

You have to know Japanese words before you read!

Foreigners often misunderstand Japanese words!

HENTAI = Pervert

HEMTAI never means Erotic Manga in Japan. We say Ero-Manga for Erotic Manga.

SENPAL= Older students

In Japan aging system (Fagging system) is really strict in school days, therefore younger students add Sempai when you call older students.

It is same as British private schools in 18 century.

If Mari is older than you , you cannot say just “Mari”, you have to call her Mari Sempai.

KOUHAI=Younger

Younger students are recognized as Kouhai.

Kouhai

YOU MUST NOT COPY THIS NOVEL!

Ken is freshman in famous Teito University.

He is handsome guy however he has beautiful feminine face.

In Teito University, there are only females in Karate club.

In this University, men are not allowed to join club.

However Ken could join this Karate club, because he has handsome feminine faces.

Captain in this Karate club thought that Ken could join this club because girls would not care about him because Ken looks like girl!

This Karate club is nicknamed as Ero-Karate(Erotic Karate Club) because there are only females.

Guys are lost in wild fancies.

Guys just imagine erotic situation and wanted to join the Karate club but they could not join Karate club.

Ken wanted to join Karate club because Ken wanted to be stronger.

Ken thought that if he would become stronger his life style would change and he can get girlfriends...

To tell the truth, he had big secret.

He loved feet...girls feet...

In Karate club, he thought that he could see girl's feet every day.

That's the second reason he wanted to join Karate club.

He always thought that he was lunatic because he loved feet very much. In those days, he never knew the word "Foot Fetish." So he was always thinking he was strange thought.

When he entered in Dojo, there was a tall girl standing in Dojo.
