**Growth** ↑

Alleyway

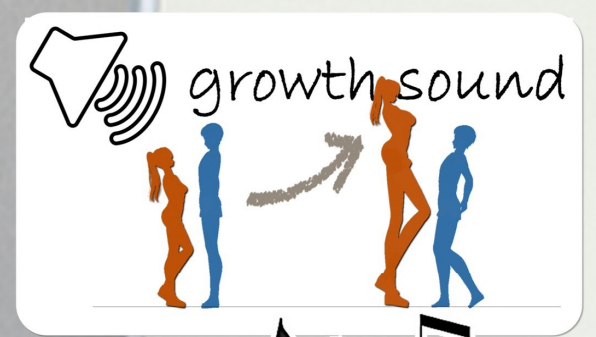

“**Growth sound**” only affects girls, not boys, and it has been developed under top-secret conditions.

The sound is discreetly played over **the school's public address system.**

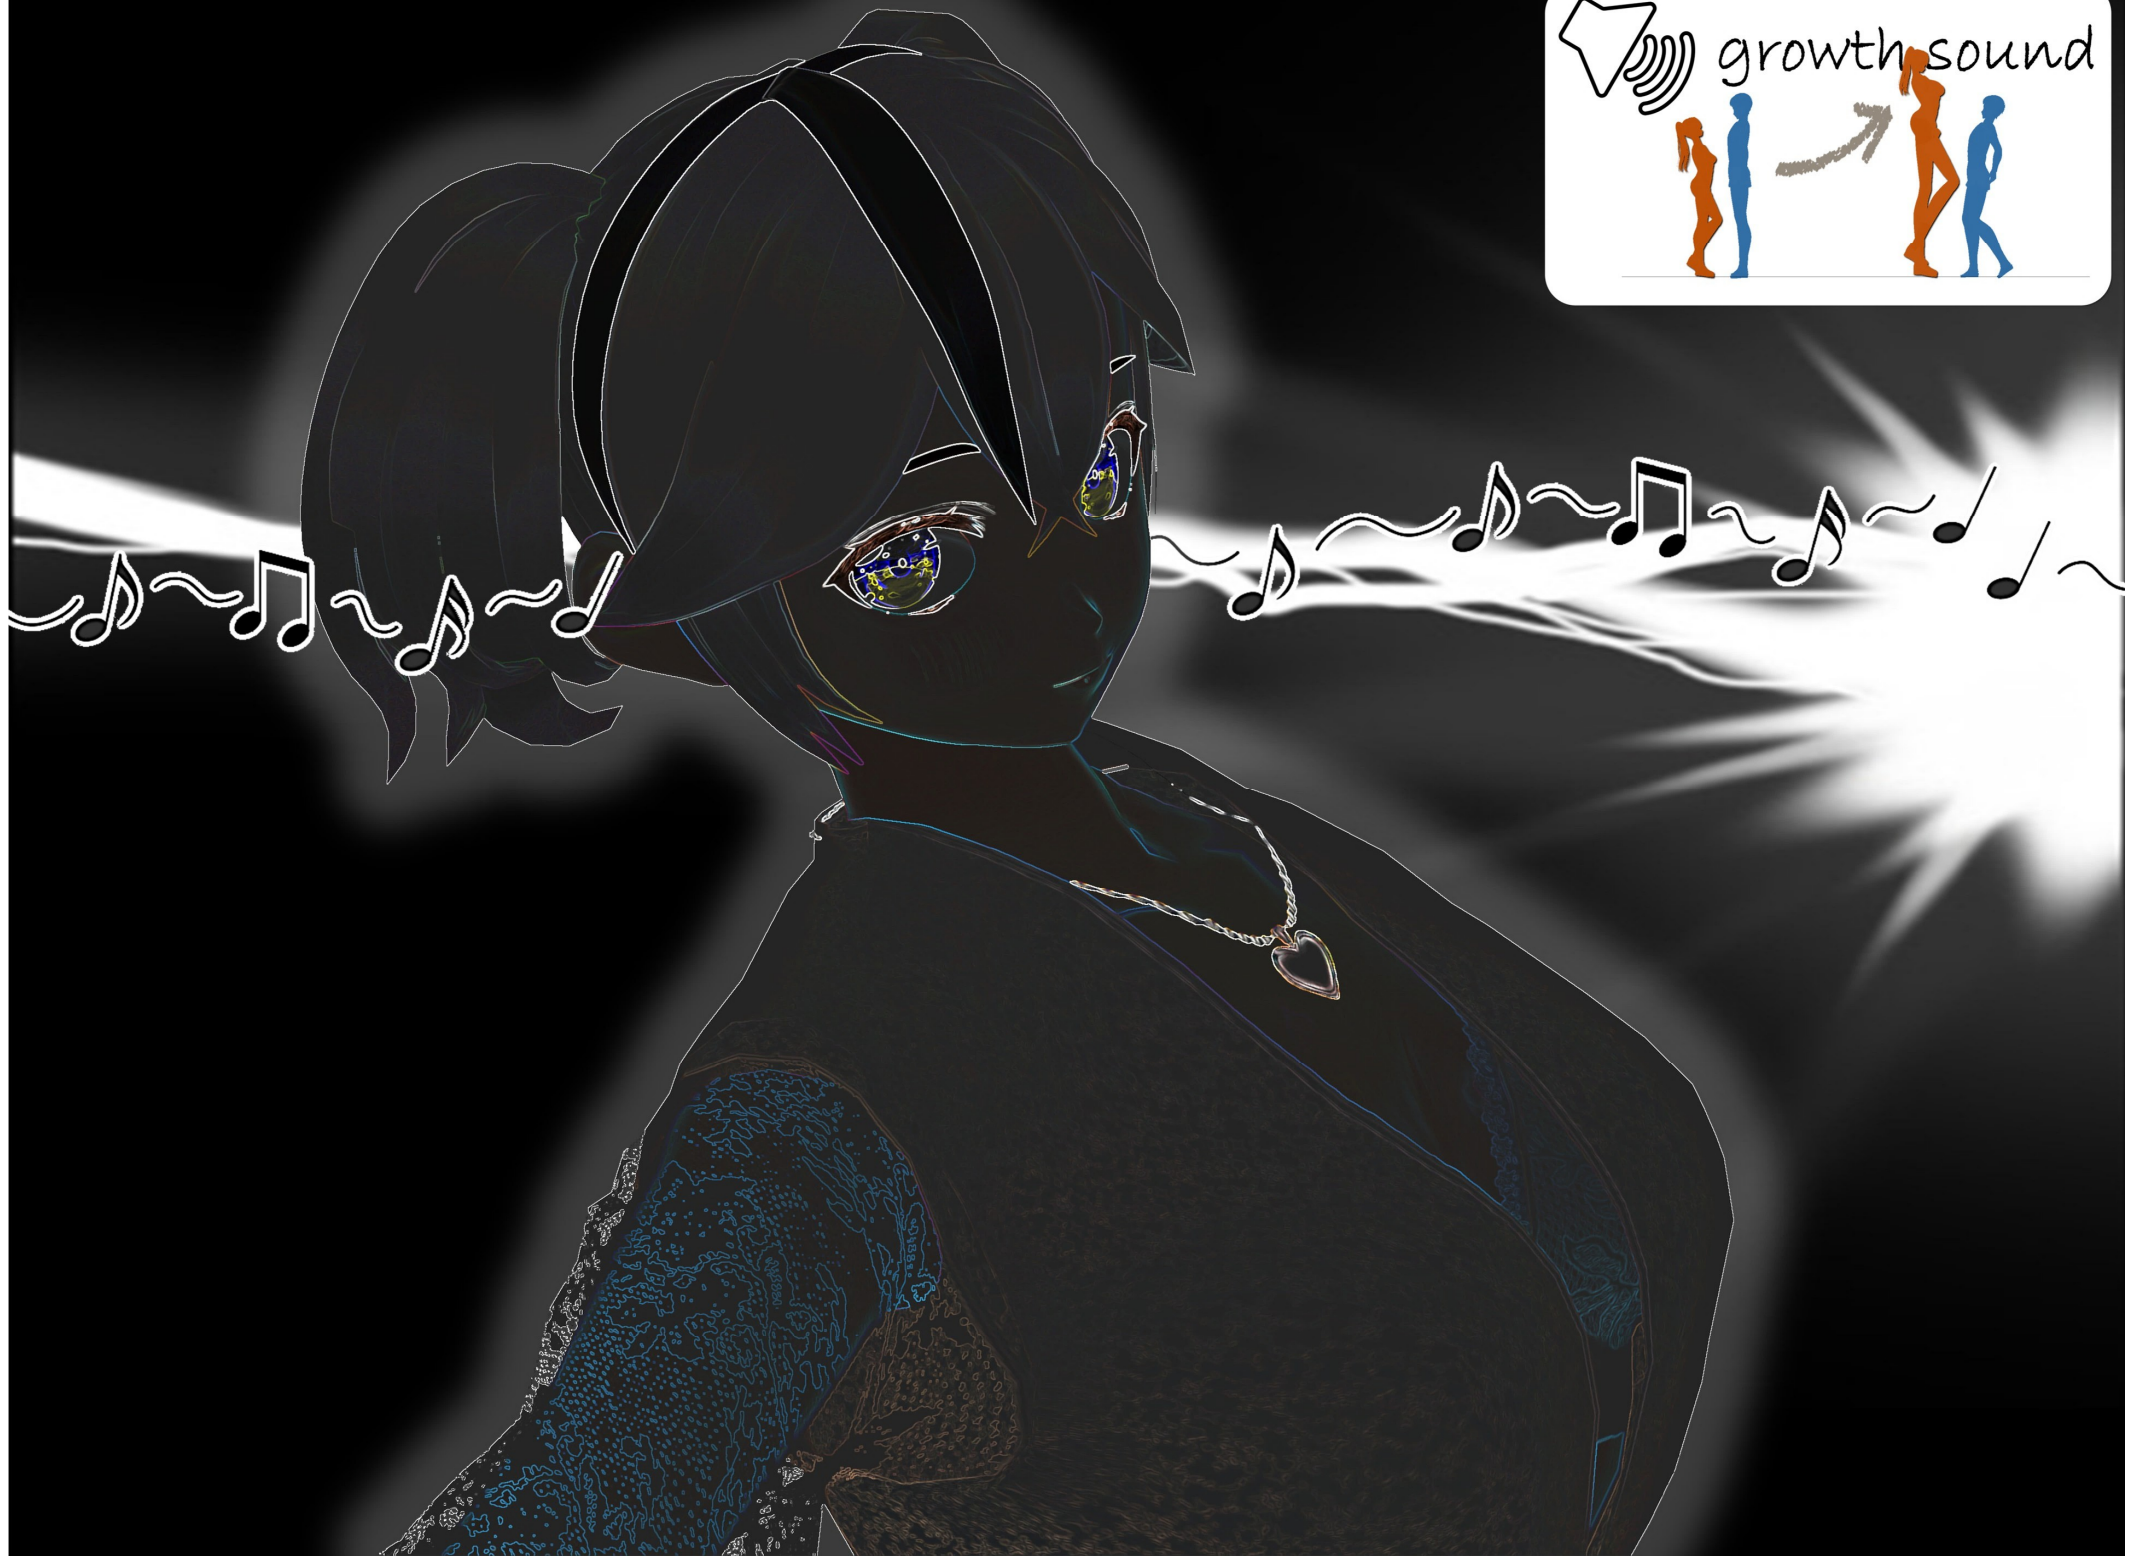

# School

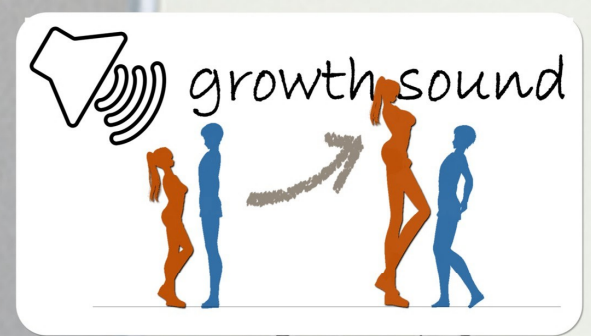

**I hear a strange sound  
coming from the  
classroom.**

# School

**My body feels hot...  
like energy is building  
up...**

What are you doing?

I started doing yoga recently!

Can you pull me from behind?

Like this?

Ouch!  
You're pulling too hard!

Heave-ho!

Whoa! My body is  
lifting off the ground!

ふっ

**Next, it's yoga where we  
hold hands back-to-back.**

**OK**

**Now twist your back like that.**

Like this?

Ugh, your arms are too long,  
I can't reach.

**The size difference is too big,  
this isn't working as yoga.**

**3 days later**

**Hey, want to try doing it together?**

Stretch our legs, right?

Yeah, like that.

**Huh? Our leg lengths are  
almost the same?**

Lift them up a bit! See?  
They really are the same!

No way... that can't be.

**6 days later**

**I can't reach the book.**

Books on the top shelf are hard to get!

An anime-style illustration of two characters in a library. On the left, a girl with short white hair, wearing a white lace-trimmed crop top and blue jeans, is reaching up with her right hand towards a high shelf. On the right, a boy with short black hair and glasses, wearing a white long-sleeved shirt, is also reaching up with his right hand towards the same shelf. The background is filled with dark wooden bookshelves containing various books. The text "Huh!? That's high!?" is written in a glowing green font above the boy's head.

Huh!? That's high!?

**Huh? Our leg lengths  
are almost the same?**

**I'm spreading my legs right now,  
but I'll come closer and compare.**

**Aha ♡ We're  
almost the same!**

**Let's do a forward bend challenge like this!**

**Look! Thanks to yoga,  
I'm getting more flexible!**

(Isn't her figure improving too?)

**Ta-da! I can bend all the way now!**

Now twist your back like that.

Girls grow in height, style and ability!

But boys stay the same!

Ta-da! I can bend all the way now!

Lately, my growth spurt has been amazing! I might grow even more ♡

Seeing it like this, your legs are just way too long.  
I hear a strange sound coming from the classroom.

Small girls outgrow boys!

Girls grow after growth!

You're really tiny now.

But our arm lengths are totally different.

**This is a story for tall women,  
breast expansion, and real GTS lovers!**

**This is kind of embarrassing...**
