Rengoku! Don't make such a tense face!
I'll train you so you can defeat
any demon...!~

And I'll give you individual
instruction using my bedroom tech
so you can defeat any demon!

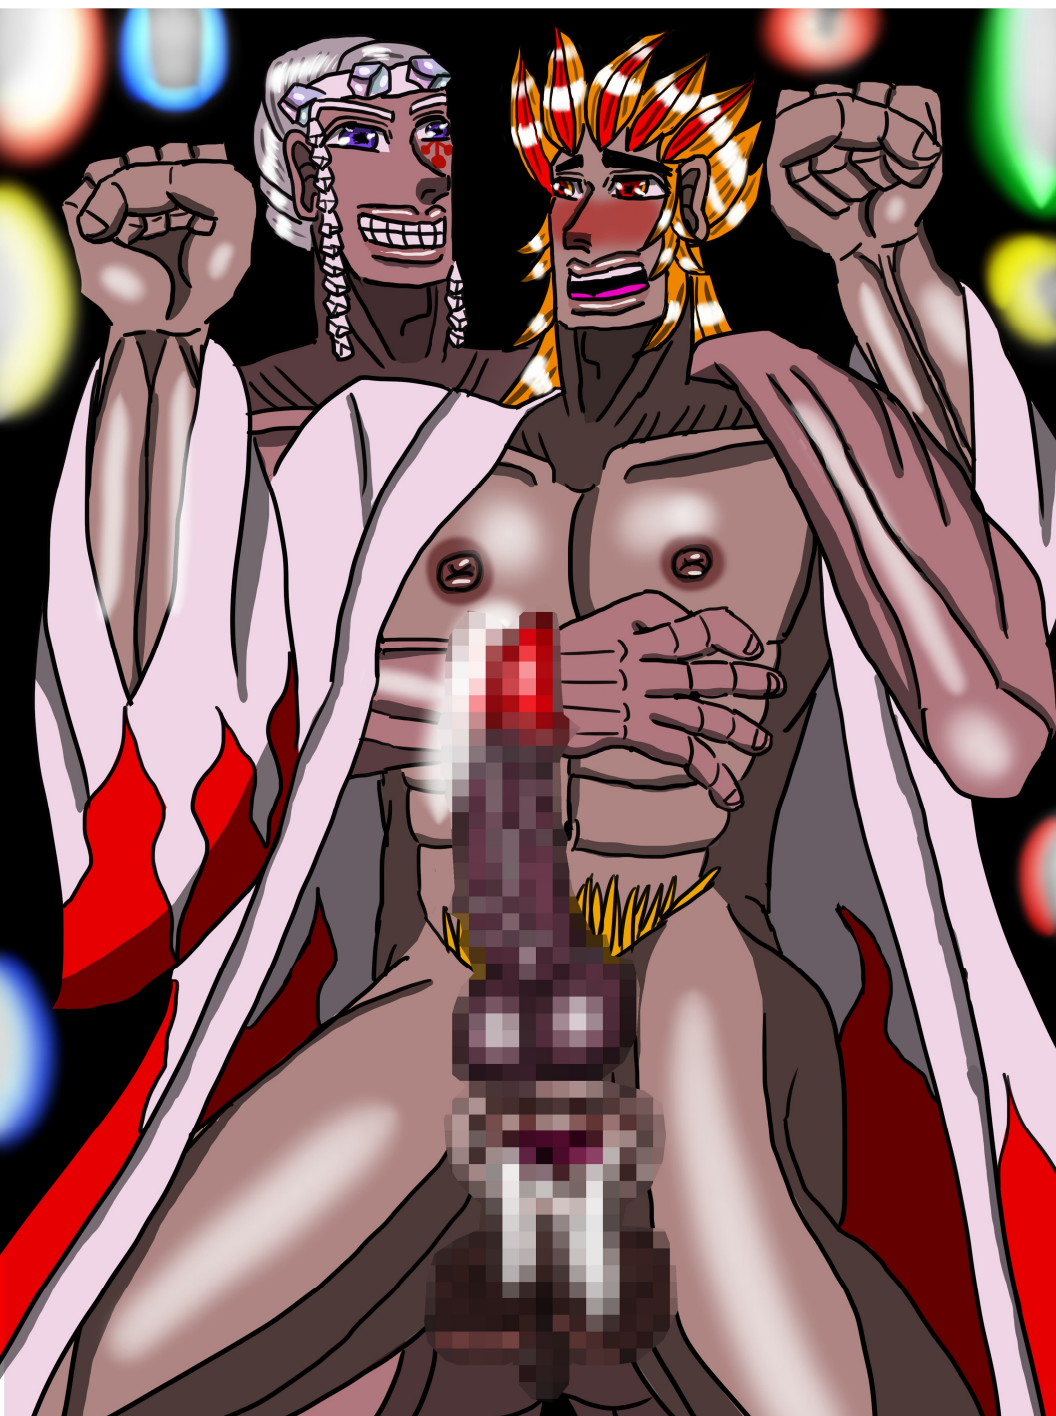

Rengoku!

The moment I put my great sword into your hole, my cock immediately tightened and made me ejaculate...

Your penis is erect and tears of joy're even flowing from your son. You're a hardcore pervert!

Now I'm going to torment you with cruising again and again, so be prepared!

I'm Kyojuro Rengoku, the leader
Of the Demon Slayer Corps!

My current mission is to team up
with my partner Uzui, who is hidin
in the pleasure quarters, and
defeat him!

滅

As a swordsman who wields fire,
I have defeated many demons
But I must be careful with this
job as well!

According to Uzui's information,
the mastermind behind the rampant
demon infestation in the world
Muzan Kibutsuji, and his gang, are
currently in the pleasure quarters
where I am.

A muscular man with white hair and a headband, holding a sword, standing in front of a city at night. He is wearing a dark vest over a white shirt and dark pants. The background is a vibrant, colorful cityscape at night with many lights.

**My partner is Tengen Uzui,
a fellow Demon
Slayer Corps member
and ninja!**

**He's a flashy and
strange-looking
corps member,
but he's also
a skilled swordsman.**

**I've heard that Uzui has defeated countless demons
with his ninja-like physical abilities, making him
reliable companion!**

**In addition, according to his information, we've been tasked with
defeating demons in a unique location known as
the Red Light District, a place that most people wouldn't approach!**

Rengoku!

We're told there's demon there,
so Uzui and I have entered
the red-light district
and are here to defeat it...

Listen! I'll take command
on the scene!

All you have to do is shut up
and do what I say!

In other words, I have
the power over
your life and death!

Don't make that scary face, partner! You're a ninja who knows workings of the red-light district, so just do as I say. Just be obedient and everything'll go smoothly!

Okay! Let's warm up before we defeat the demon!

GRAP

I'll relax you and stretch your muscles! I'll loosen up your entire body, so just entrust yourself to me!

I'm going to loosen up your behind!
I'm not just going to massage
your front, I'm going to massage
your whole body...!
I'm going to get your cock hard and
make your energy skyrocket!

But before that, I'm going
to strip you of underwear
and make you nude to
increase the effectiveness
of treatment!

I'm going to stimulate
your hip joints
and have some fun!

Rengoku!
You've become famous for defeating
demon that was eating
people on train.
Could you tell me
how you feel
right now?

Yeah! I'm relieved that I was able
to defeat demon that was attacking
innocent people!

And... I have a request.
Is that alright?

Yeah!
Tell me anything!

Rengoku!
Thank you for
agreeing to
interview
today.

Ok!
Ask me anything!

I heard that Rengoku is member of
the Demon Slayer Corps, famous for
defeating many demons.

I'm flattered by
your praise!

Now, for the next interview..

How would you deal with
my out-of-control cock?

Don't you think it's rude
to suddenly bring something
like that so close to my face?

Let's not be so uptight and
open up to each other, and
continue this more in-depth
interview!

Teach me the secrets
to defeating demons!
First and foremost, everything
requires training!

I especially focus
on training
my lower body; if
I relentlessly
train my legs and
hips, and sword
I should be able
to defeat even
strongest demon!

Now, cruising with me! I want you to forge my sword with your well-trained body!

Your body is amazing! Because, as Demon Slayer, your asshole is tight, and you'll mercilessly forge and polish my sword!

With the strength of your butt, I'll cum immediately!
