handrail

School

**I can hear a strange
sound coming from
the classroom.**

School

**My body feels hot...
like energy is building
up inside me.**

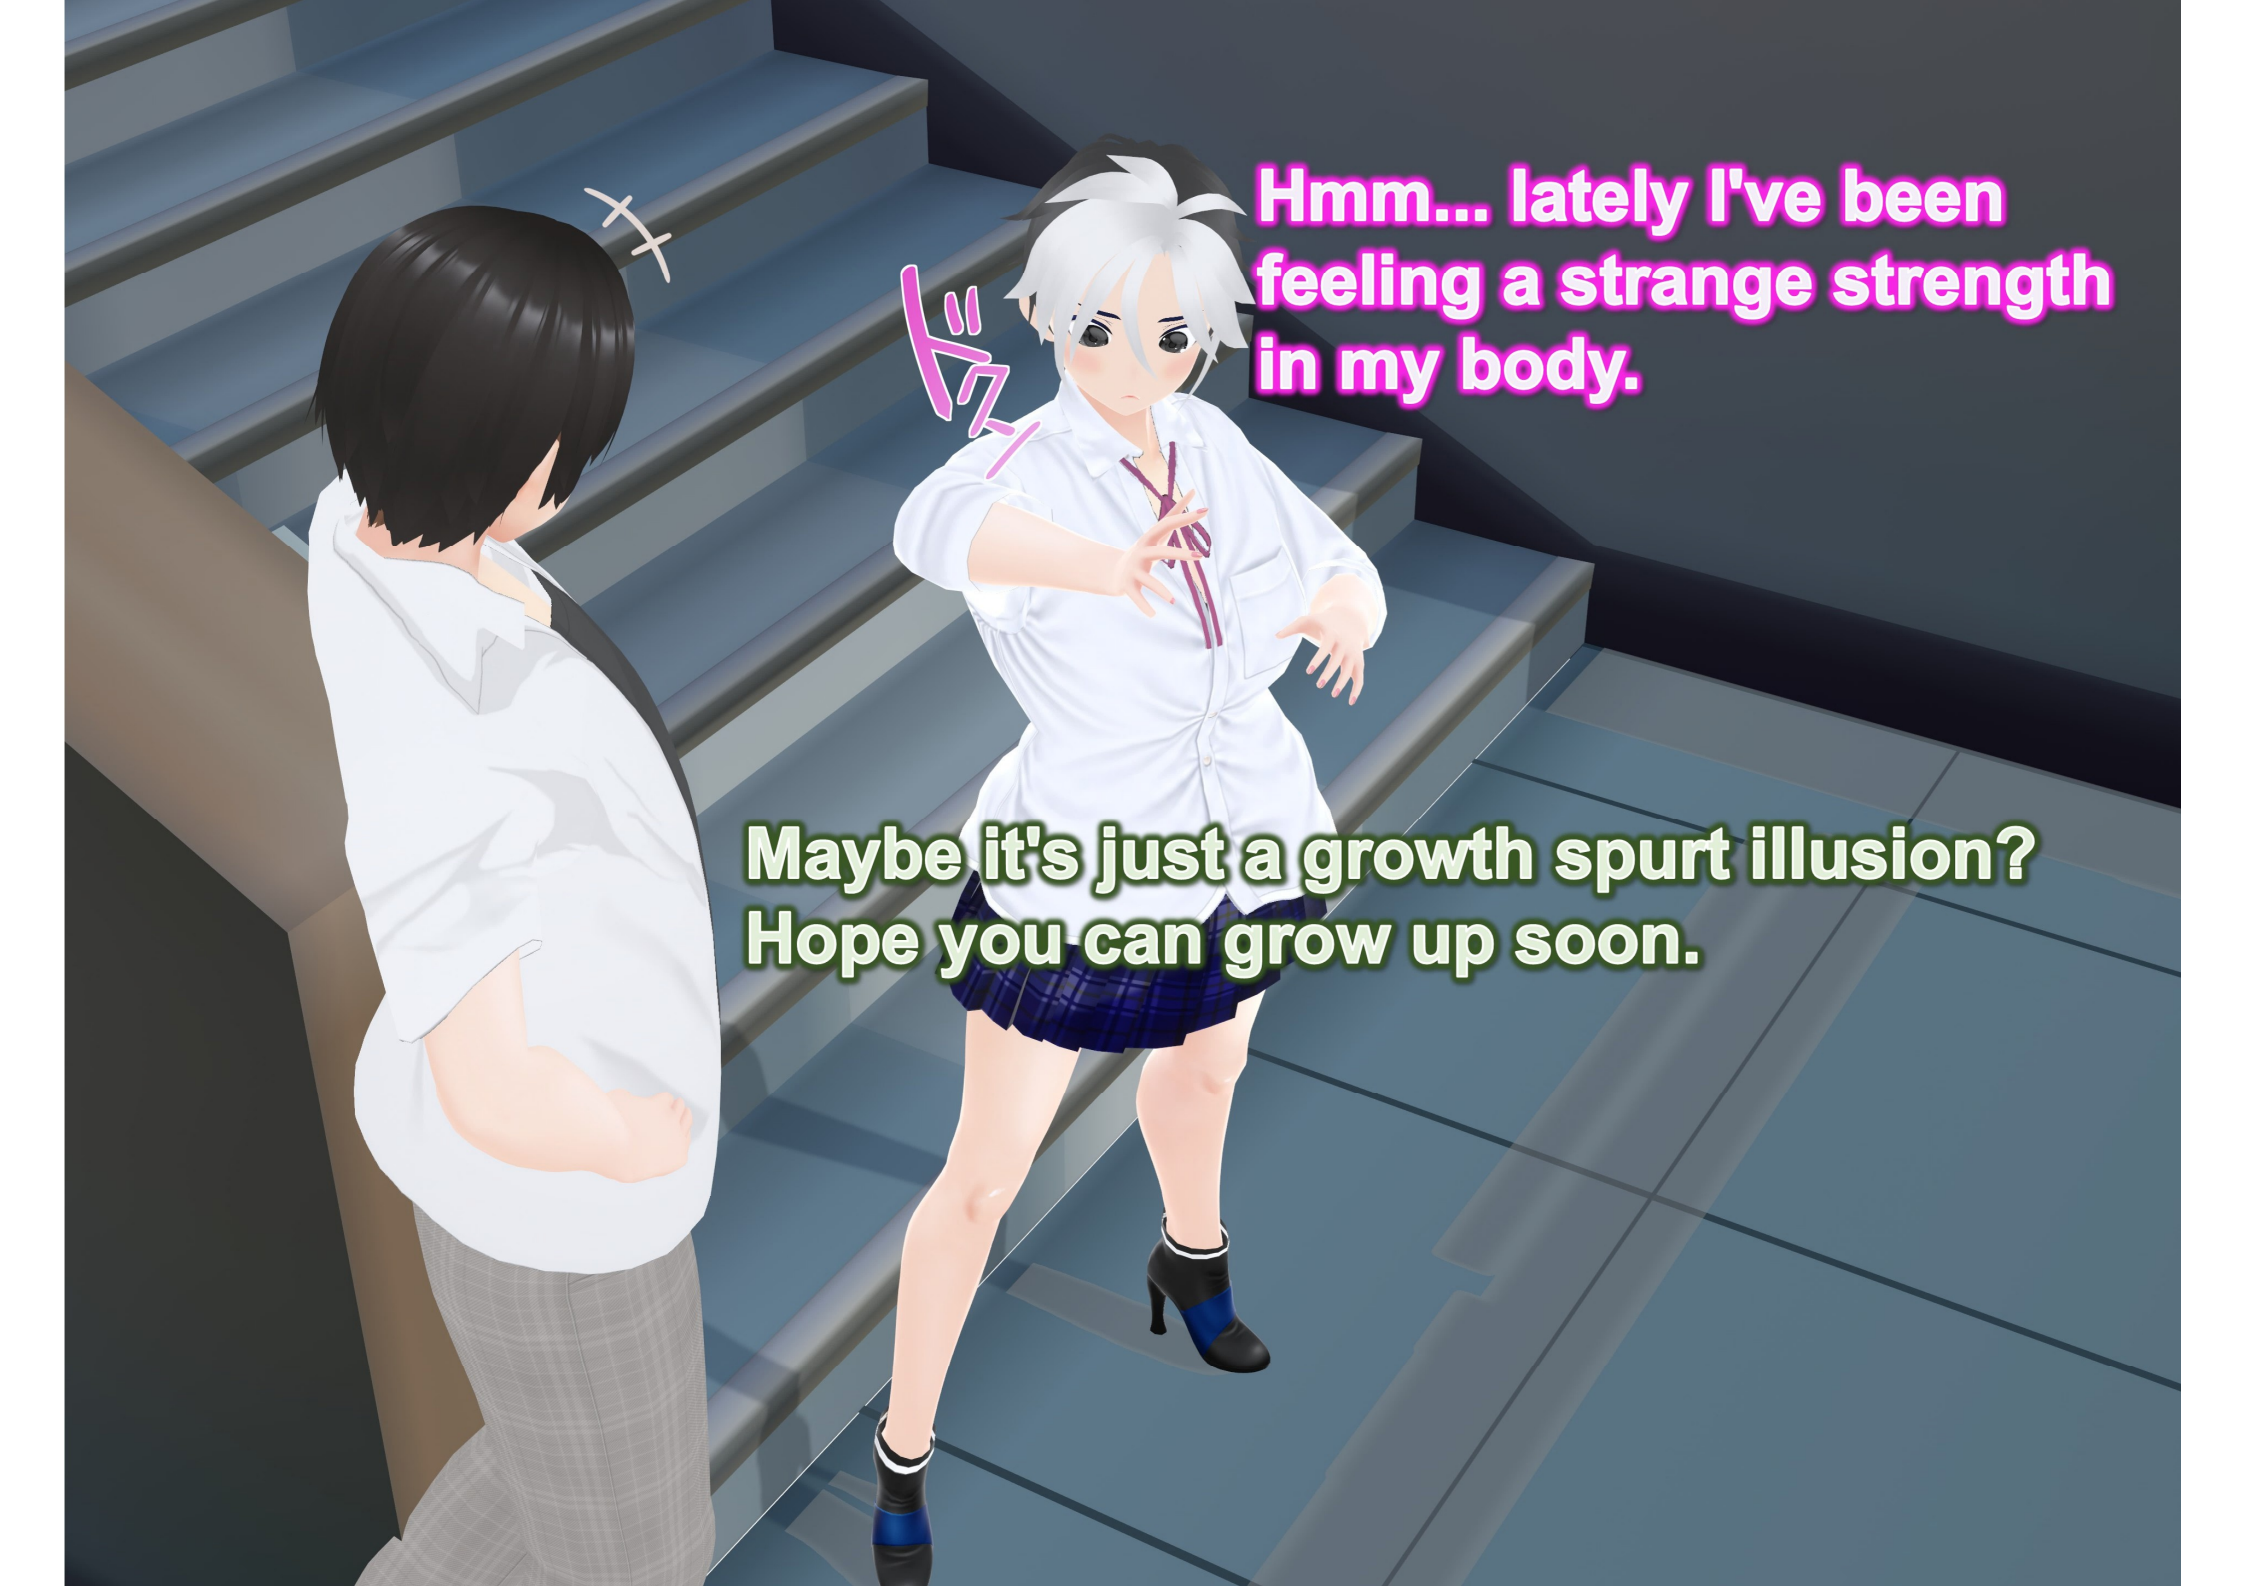

**Isn't this handrail
a little too high?**

**That's because you're short.
Look, I can easily rest
my elbow on it.**

Hmm... lately I've been
feeling a strange strength
in my body.

Maybe it's just a growth spurt illusion?
Hope you can grow up soon.

...You're annoying.

Day 1

140cm

3 days later

**Oh, did you get a little taller?
But I'm still taller than you.**

Come to think of it...
the handrail feels easier to grab than before.

**Well, you still can't reach
the top part, right?**

**Huh? I can almost
reach it now.**

Y-Yeah.

**But I'm still
shorter than you.**

Day 3

140 ^{4'7"}cm → 150 ^{4'11"}cm

Growth
sound

6 days later

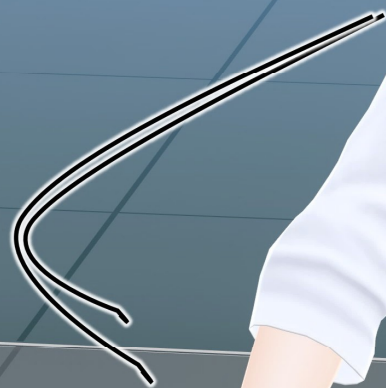

**It's the first time
this handrail has
felt this low.**

Hey, we're about the same height now.

**W-Wait a second...
Wait a second...
this is happening
too fast.**

No waiting♡ Bye-bye~

Day 6
150^{4'11"}cm → 160^{5'3"}cm

Growth
sound

12 days later

Lately... I feel like I've been
looking up more often.

**It's not your imagination.
See? Can you reach it?**

No... I can't.

Hmm.
Being tall lets you look down
on people this much, huh?

Day 12

160 ^{5'3"}cm → 170 ^{5'7"}cm

Growth
sound

18 days later

**This handrail is way too low!
It used to be much higher!**

Didn't you get even bigger today?

Girls grow in height, style and ability!
But boys stay the same!

Hot? In this season? Really? But my legs have gotten really long, haven't they? You can look, just this once♡

I'm not looking!

Small girls outgrow boys!

Girls grow after growth!

My hands keep getting bigger too

They're huge!

For me it's one step.

It's not enough. I can hear a voice deep inside me saying more. I can't stop.

Hey!? You're in the way.

This is a story for tall women,
breast expansion, and real GTS lovers!
