Growth
sound

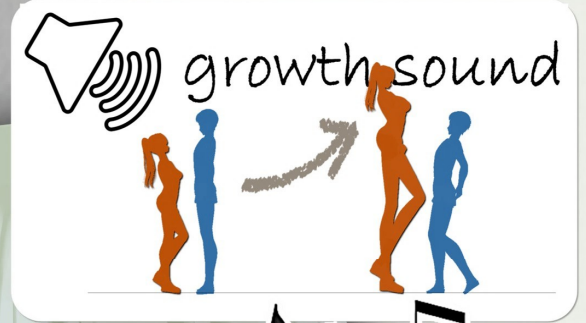

Alleyway

“**Growth sound**” only affects girls, not boys, and it has been developed under top-secret conditions.

The sound is discreetly played over **the school's public address system.**

School

Yes

**Strange sounds are
coming from the classroom.**

School

I feel something strange.

My body feels warm...
It's like energy is building up...

**Are you brats going through here
again? So annoying. Wandering
around in my territory.**

We're just passing by...
We have nothing to do with you...

I'm scared... Let's stop, big sis...

Not related?
There's nobody in this town who's unrelated.

**If you want to avoid trouble,
grow up first! ... Oh, wait,
that's impossible.**

Stop...

**... So? What can you do? Talk back? Cry?
Which one will you show me?**

Let's run!! Run...!! Faster!!!!

**Tsk. You're fast
when it comes to
running away.**

Day 1

140cm^{4'7"}

3 days later

Wait!!

... Hey, big sis... Haven't your eyes gotten a little higher?

Huh? ... Really?

**It's definitely higher! Probably...
about 10 centimeters...!**

**Walking feels easier...
Somehow, my center of gravity is different.**

I'm jealous...

The following morning

Whoa!

Our eye lines are the same now!?

Amazing !

An anime-style illustration of two young women standing outdoors. The woman on the left has long, straight green hair and is wearing a white off-the-shoulder dress with black trim and black boots. The woman on the right has short, dark red hair and is wearing a light blue off-the-shoulder dress with black trim, black stockings, and light green shoes with yellow bows. They are standing on a sidewalk next to a dark, textured wall. A large, out-of-focus grey object is on the right side of the frame.

**My shirt feels tighter than
yesterday, too.**

It's not just me.

I think so, too.

Isn't this going to keep going?

Day 3

140^{4'7"}cm → 150^{4'11"}cm

6 days later

Hey, you girls... Got away last time, huh?

Maybe today's a perfect day
to make you cry?

Heave-ho... Wait, what!?

Tsk! Did you grow
a lot or something?

We're about the same now, aren't we?

So what? Just because you're the same height,
you think you're strong? A kid's still a kid.

...Next time we meet, I'll probably be taller than you.

An anime-style illustration of three characters on a city street. On the left, a woman with long green hair in a white dress and a woman with dark red hair in a light blue dress stand together. The woman in blue is pointing her finger at a man with short white hair who is walking away from them. The man is wearing a dark blue floral shirt and denim shorts. The background features a wall with a black mesh fence and a street covered in graffiti. A traffic light is visible on the far left.

Don't babble...

ドゴッ

Shut up!

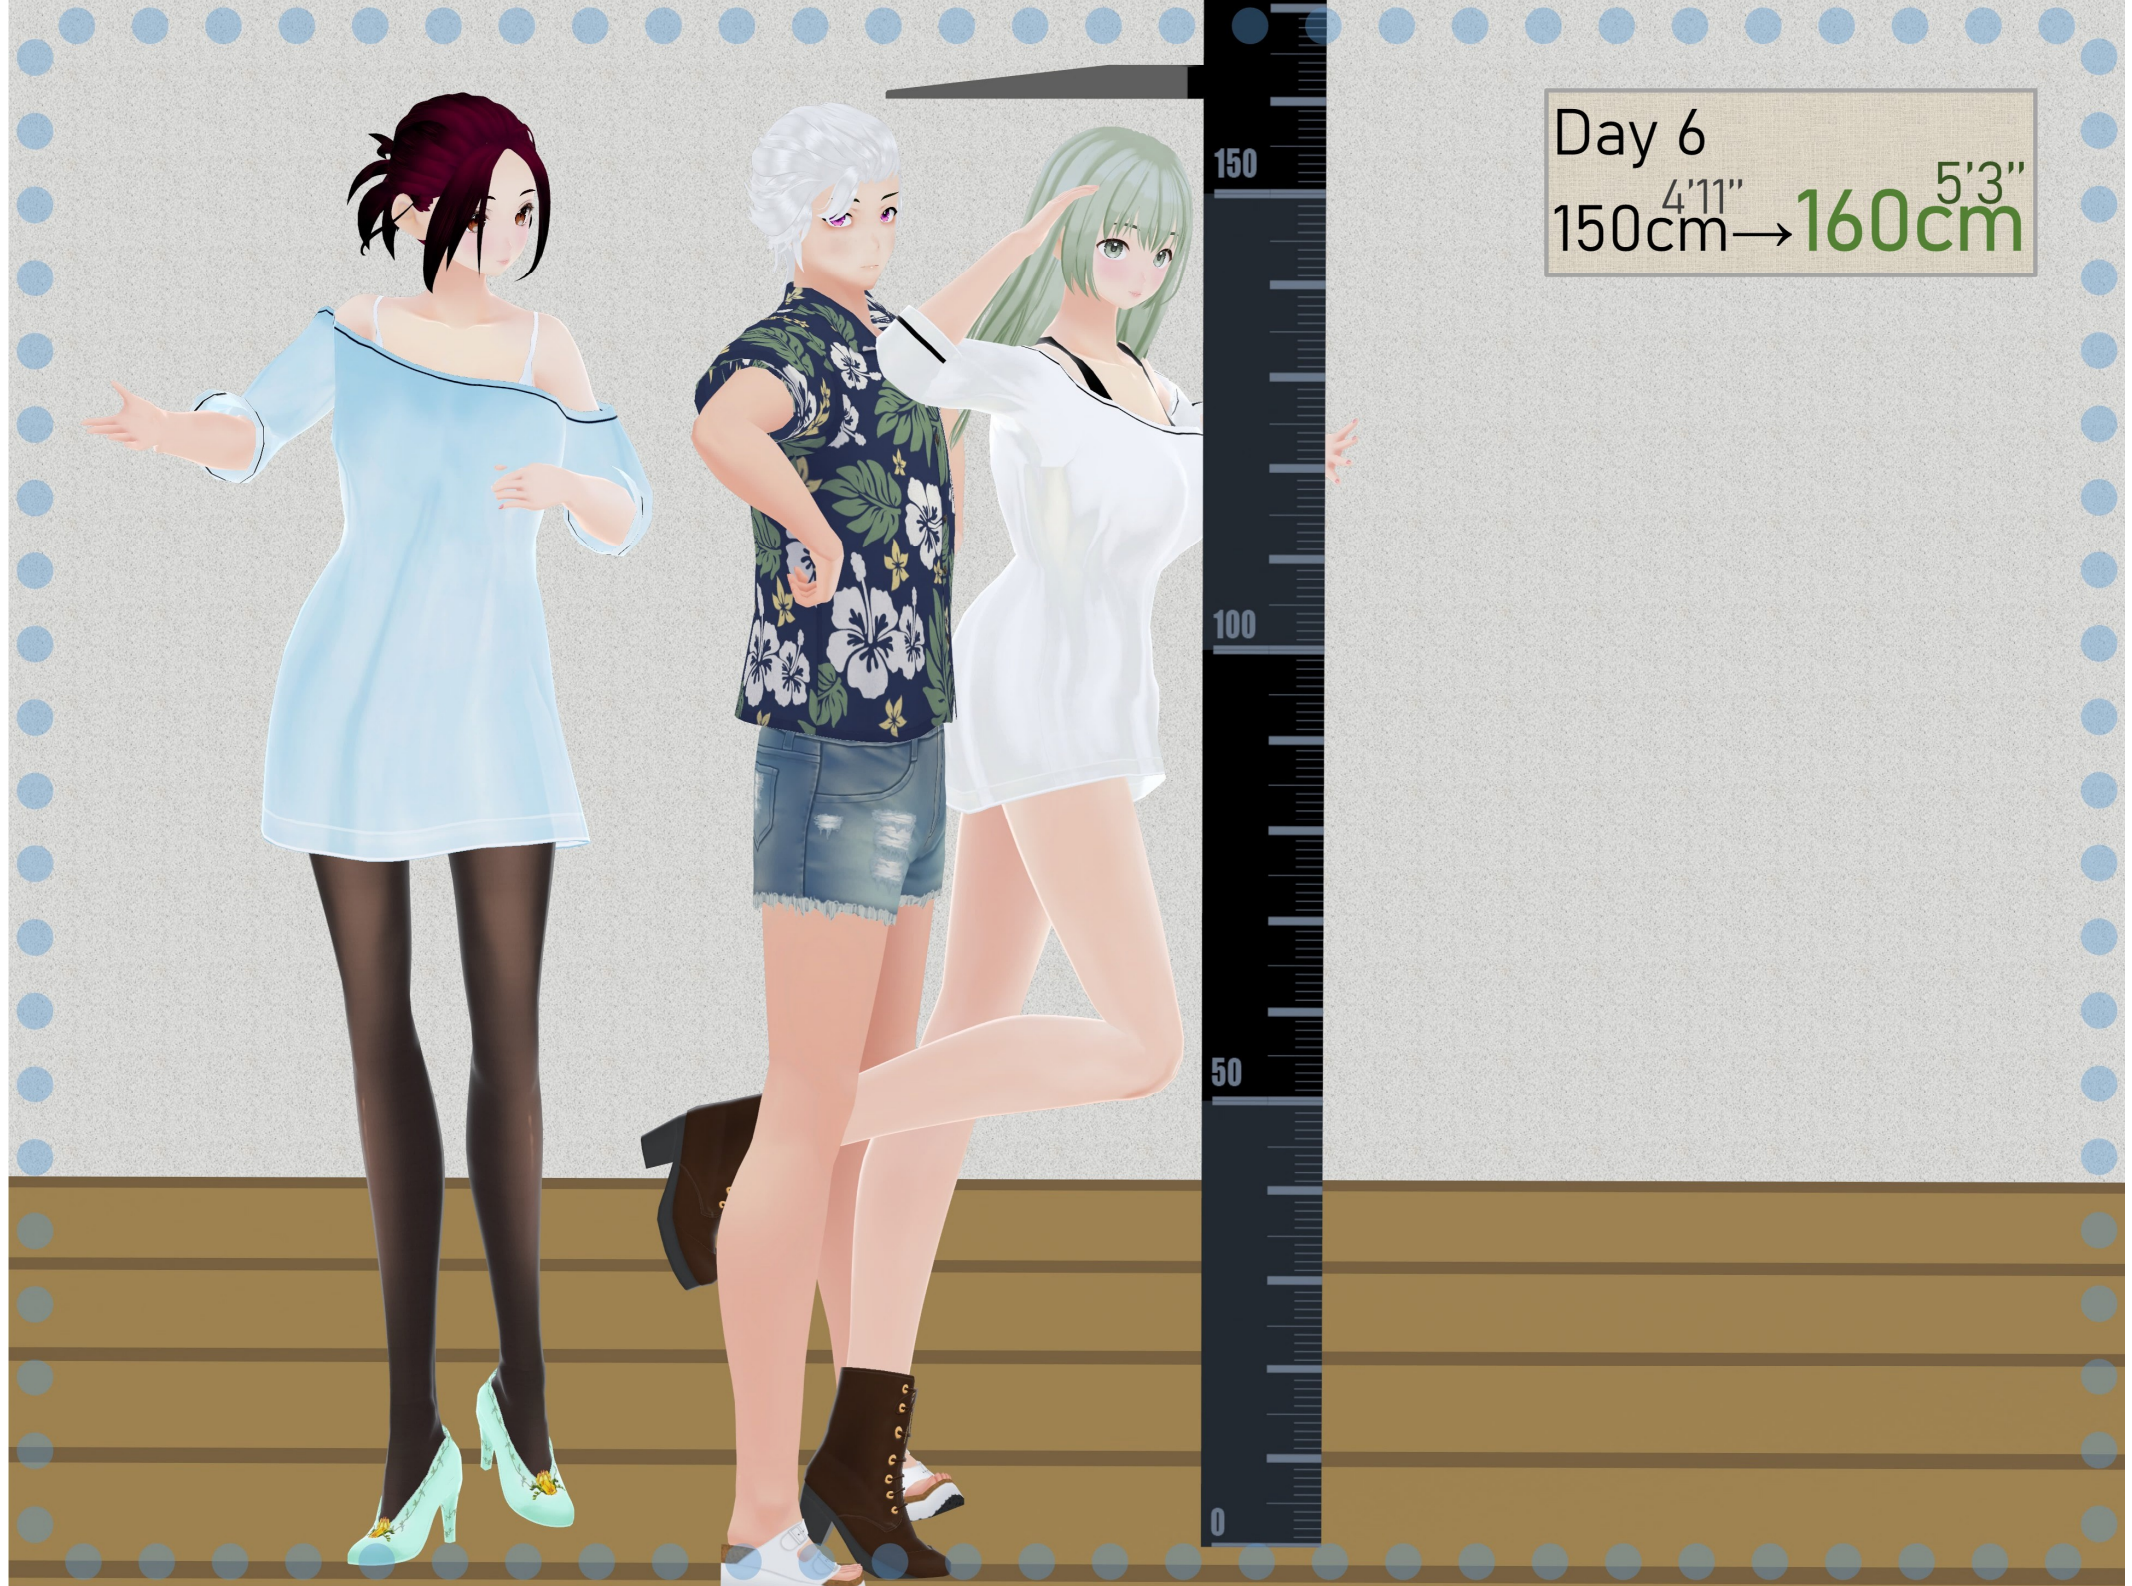

Whoa! You dented the fence!

Awful!

Hehe!

Day 6
150cm^{4'11"}→160cm^{5'3"}

... Hey, big sis... Haven't your eyes gotten a little higher?
Huh? ... Really?

But boys stay the same!

My chest is bigger, too... isn't it?

My legs, especially, are much longer...

Small girls outgrow boys!

Girls grow after growth!

It's back to my shoulder! Are you kidding me!

Shut up!

Let me out!

**This is a story for tall women,
breast expansion, and real GTS lovers!**
