## Preface

This work is not an instruction manual of any kind for relationships, sex acts, or anything else. Relax and enjoy.

This work contains:

1. Moments of anti-fat bias (not rewarded or endorsed by the narrative)
2. Cuckolding
3. Body modification
4. Eggpreg (and barely any egg puns!!! I am so strong)

## Chapter 1: There's Something About Kevin

Colby doesn't know how he ended up here. What started out as a hookup of convenience has morphed into something more, and now he spends most of his free time thinking about Kevin's ass and mouth.

He and Kevin first met when Colby was a TA for a persuasive writing course. Kevin's a senior who should've taken this class way earlier but managed to skip it since his degree is something math-heavy. Or maybe chemistry—Colby doesn't remember.

Colby usually prefers jocks and ~~twinky~~ otters, not plump guy-next-door types. And Kevin had a way of looking at him, when they were alone during office hours. Colby had seen that lingering look on a lot of guys who were trying to gauge if he was queer.

He'd found it annoying at first. He didn't need or want attention from basic-looking guys. So he'd tried to put Kevin off with pointedly raunchy jokes, but
