Sure, see you tomorrow.

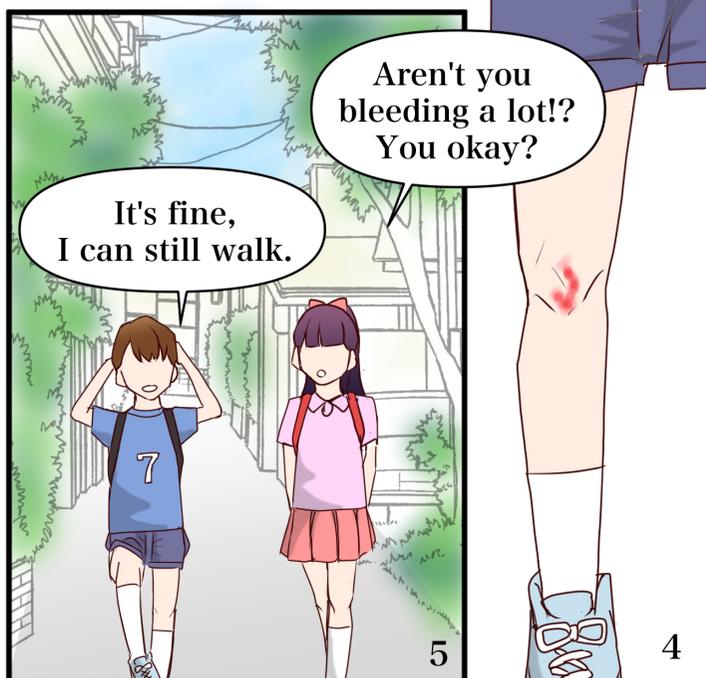

'Kay, I'll see you tomorrow.

Hina - Ren's Classmate

Ren-kun!

Maho - Ren's Older Sister

It's fine, I can still walk.

Aren't you bleeding a lot!? You okay?

My sister doesn't have big boobs, but I like her because she's naughty

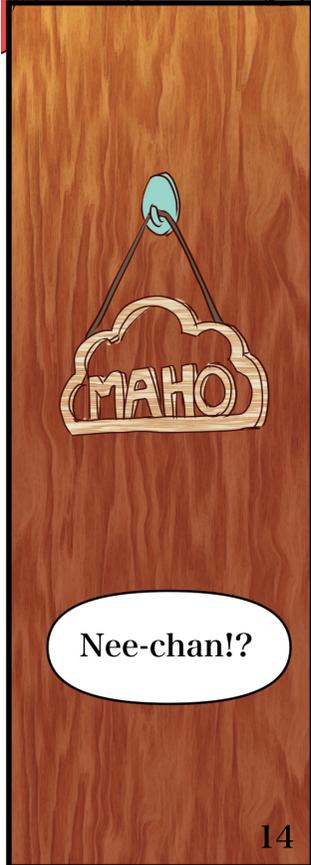

Now, let's hurry and get you patched up.

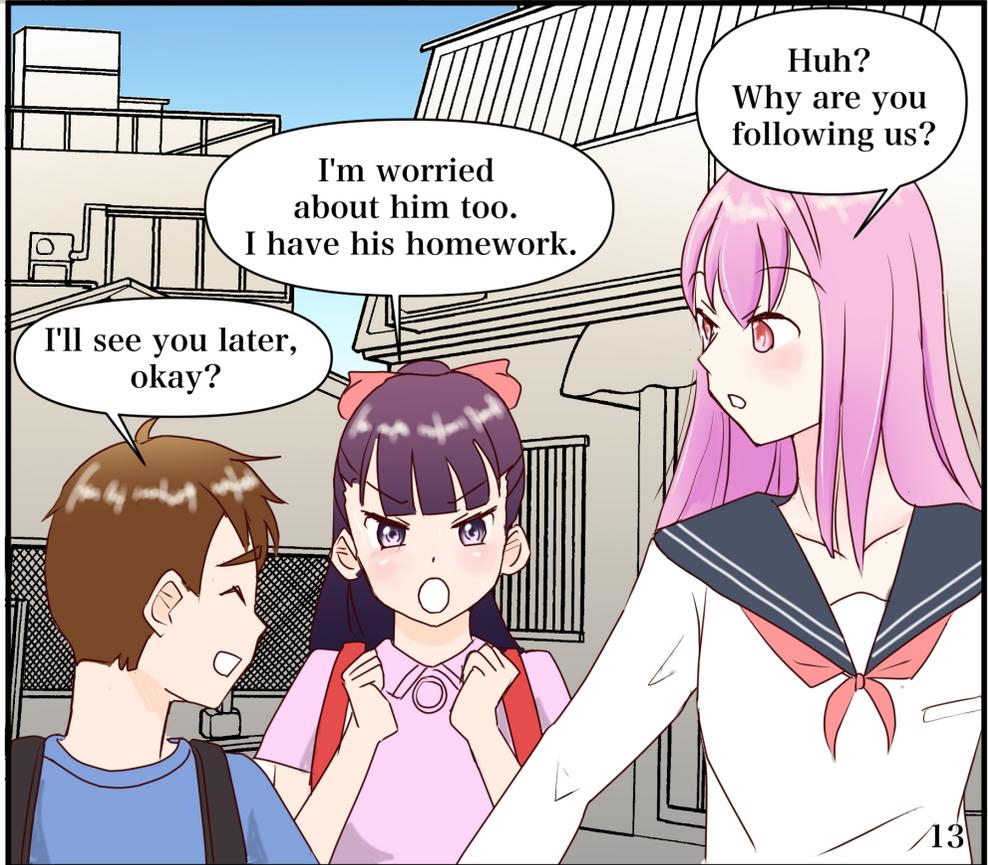

Mrph!

Isn't that stalking?...

O-kay.

Nee-chan!?

I'm worried about him too. I have his homework.

Huh? Why are you following us?

I'll see you later, okay?

Wh-Why are you taking your clothes off!?

'Kay— Eh!?

Come, have a seat.

Clothes have full of germs on the outside, right?

I-I guess!?

17

Ren-kun's wounds shouldn't get any germs from me.

Ow!!

Mrgh!

Ren-kun, let's just do homework together.

Oh? You're still here?

Ah, yeah.

Why are you two always fighting?

Now, now, Hina-chan, Nee-chan.

We'll have to do it in your room.

Out here is not bad,

Where your sister can watch you.

Uh, okay.

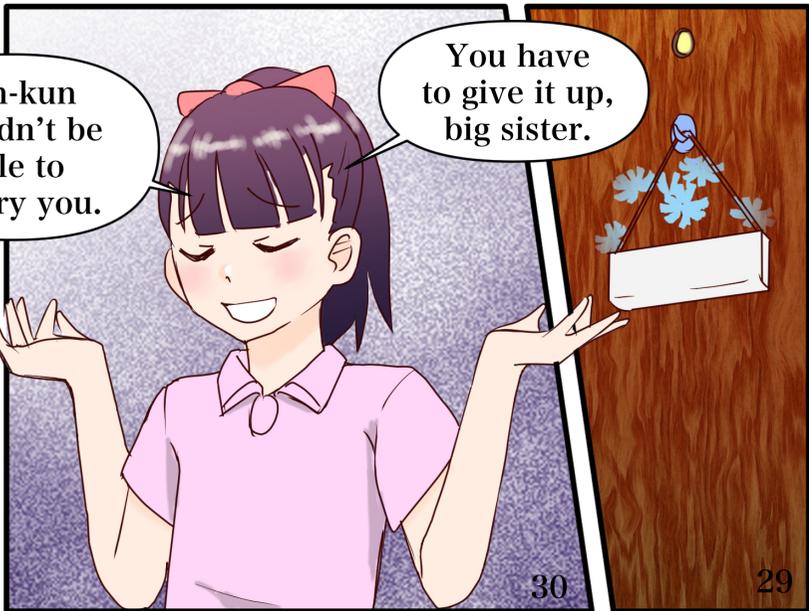

Don't worry about it, Ren-kun.

Just your imagination.

I'm going to the bathroom.

Ren-kun wouldn't be able to marry you.

You have to give it up, big sister.

Were you masturbating to Ren-kun yesterday?

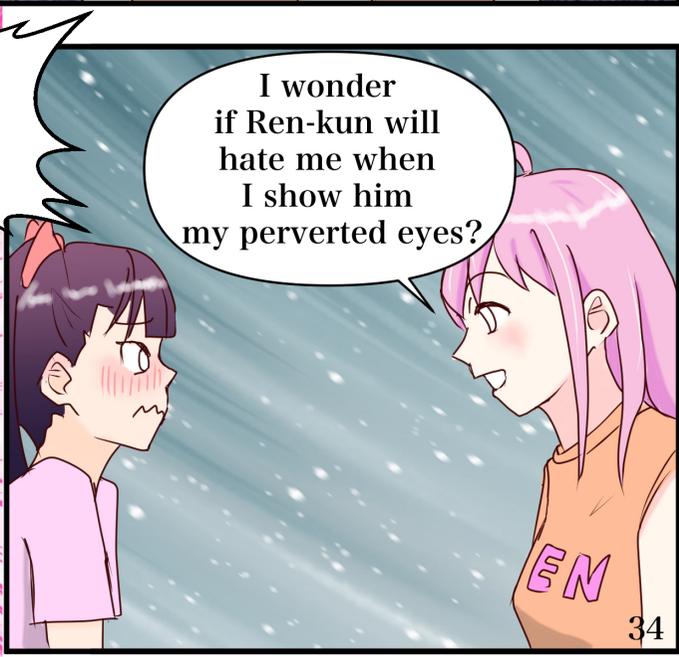

Hina-chan, I can tell you stink.

This is a duel! We'll see who he chooses!

We have no choice but to settle this!!

I wonder if Ren-kun will hate me when I show him my perverted eyes?
