

The background features a traditional Japanese festival setting. On the left, a stone lantern sits on a mossy base. In the center, two anime-style girls with long purple hair and large breasts are shown from the waist up. They wear red floral crop tops with yellow bands and dark blue pleated skirts. To their right, the lower half of another girl in a similar outfit is visible. The scene is set at night with a torii gate and a building in the background. Stylized pink and purple energy waves emanate from the girls. On the right, there are orange and blue silhouettes of a girl and a boy in dynamic poses.

**Hey, put it more firmly on your shoulder!
Since you're only 140 cm tall and so short,
the pole is tilting way forward!**

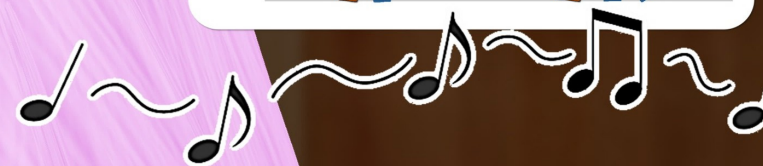

**I am carrying it properly!
But you're 20 cm taller than me,
so it inevitably ends up tilted!**

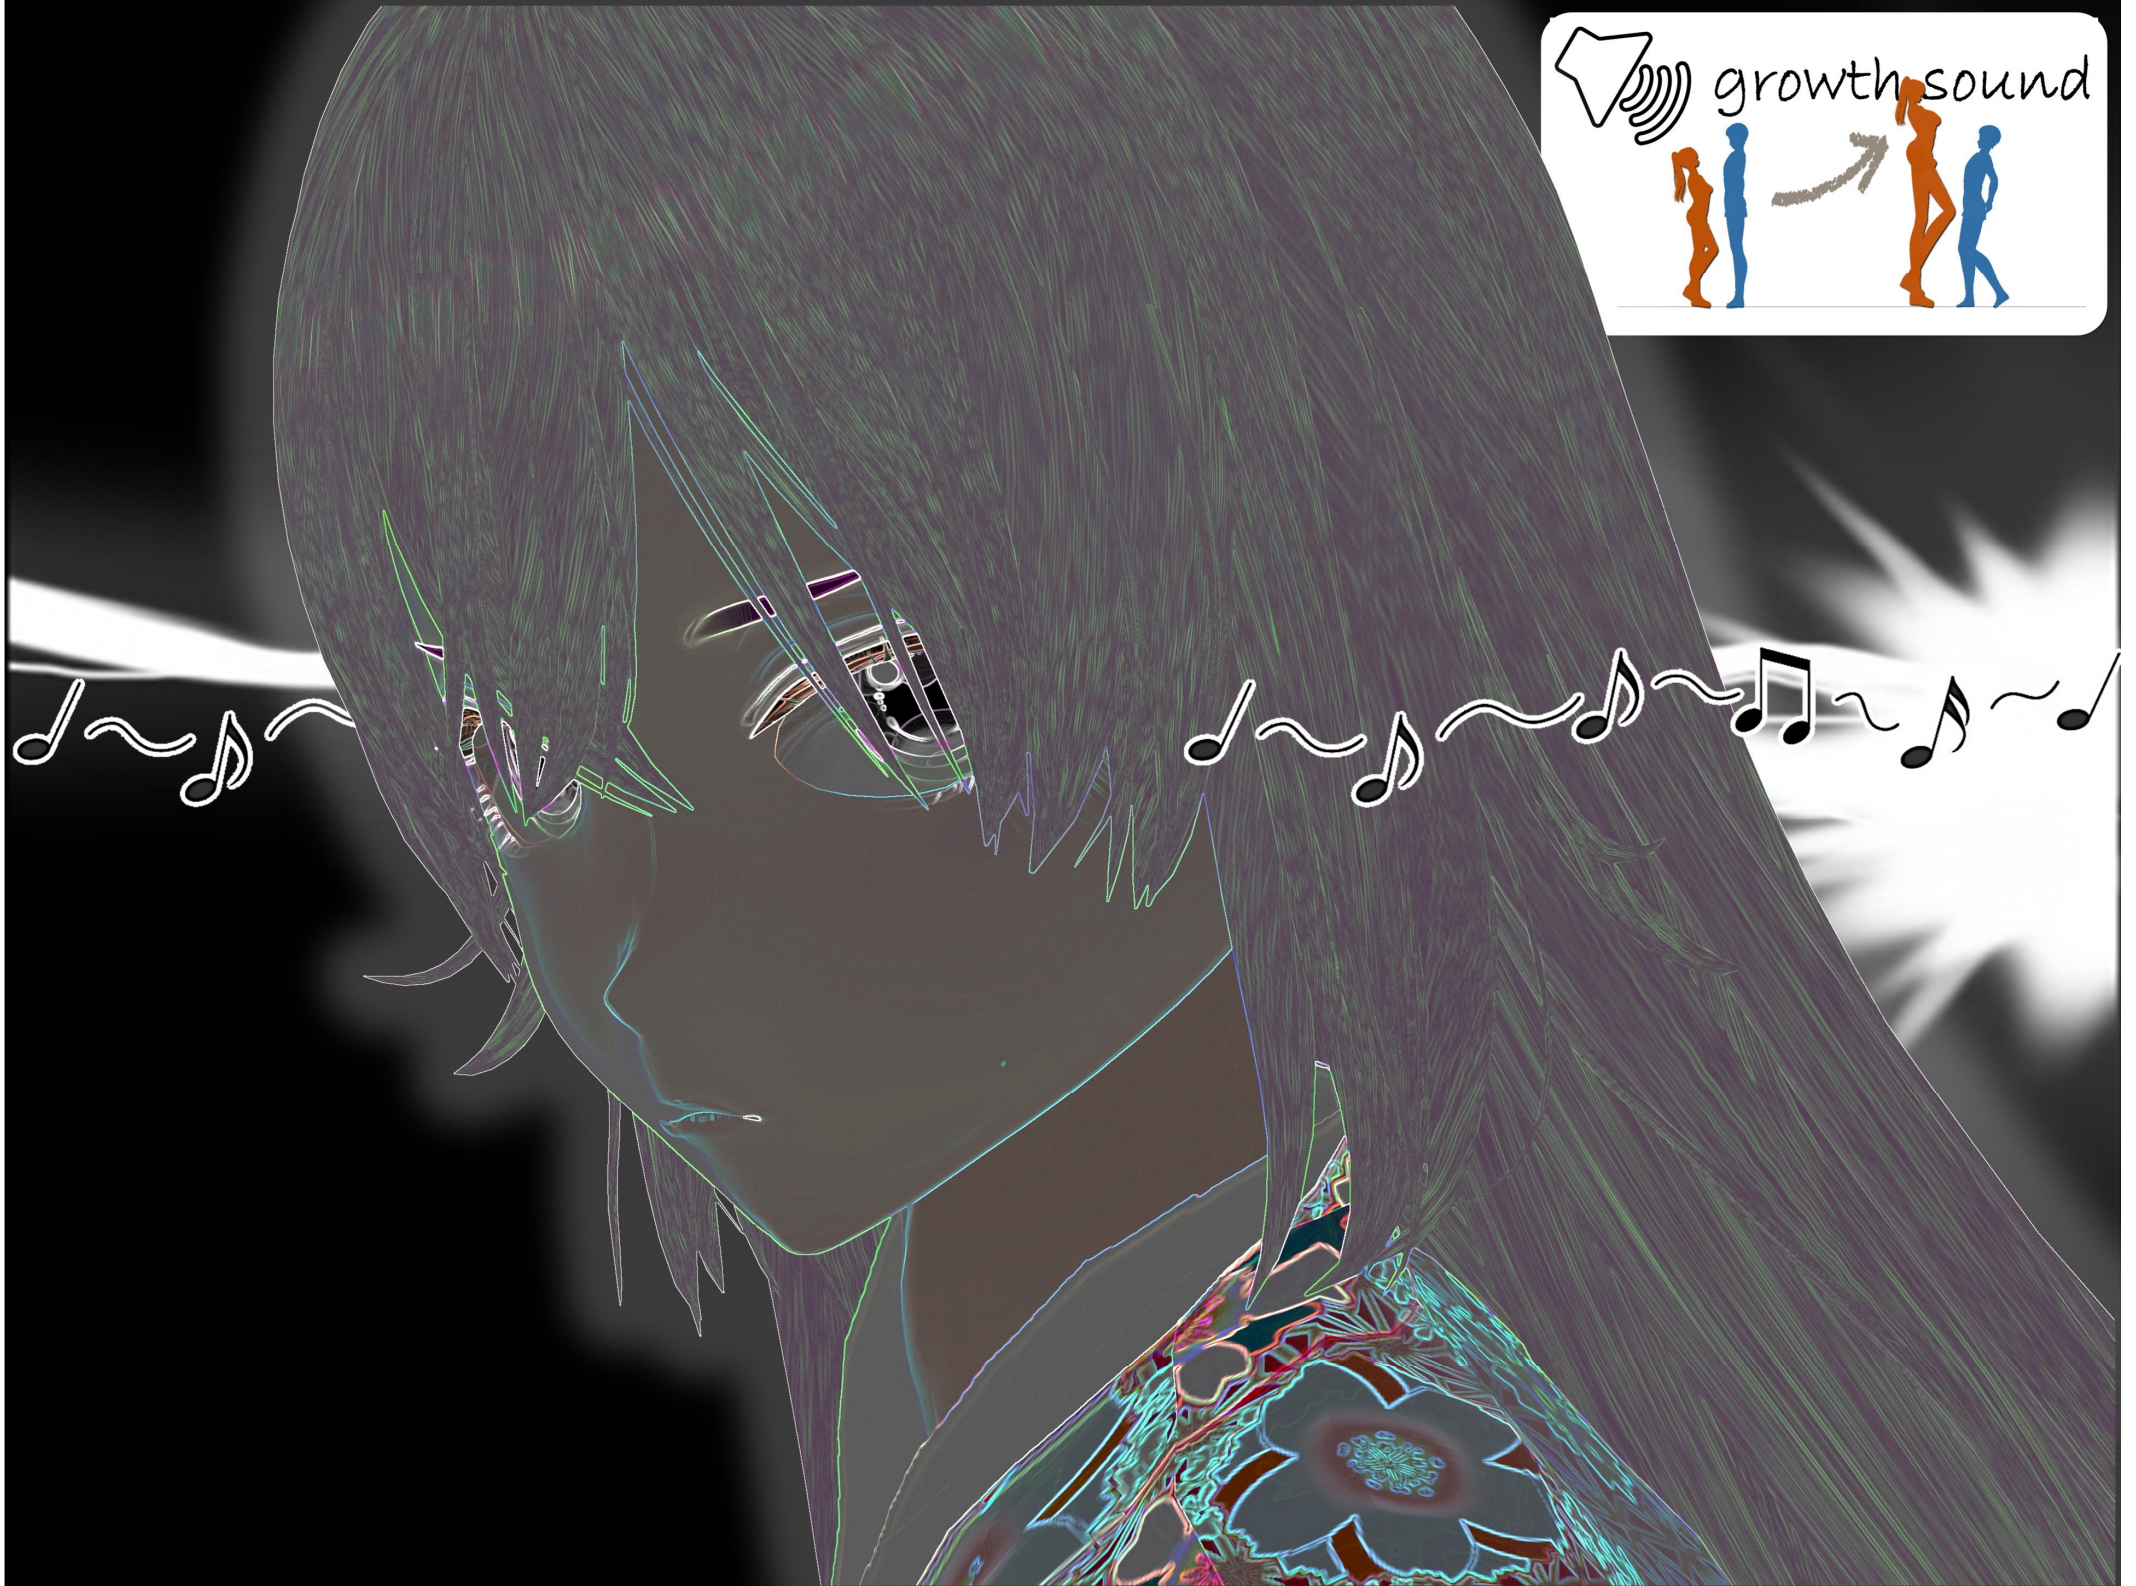

**The mikoshi is going to be placed on top during the actual festival!
In the end, all the weight is being put on my side!**

**Grr...! Just you wait!
Huh? I hear a strange
sound..... !**

**What is this...? I feel a
strange sensation, as if
energy is welling up
from deep inside my
body.....**

**Try putting some force
into it, like we're playing
hand push sumo!**

**Huh? I don't have time to play around
before practice... Whoa!? You're
strong!?.....**

Hehe, how about that? I've grown
10 cm in just three days and
reached 150 cm! My pushing
power has gotten stronger too,
hasn't it?

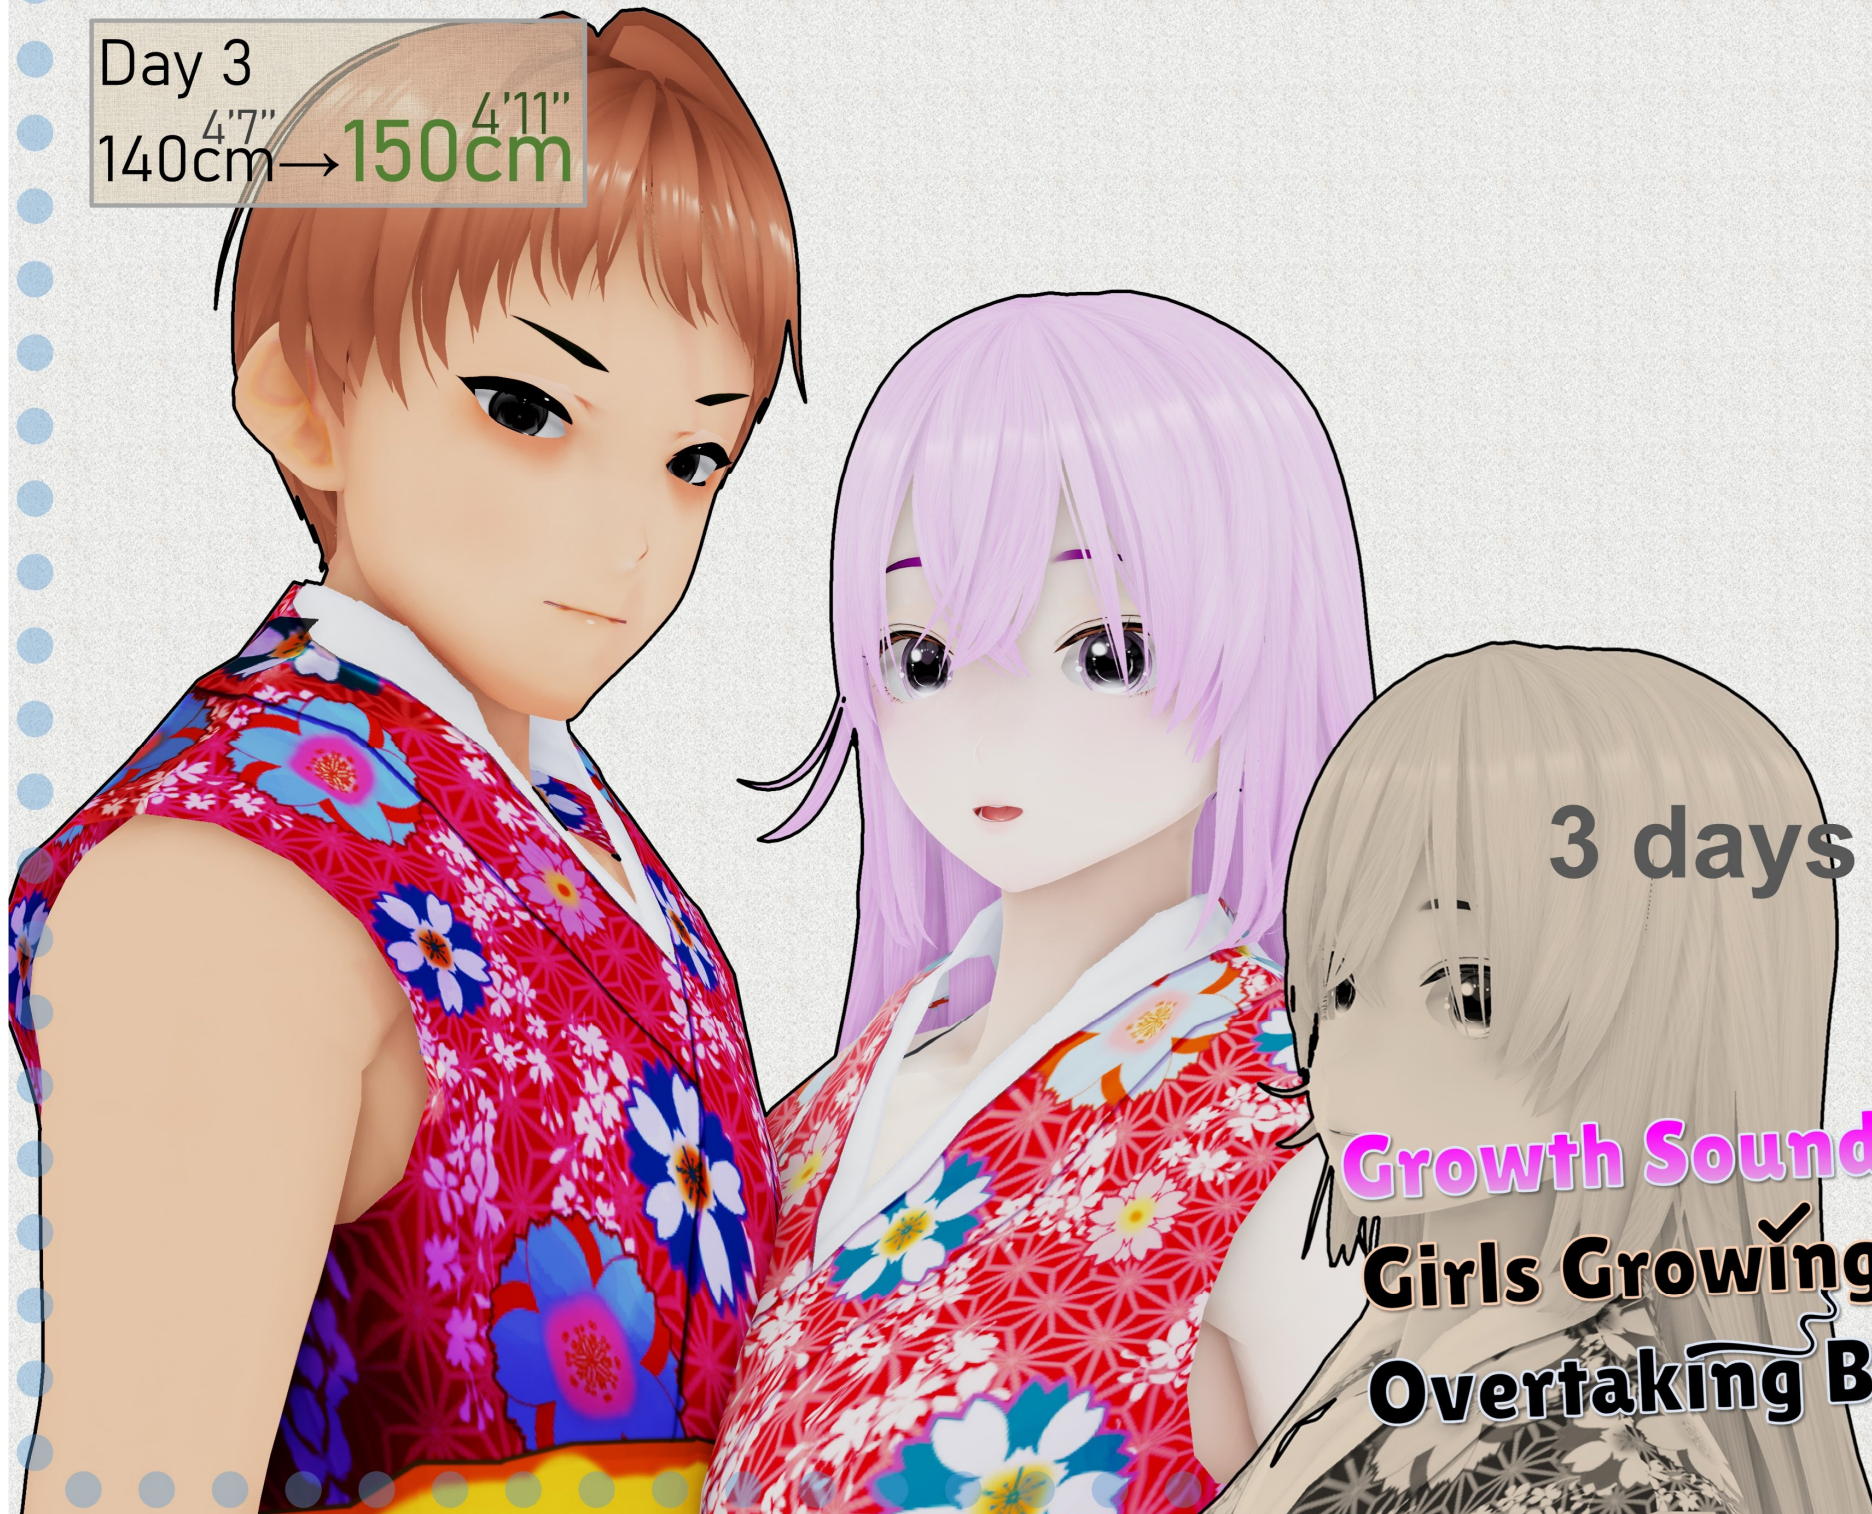

I was just caught off guard! See, I'm still looking down at you, so don't get carried away.

That's it! I'll make sure you can't reach my hand anymore!

Huh?

The pole we're carrying is perfectly horizontal?

**Did my height catch up?
No way, that can't be it.**

**The pole has been getting lighter lately.
I seem to be getting stronger too.**

**I feel like I'm still going to grow a lot more.
Maybe I'll have surpassed you by next time♡**

Yaaawn~

Huh?

**When I stretched, I could
reach the rope on the torii.**

I might have grown a lot.

Her hand is touching
the torii? No way..

Let's get closer.

No way! I'm looking
up at her!?!?

Huh? Did you get smaller?

A 3D anime-style illustration featuring two characters in a close, intimate pose. On the left, a girl with long, flowing pink hair and large, expressive blue eyes is looking down at a boy. She has a slightly open mouth, as if speaking or reacting. She is wearing a red garment with a dense, colorful floral pattern in white, blue, and yellow. On the right, a boy with short, layered brown hair and blue eyes is looking up at her. He also has a slightly open mouth, appearing to be in the middle of a conversation. The background is softly blurred, showing hints of a traditional Japanese building with a tiled roof and wooden panels. The overall lighting is soft, creating a gentle atmosphere.

**Aren't I the one
looking down at
you now?**

The image shows two anime-style female characters standing on a grassy, slightly sloping terrain. They are positioned between two large, red, cylindrical pillars that have black bases. The girl on the left is wearing a red floral top, a black skirt with white stripes, and red high-heeled shoes. The girl on the right is wearing a yellow top, a black pleated skirt, and blue knee-high boots with a floral pattern. They are both looking towards the right. The background features a light blue sky, some green hills, and a few small plants. The overall style is that of a 3D anime game or animation.

I-It's because I'm standing
on the lower side of the
slope.

Hehehe, I'll let you think of
it that way.

What is this...? I feel a strange sensation, as if energy is welling up from deep inside my body.....

The pole has been getting lighter lately. I seem to be getting stronger too.

Girls grow in height, style and ability!

But boys stay the same!

Ah, I knew it.

I'm completely
looking up at you.

A close-up, low-angle shot of a character with long, straight purple hair. The character's face is partially visible, showing large, dark eyes and a slight smile. They are wearing a garment with a red and white floral pattern. The background is a plain, light blue-grey color.

I'm so much stronger that
this isn't even practice anymore.
