## The story so far...

In a parallel universe dominated by magic, there is one peculiar slave—a strange man, clearly foreign to the land, calling himself “Khoz” (the native word for “pig”).

A magical seal tattooed across his back (known as a “phómayúm”) symbolizes his undying servitude to his Master, Guile.

Harnessing the power of the seal, which grants total control over Khoz’s mind and body, Guile orders him to strip naked, offer himself orally, and to take it up the ass. Khoz relishes in the abuse, sporting a powerful erection and ultimately fulfilling his role as a “stóhlk khoz” (“pig slave”).

But who exactly is he? And why would he go by that awful name? The only clue to Khoz’s past were the medals he’d worn around his neck...
