I am a home tutor.

I will start teaching the siblings of this household today.

I wonder what kind of children they are.

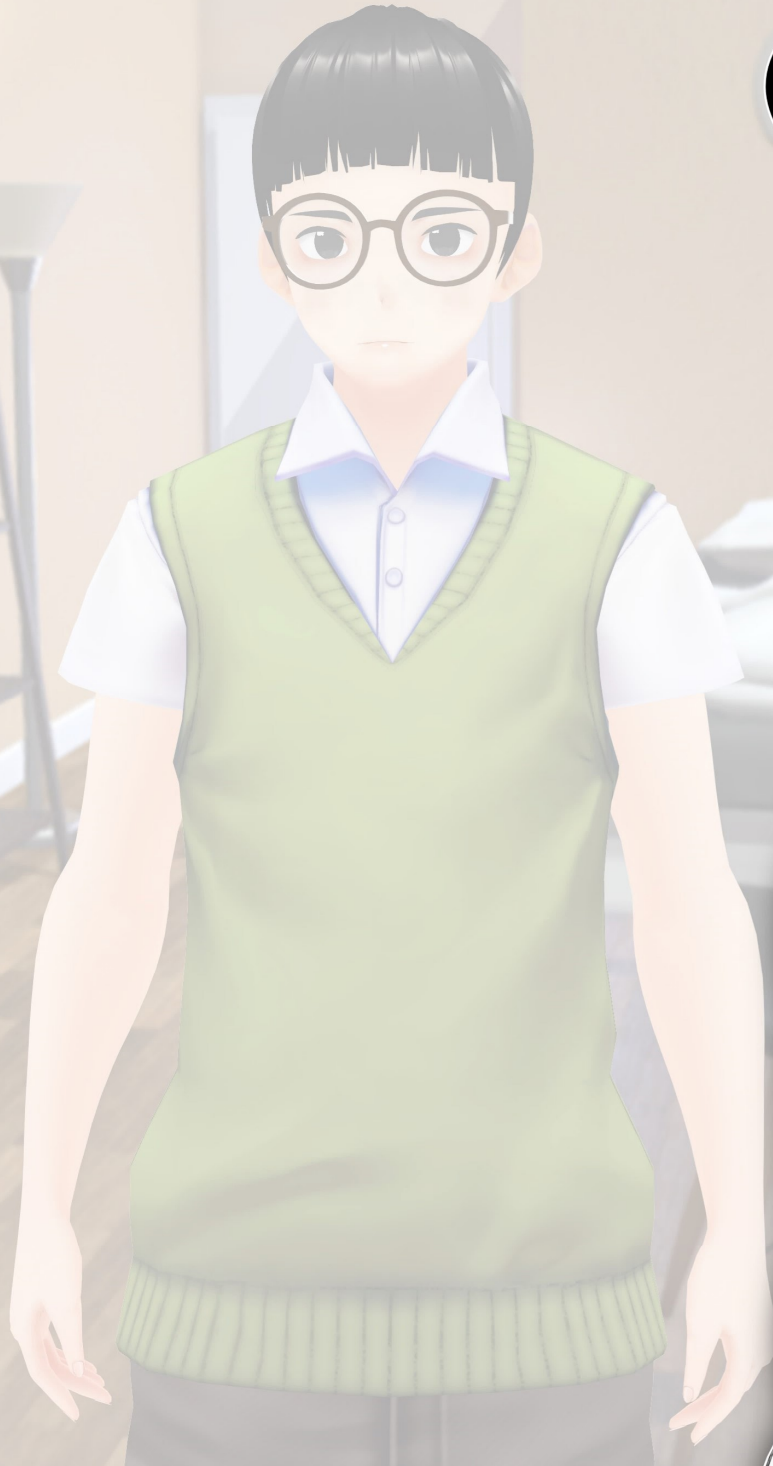

Starting today, I'll be your teacher.
Nice to meet you.

Well, let's see, you both scored 60 and 40 points.

Well, sister, it's understandable that it's a bit challenging for you. From now on, I'll guide you both to improve your scores!

Girls grow in height, style and ability!

But boys stay the same!

I've become so smart that I can consider you a fool ♡

No, it's you who's growing.

Small girls outgrow boys!

Girls grow after growth!

Yeah, but it's difficult.

Huh?
These questions are so easy!

I've grown over 2 meters tall and I'm taller than the door now.

Anyway, since the test is over, let's take a break.

This is a story for tall women, breast expansion, and real GTS lovers!
