public address system.

**Hey, can you
bend over a little?**

What?

Just do it.
OK♡

Oh, like this...

I... I'm so
embarrassed...

You look...You're getting taller, aren't you?

**Me?
I don't think it's that sudden.**

**Let's go to the infirmary and
take your measurements.**

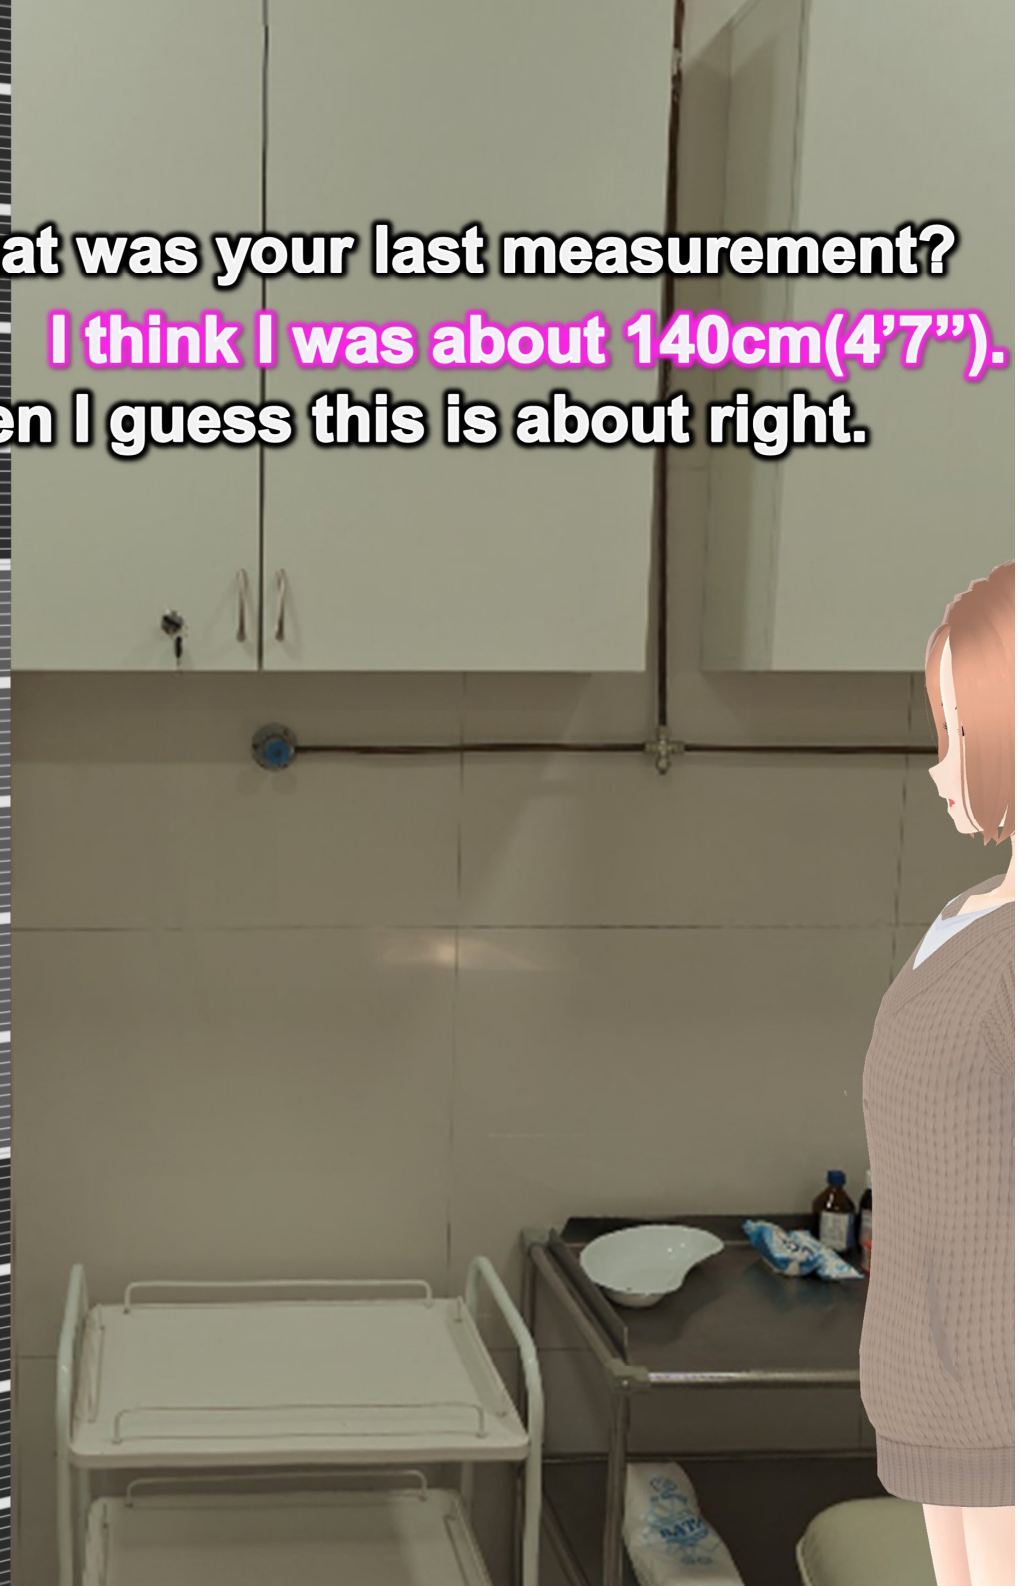

Yes, OK!

What was your last measurement?

I think I was about 140cm(4'7").

Then I guess this is about right.

**What? That's too low, right?
But I'm sure it's 140cm(4'7").**

**But it's only up to my forehead.
I'll measure your height now.**

150

Well...you are 151cm(4'11").
Wow, I grew 10 cm(4 inches)!

That's great. Did you do something?

**What is it? Is it because I recently
started running?**

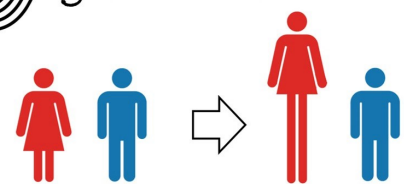

Let's do it together ♡

Yeah. That'd be nice!

a little while ago, weren't we?**

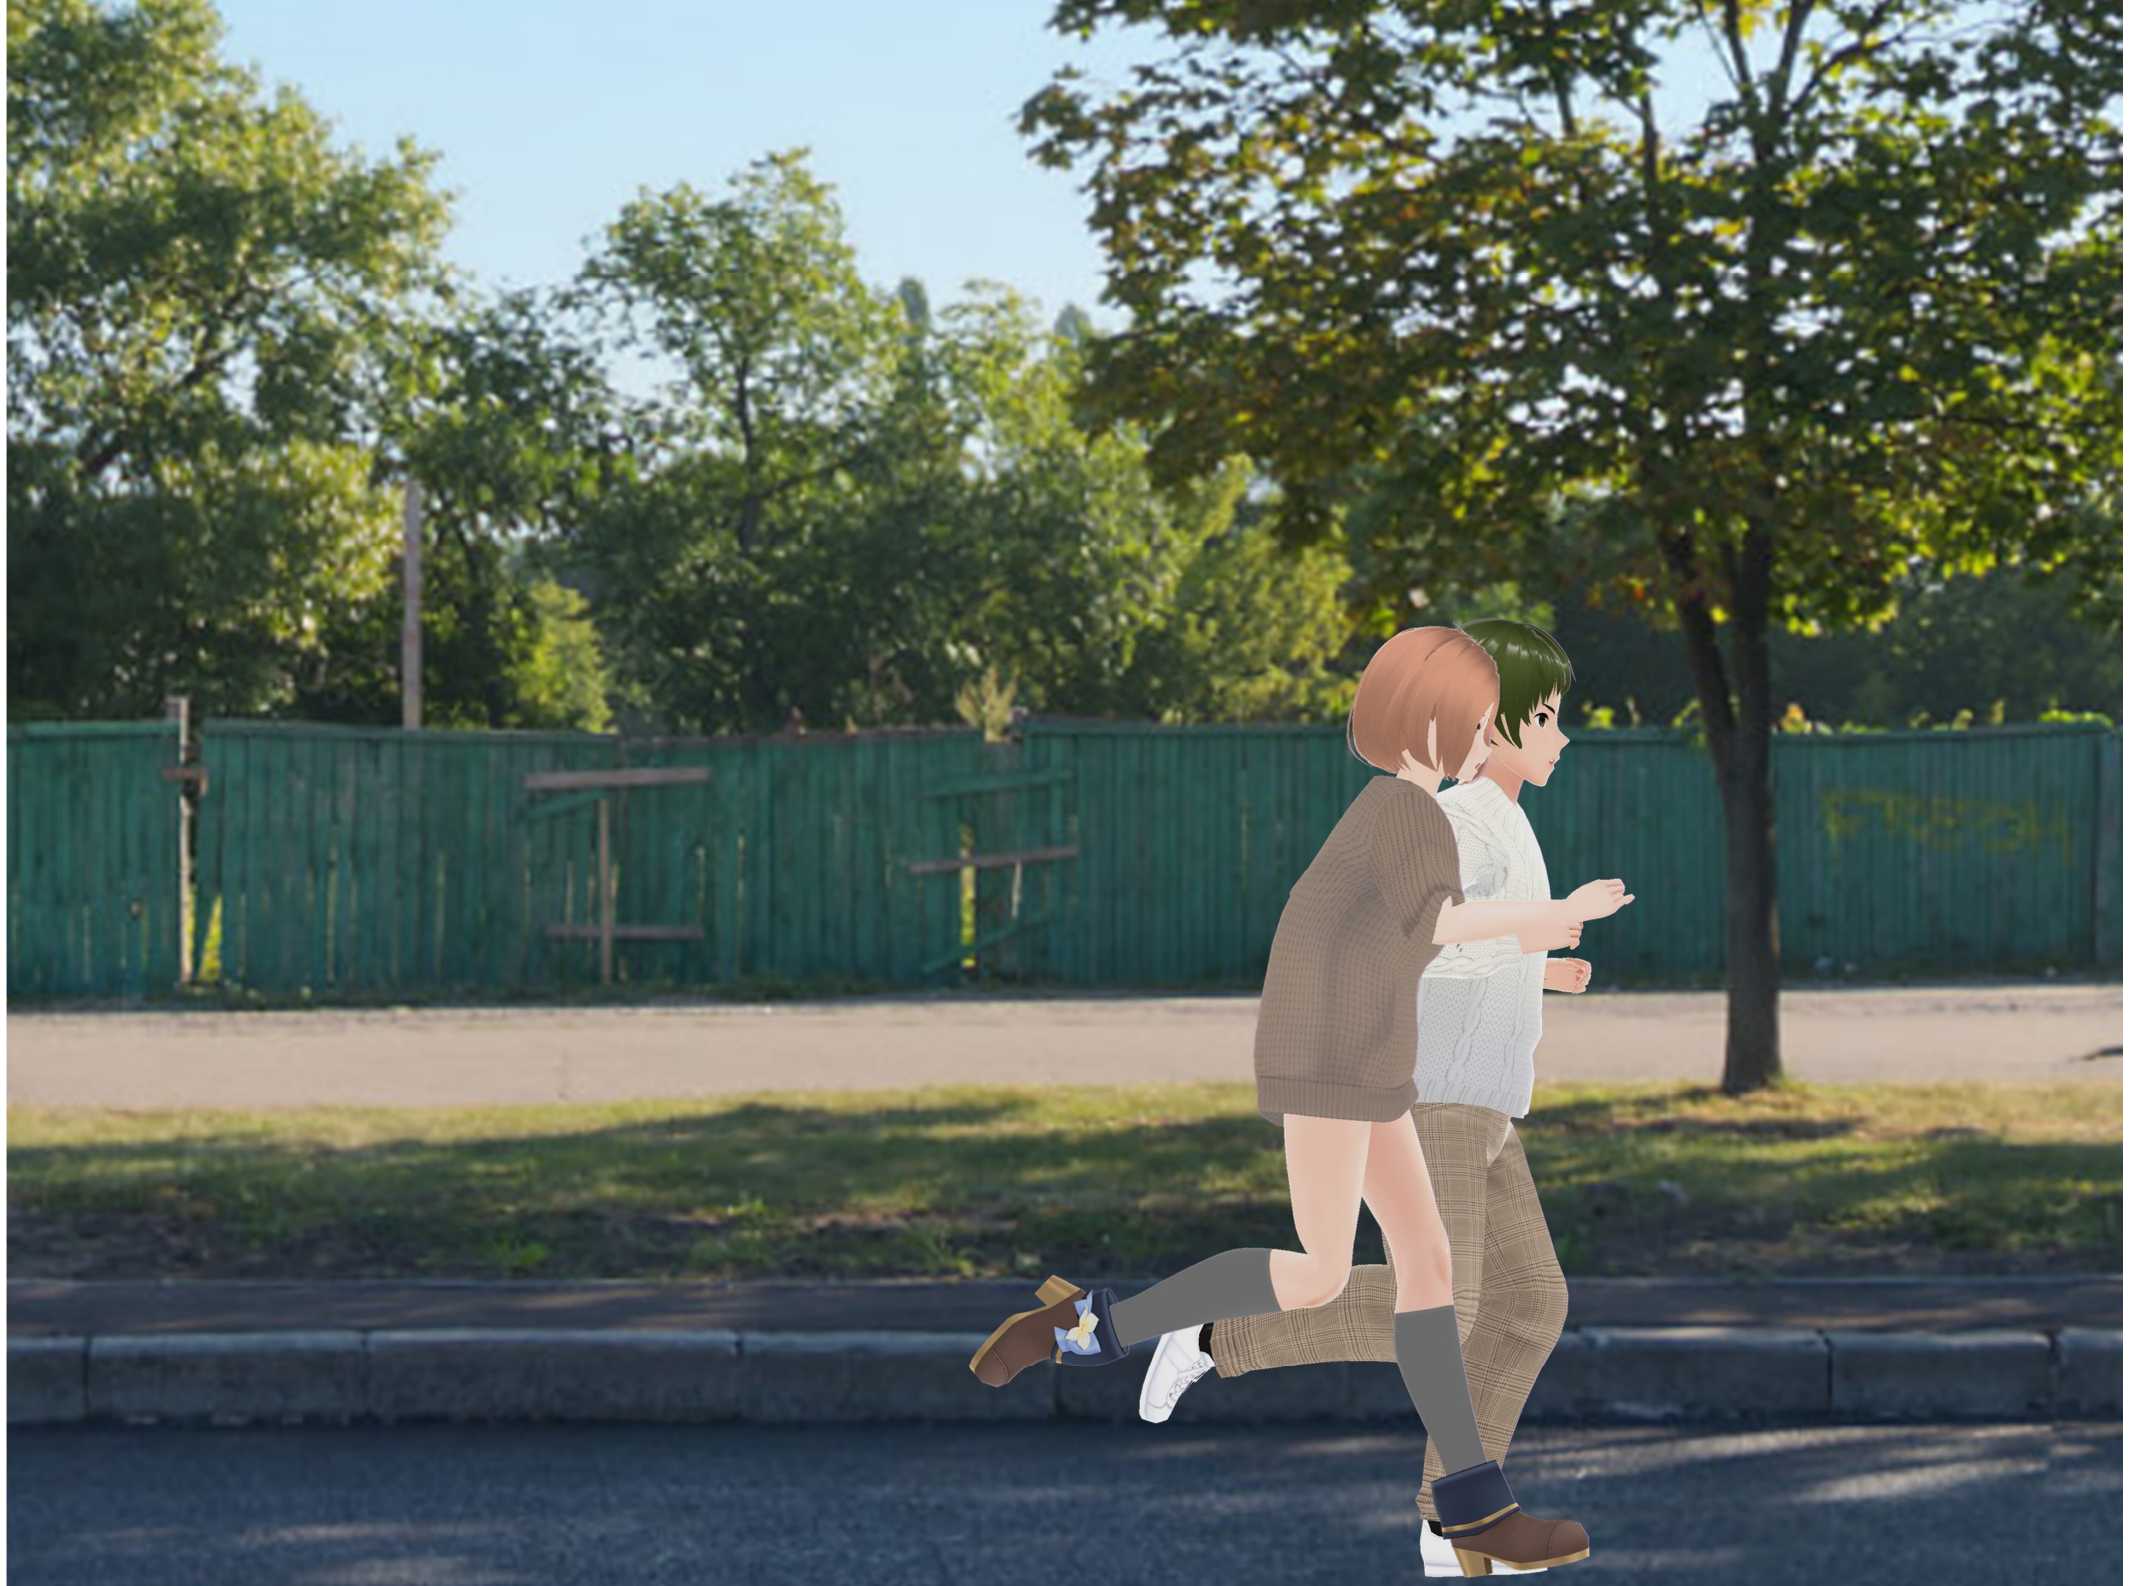

**My height grew again and
I was the same height as you.**

**I'm glad to see your face so close to mine, though.
Come on, let's go for a run.**

Huff... Huff...

Huff... Huff...

The pace was a little fast.

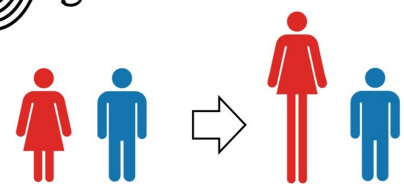

Huff... Huff...

**Yes, it was. We were both a
little overzealous.**

Ahh. I feel strange.

I haven't grown much in height. I don't see how a little bit of running is going to make me grow any taller.

**Huh?
You're measuring
your height?**

No way...

Huh? Could it be...

I'm taller than you!?

It seems so. I'm surprised.

**We're running the same way, and
you'll grow too soon.**

Oh, we do today.
