Since law called the new AV law was enacted recently, starring porn actor has canceled at the last minute, and AV director and successful producer are in trouble!

Am I, TV staff member, becoming porn actor and appearing in porn video?!

At this rate, AV production company'll go bankrupt I'm going to do it, so why don't you appear in porn video instead?

This porn director says crazy things to me

You're naked in front of camera and you're porn actor It's a simple job just to have sex, so you can do it too!

You seem hesitant, about my invitation

I promise you high reward It's not bad news for you I think, but what do you think?

**Porn video company on  
brink of bankruptcy  
with your monster  
cock  
Can you help me?**

**!?**

**Kato Producer  
what are you doing to  
me all of sudden?**

**Show your monster cock over  
30cm in public in erotic  
videos and everyone'll be  
happy**

**So you can use  
your strengths so you  
better expose your penis**

Since porn actors're flexible with their shifts, you'll have more time

And if you become porn actor you get a lot of rest

!?

Because work of AD is underling of super busy TV staff

Because you often have to do something Working 16 hours a day is common Compared to your current job, your porn video job is don't you think it's heaven

I only slept for 2 hours today

Income and time'll also increase...nothing else so good do you think there is

And you can spend time with your favorite bunny idol

OH!

Nice answer!  
From now on,  
Let's go
