Growth
sound

Low - ceiling room

"**Growth sound**" only affects girls, not boys, and has been developed in top secrecy.

The sound is played discreetly over **the school's public address system.**

Damn!

What's wrong?

**Oh, take a look at
this.**

**The ceiling in this room is low.
Probably the school cut the budget.
Seriously...**

Oh, really?

I can't reach the ceiling even if I stretch my hands, so it doesn't matter to me.

Because you guys are short.

I feel the same way.

Which one of you is taller?

Well, I don't know. Let's compare.

Just a little, your height is lower.

Eh, shock!

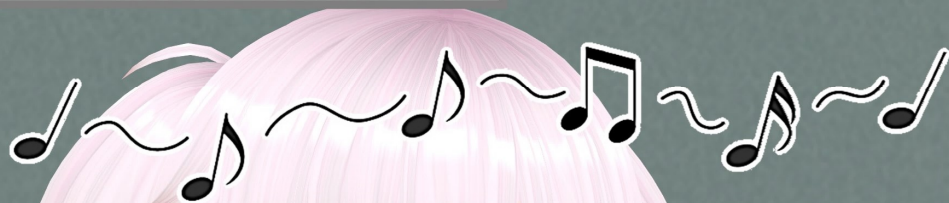

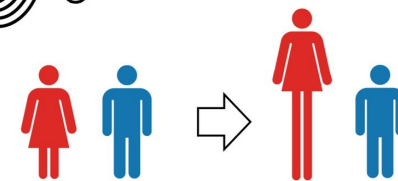

Yay! I'm taller.

Both of you are short, though.

Strange sounds are heard.

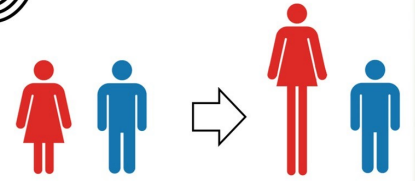

It's from the school's broadcast.

Ugh... a strange feeling....

**Strange sounds.
I feel somehow strange...**

Day 1 140^{4'7"}cm

3 days later

Huh?

Was I that tall?

Really?

The eye level hasn't changed much, I think.

From my perspective, both of you seem to be growing.

Eh?

I've become able to reach.

I can barely reach.

The desk here is a bit low, right?

**Lower than the
inseam.**

Your inseam is quite high.

Day 3

**Your inseam was around here,
right?**

It doesn't grow that quickly.

Shall we compare?

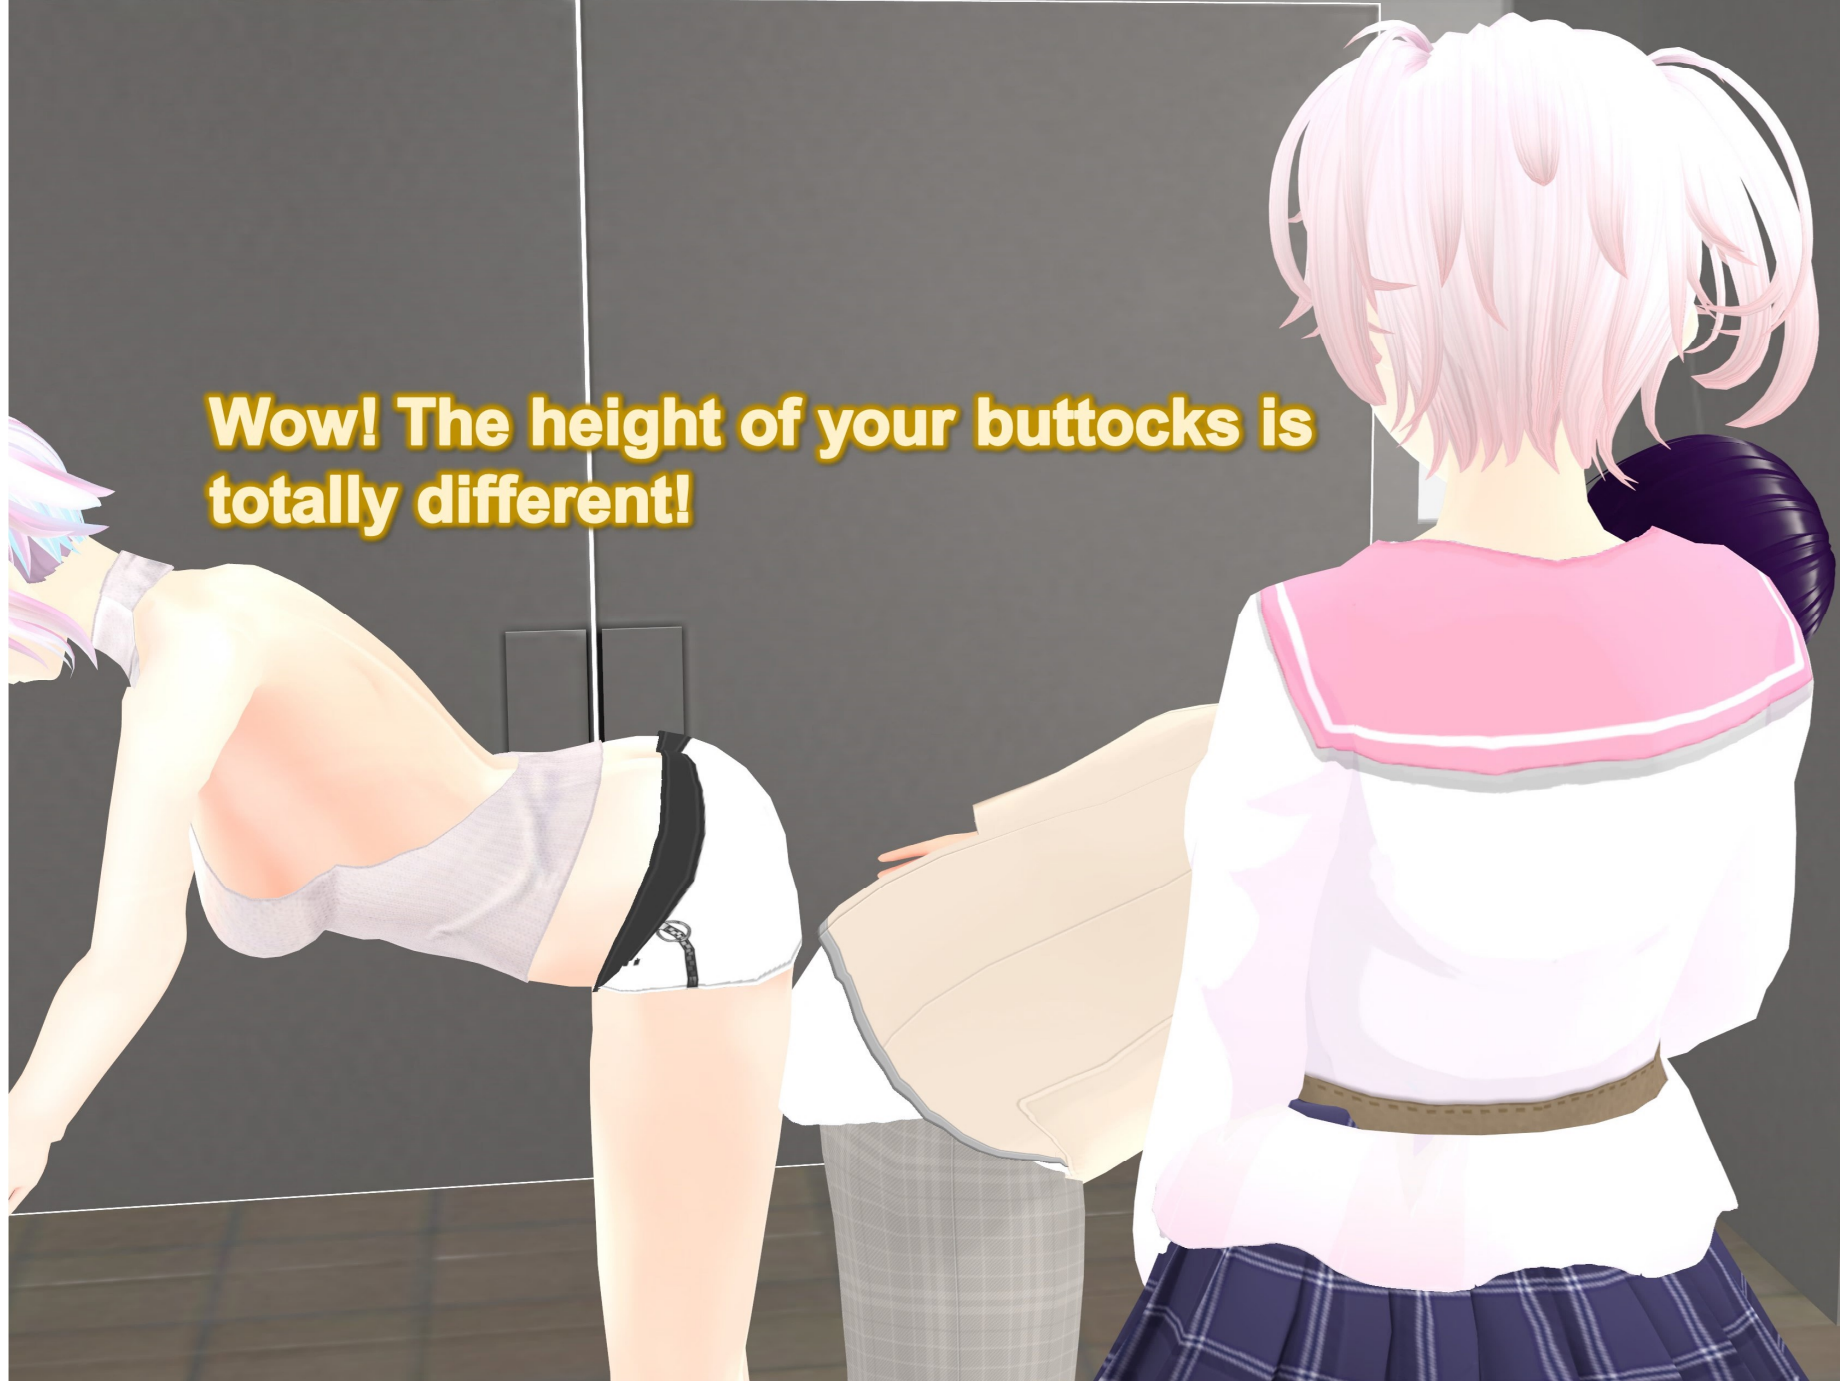

**It's almost the same,
but it seems like I
haven't been overtaken
yet.**

**It looks like there's a slight reversal.
Try bowing a little!**

Wow! The height of your buttocks is totally different!

That means the length of our legs is different!

You have a ridiculously long torso and short legs!

Day 6
150^{4'11"}cm → 160^{5'3"}cm

Strange sounds are heard. It's from the school's broadcast.

I've become able to reach.

I can barely reach.

Day 3
4'7" → 4'11"
140cm → 150cm

3 days ago

Girls grow in height, style and ability!

But boys stay the same!

It looks like there's a slight reversal now

Your inseam was around here, right?

Now I can reach the ceiling tool

It's strange that only girls are growing.

It must be a coincidence.

I can't stand up straight anymore!?

It's true! This room was so small!

Small girls outgrow boys!

Girls grow after growth!

My skin is so smooth, I can't see any pores.

My skin is in great condition! Isn't yours too?

A ceiling below the chest is
unbelievable, right?

This is a story for tall women,
breast expansion, and real GTS lovers!

Oh, okay.....

I never thought I'd grow to the point where
the vending machine is below my belly button.

I've finally become taller
than the gate.
