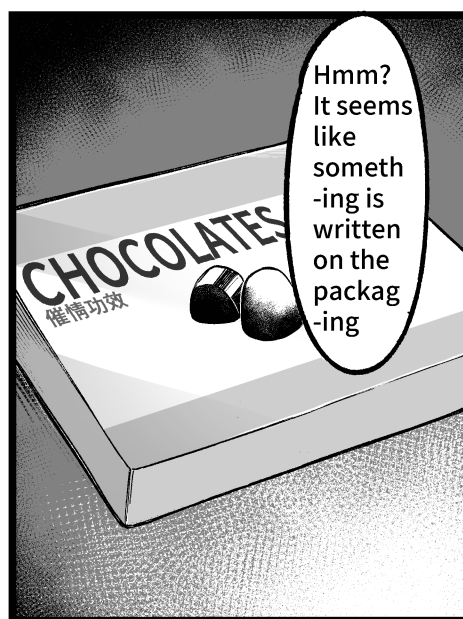

Hurry up and unwrap your gift too~ That was specially selected for you~

もぐもぐ

Considering Nukumizu's level, the choice isn't bad

You're unwrapping it too quickly! And already started eating it

Sister!  
What exactly  
did you  
give me!!

So that  
was what  
it referred  
to back then!?

Please  
make sure  
to consume  
it only when  
alone with  
two people~

I feel  
so hot

Yana-Chan!!  
It's exposed!!  
The chest  
is exposed!!

The whole  
chest is  
sticking to  
me! If this  
goes on...

Nu  
kumizu...

What  
should I  
do next?  
If I don't  
think of  
someth-  
ing...

Stop it!  
Don't take  
off my pants  
ah ah ah!!

Hmm?  
Someth-  
ing  
seems to  
be sticking  
out  
below

Oh no!  
My  
Excalibur  
is really  
reacting!!
