But lately, the older seems to be having
trouble...**

Hey, sis.
What's wrong?

What's wrong?

I'm only 150cm(4'11").
I'm shorter than you, and
I wanted to grow up a little more.

Classroom

**That's a weird sound for
a school announcement.**

growth sound

**Ugh.
It's so weird...**

A 3D-rendered scene showing three anime-style characters sitting on a bed in a bedroom. The room features a bed with a grey and white striped duvet, a grey sofa with several pillows, a wooden nightstand, and a television on a white stand. The lighting is soft and indoor.

The speakers in the
classroom are broken.

Oh, yeah.

Let's get sleep.

**The bed is huge.
It's nice that the three of us can
sleep together. Good night.**

What's up?

Are you getting bigger?

Me? I don't think so.

That's great!

Sis!

**I'm ugly, and the only thing I've ever
been proud of with you was my
height...**

**It would be terrible if I were to be
overtaken in height!**

**Please, may you never
grow up again!**

The next morning

My sisters woke up first?

Good morn... hmm?

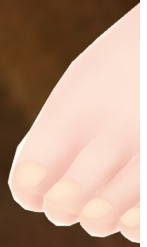

**I think I'm looking up at her...
Yesterday, I was only 2mm
higher than you. I was higher.
Are you wearing slippers?**

160.1 cm

**She's barefoot.
She's not even standing on her toes.
I mean, her feet are pretty big.**

What's wrong?

No, nothing...

160.1 cm

I measured my height this morning
and it was 161.5cm(5'3").

a pretty big difference.**

161.5 cm

**I'm sorry.
I overtook you
in one day.**

**Well, I'm sure I'll still get taller, and
then you'll turn the tables on me.**

Just for now. Just for now.

Is he competing with me?**

← **160.1 cm**

160.1 cm

Ah, no...

**Please, just my sister!
Stay small!**

**Big brother!
What's wrong all of a
sudden!
Don't worry.
