**sound** ↑

Stretching exercises

"**Growth sound**" only affects girls, not boys, and has been developed in top secrecy.

 growth sound

The sound is played discreetly over **the school's public address system.**

**You're amazing, big brother!  
Your body is so flexible!**

**How about that?  
Impressive, right?**

I can't spread my legs that much...

An overhead view of two anime-style characters sitting on a dark grey sofa. The character on the left has long, straight white hair and is wearing a white tank top with black trim and black shorts. The character on the right has short, spiky white hair and is wearing a white tank top with black trim and black shorts. They are both wearing white sneakers and black socks. The character on the right is leaning forward, and the character on the left is leaning back. The sofa has several black pillows. In the foreground, there is a light-colored, patterned rug and a dark brown rectangular object on the floor.

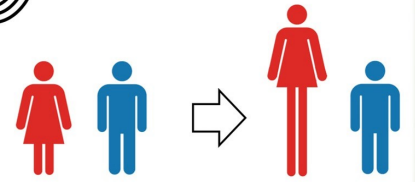

**My legs are short, too,  
and it makes me sad.**

**Your legs are long and nice,  
big brother.**

 growth sound

**I need to do some stretching exercises.**

 growth sound

class room

 growth sound

**There's a strange sound.  
I feel kind of weird...**

Day 1      140<sup>4'7"</sup>cm

**3 days later**

**Big brother,  
can I sit next to you?**

**Of course.**

There we go.

Huh?

What's wrong?

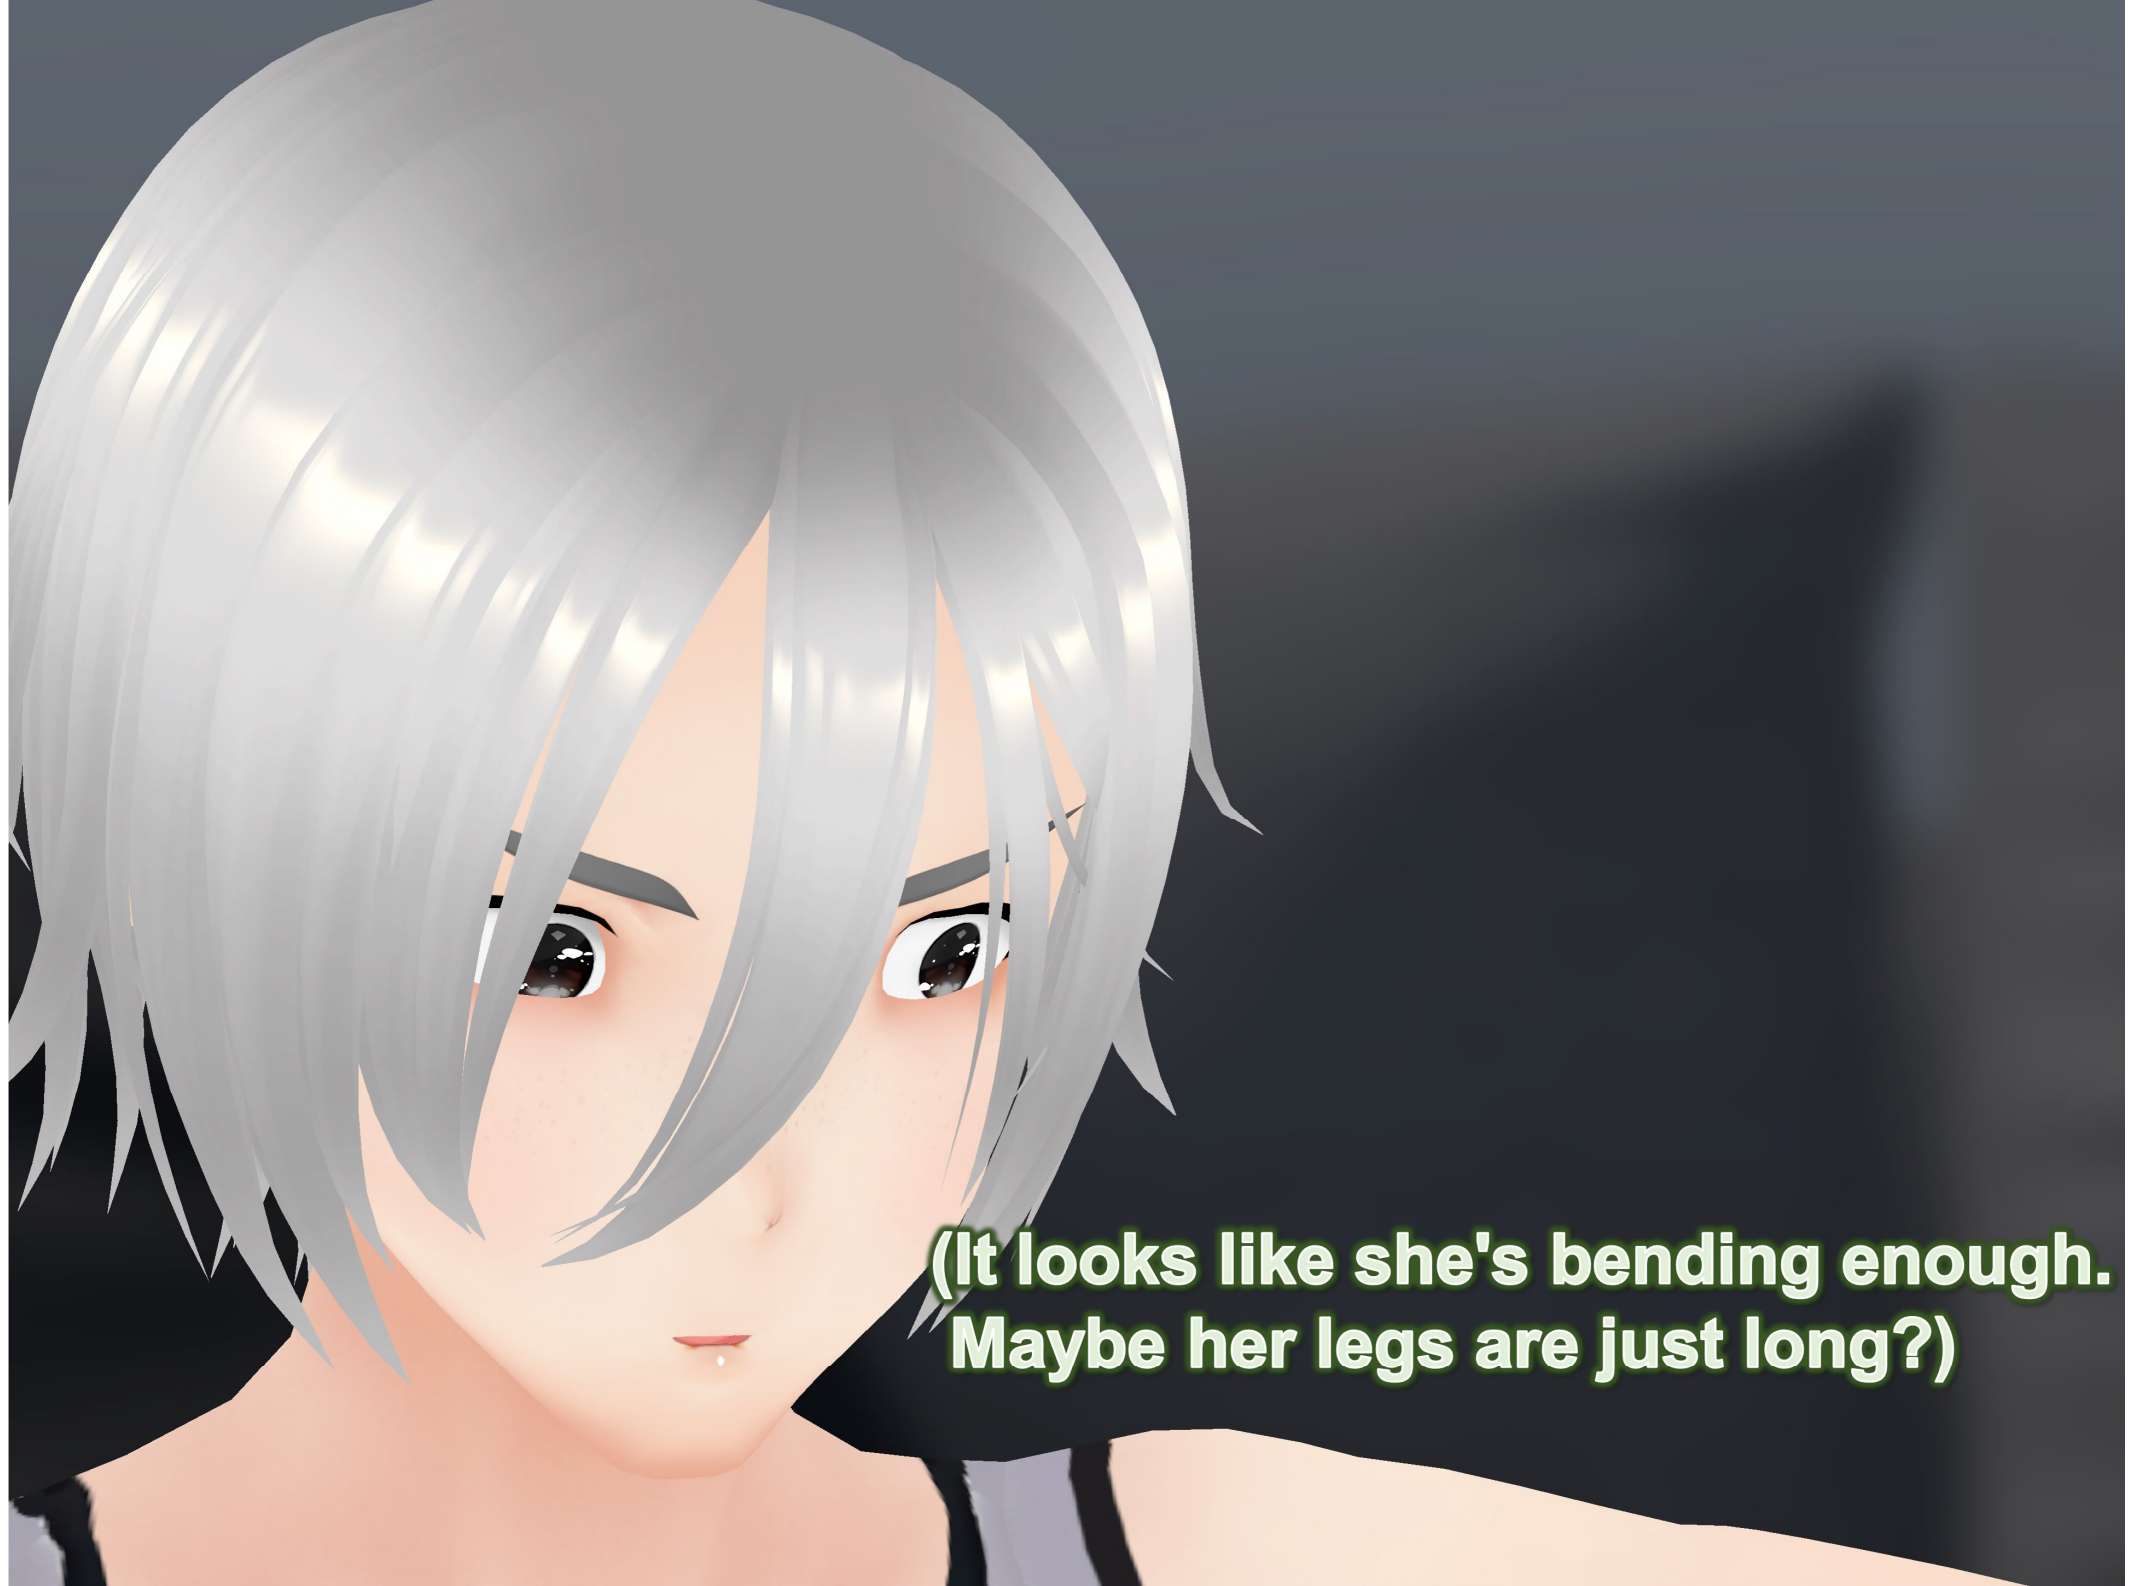

**No...**  
**(I feel like her legs are the same**  
**length as mine, but it must be my**  
**imagination.)**

**I've been trying hard with stretching exercises, but I can't reach.**

**(It looks like she's bending enough.  
Maybe her legs are just long?)**

Day 3

140<sup>4'7"</sup>cm → 150<sup>4'11"</sup>cm

**6 days later**

**Big brother, you're doing stretching exercises too.**

**I'll do it too!**

Hehe, I can spread my legs now too.

What!?

**(It looks like she's bending enough.  
Maybe her legs are just long?)**

(No, it's the usual perspective...)

Well, today's stretching is over.

You're done already?

I'll finish too.  
There we go.

**(Huh? Was she always this tall?)**

**That's strange.....**

Day 6

150cm<sup>4'11"</sup> → 160cm<sup>5'3"</sup>

**12 days later**

**Big brother!  
Look at this!**

**I can do a I-shaped Balance now!**

**What!?**

**Her waist is  
at the level of  
my belly button.**

**You try it too, big brother!**

What! No way!

**Our leg lengths are completely different!**

Huh? Am I taller now?  
Even our waist heights  
are different.

This can't be.

Day 12  
160<sup>5'3"</sup>cm → 170<sup>5'7"</sup>cm

**18 days later**

The image shows two anime-style characters with long, flowing white hair. The character on the left is taller and is seen from the back, wearing a white tank top with black trim. The character on the right is shorter, also with white hair, looking towards the taller character with a surprised expression. Her hand is raised towards the taller character's hair. They are positioned in front of a window that looks out onto a dark, nighttime cityscape with some greenery visible. The text "She's grown way taller than me!" is overlaid on the scene in a bright green, bold font.

**She's grown way taller than me!**

class room

I need to do some stretching exercises.

What's wrong?

Day 1 140cm

Girls grow in height, style and ability!

But boys stay the same!

Your legs are long and nice, big brother.

Hehe, I can spread my legs now too.

What!?

Day 6  
4'11"  
150cm → 160cm  
5'3"

**Small girls outgrow boys!**

**Girls grow after growth!**

I want to link arms,  
but our heights don't match.

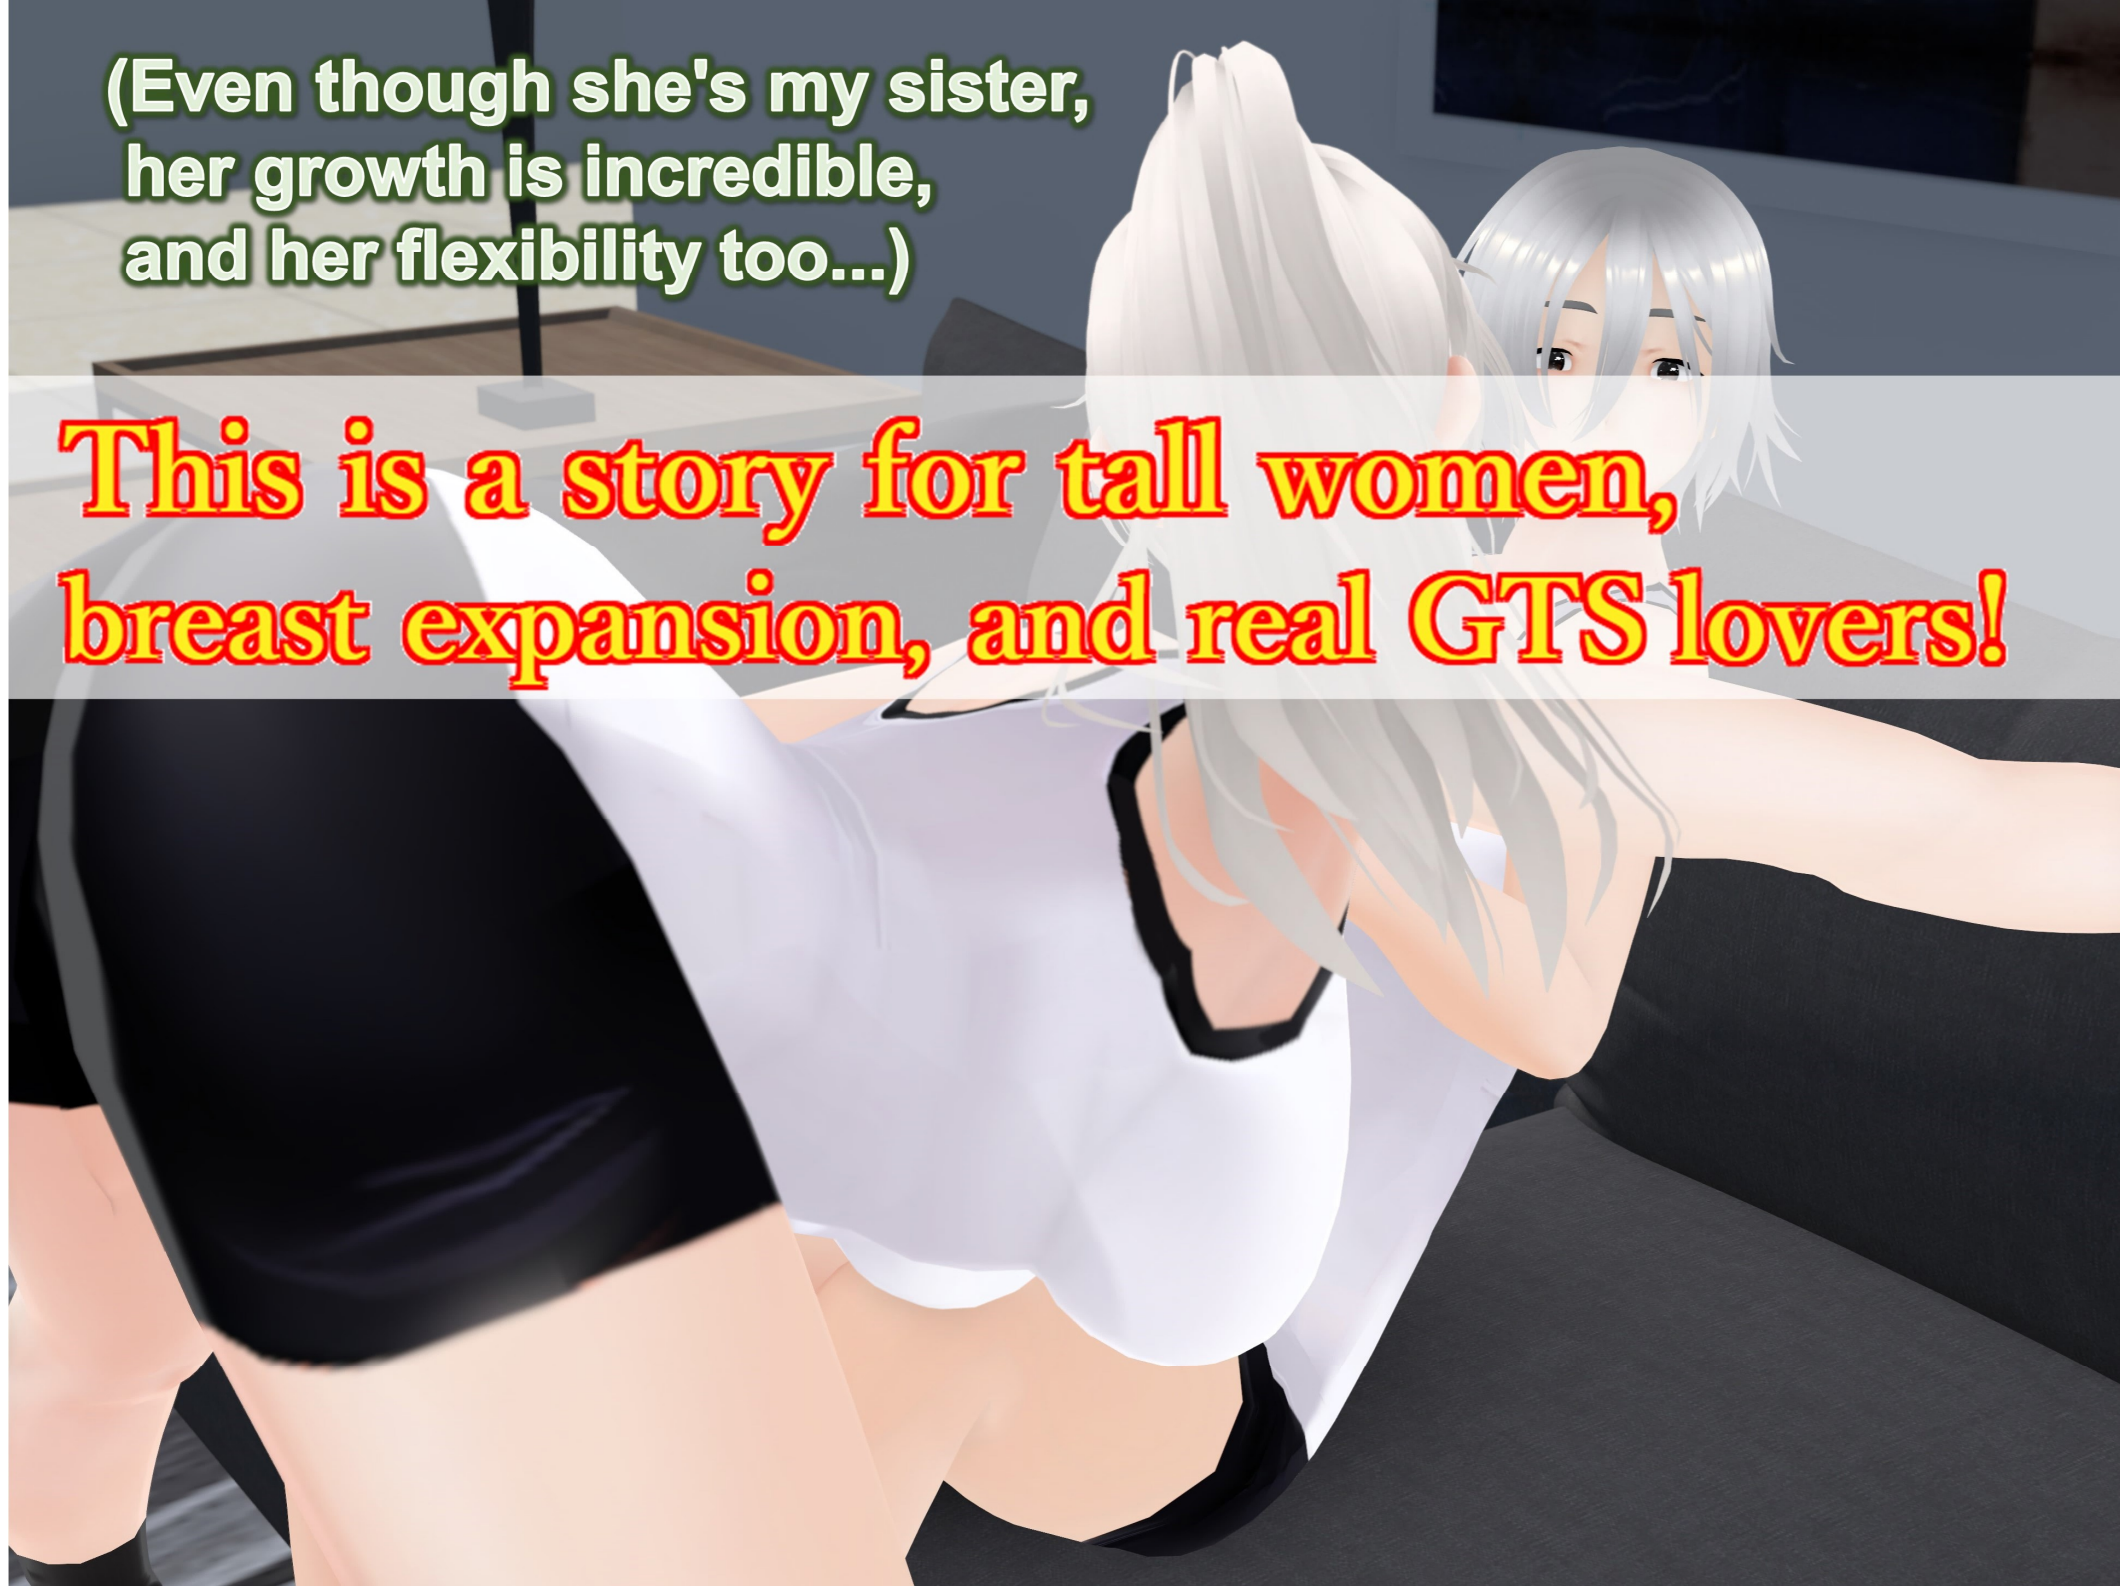

It's really easy to do this,  
I can talk to you too, big brother♡

(Even though she's my sister,  
her growth is incredible,  
and her flexibility too...)

**This is a story for tall women,  
breast expansion, and real GTS lovers!**

An illustration showing a girl's growth from childhood to adulthood. On the left, a small girl in a white t-shirt and black shorts stands on a blue oval. In the center, a taller girl in a white t-shirt and black shorts stands on a blue oval. On the right, a woman in a white jumpsuit stands on a blue oval. Large blue arrows point from left to right, indicating growth. The background features a grey grid pattern and several overlapping, semi-transparent geometric shapes in shades of purple and green.
