Day 1 140^{4'7"}cm

3 days later

An anime-style illustration of two young men in a body of water. The man in the foreground is submerged up to his chest, with his eyes closed and a calm expression. He has short black hair and is wearing a light blue shirt. The man in the background is also submerged, looking down at the first man with a serious expression. He has short black hair and is wearing a red shirt. The water is depicted with dynamic blue and white ripples. The text 'What are you doing?' is written in a green, bold font with a black outline, positioned above the first man's head. The text 'If I do this I can barely keep my face above water' is written in a pink, bold font with a black outline, positioned to the right of the first man's head. There are also some small, stylized Japanese characters 'はい' (hai) in purple near the first man's head.

What are you doing?

**If I do this I can barely keep
my face above water**

**Do not push yourself
You will drown again**

A close-up of two anime-style characters. On the left is a girl with short black hair and large, expressive black eyes, looking surprised. On the right is a boy with short grey hair and black eyes, looking slightly away with a serious expression. A pink arrow with a heart at the end points from the girl's eye level towards the boy's eye level.

Huh are we at the same eye level

**That cannot be.
Your feet are just floating**

The image shows the lower halves of two anime-style characters standing on a grey stone floor. The character on the left is wearing white bikini bottoms with a black bow on the left hip. The character on the right is wearing a green and yellow skirt with white trim. Their feet are touching. The background is a grey stone wall.

Maybe it is a growth spurt
