

It would be gorgeous

If we serve a autumn fruit abundantly

Let's make a pie together today

Minoriko

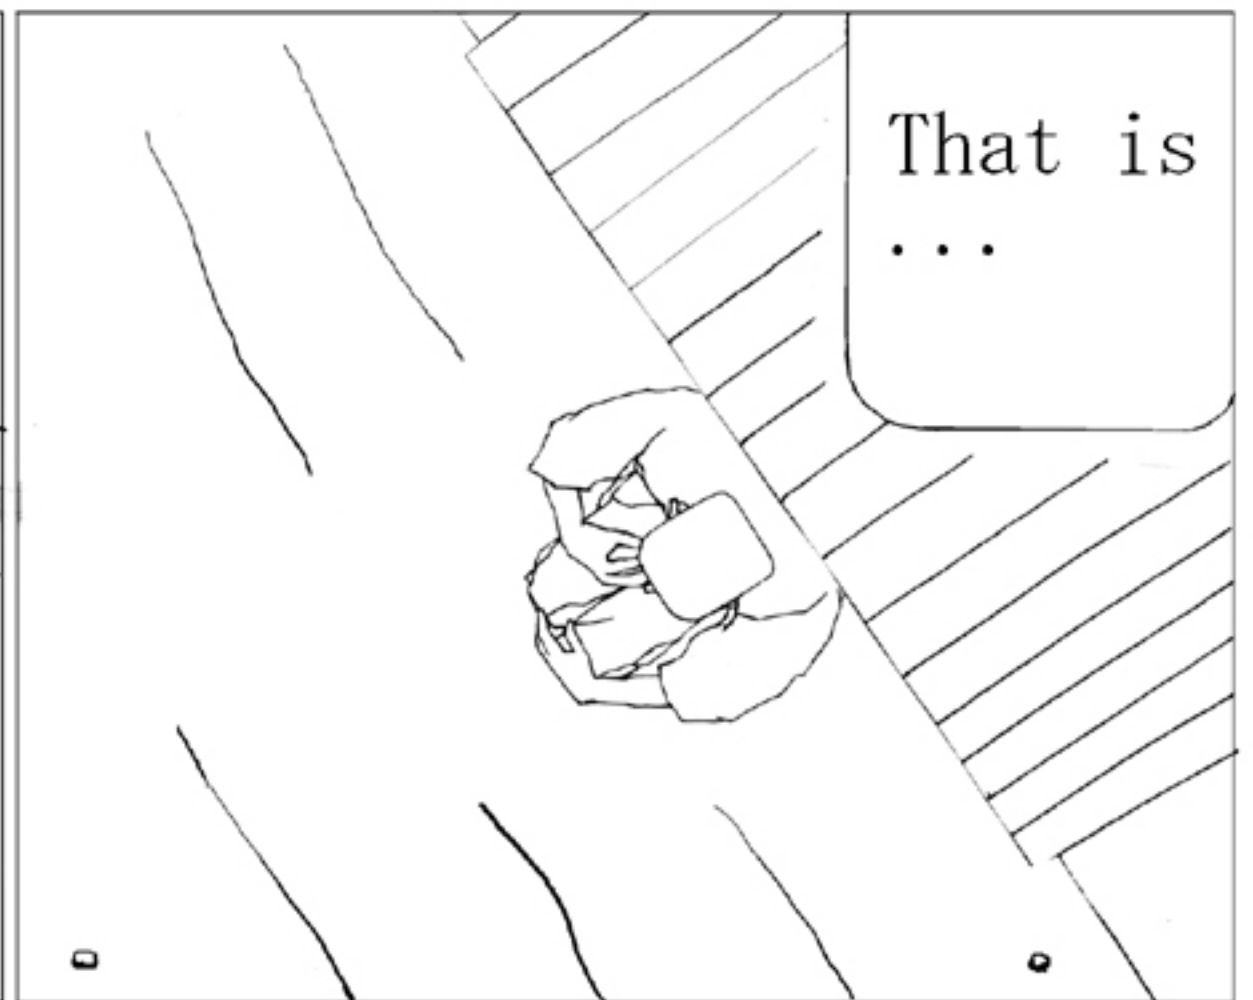

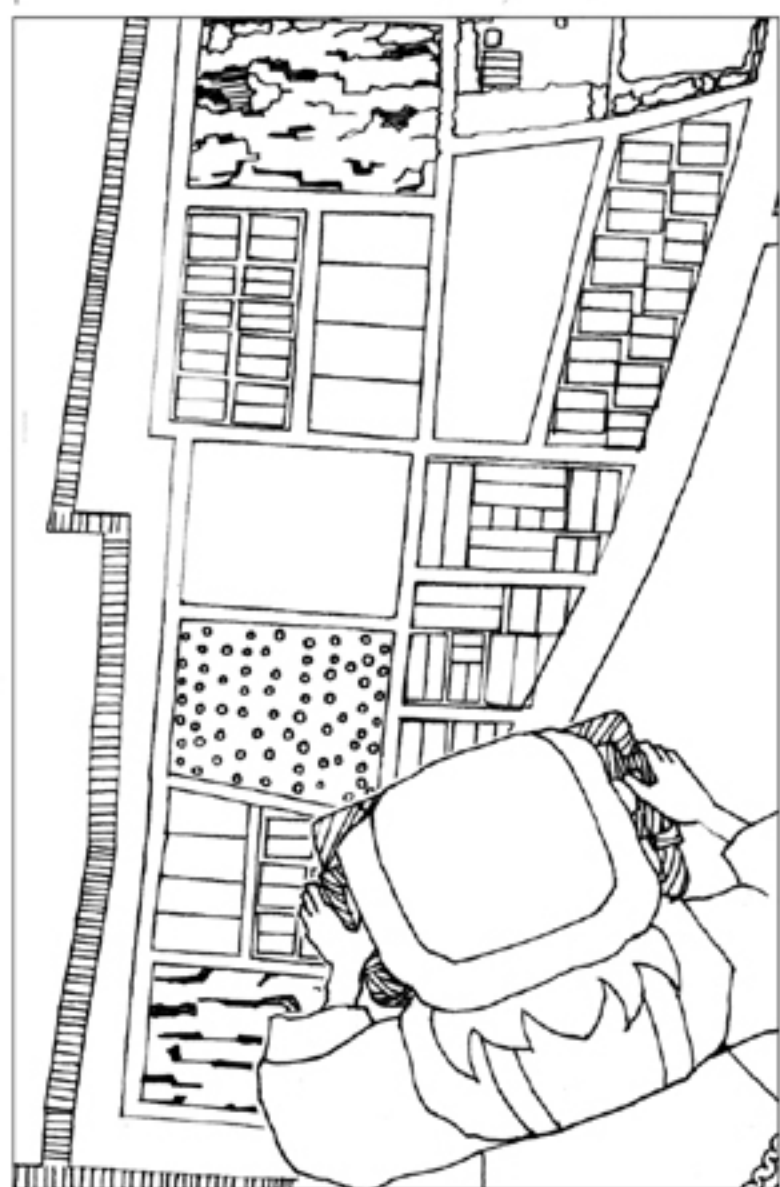

It must be the human village

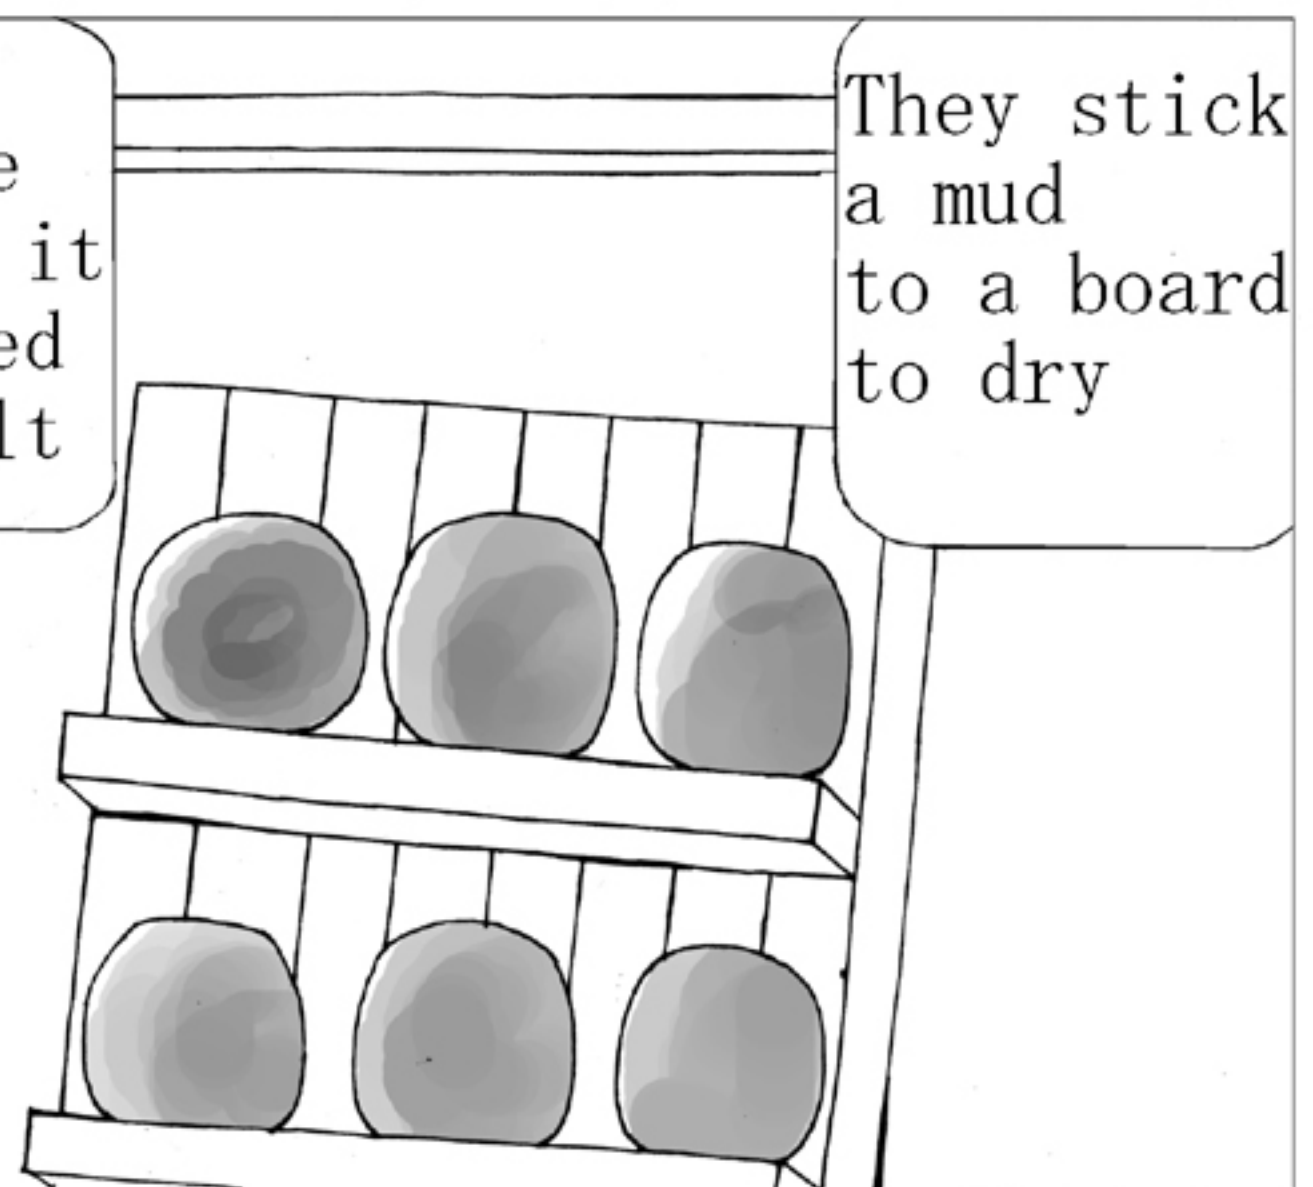

a mud

That is ...

then they are gnawing it sprinkled with salt

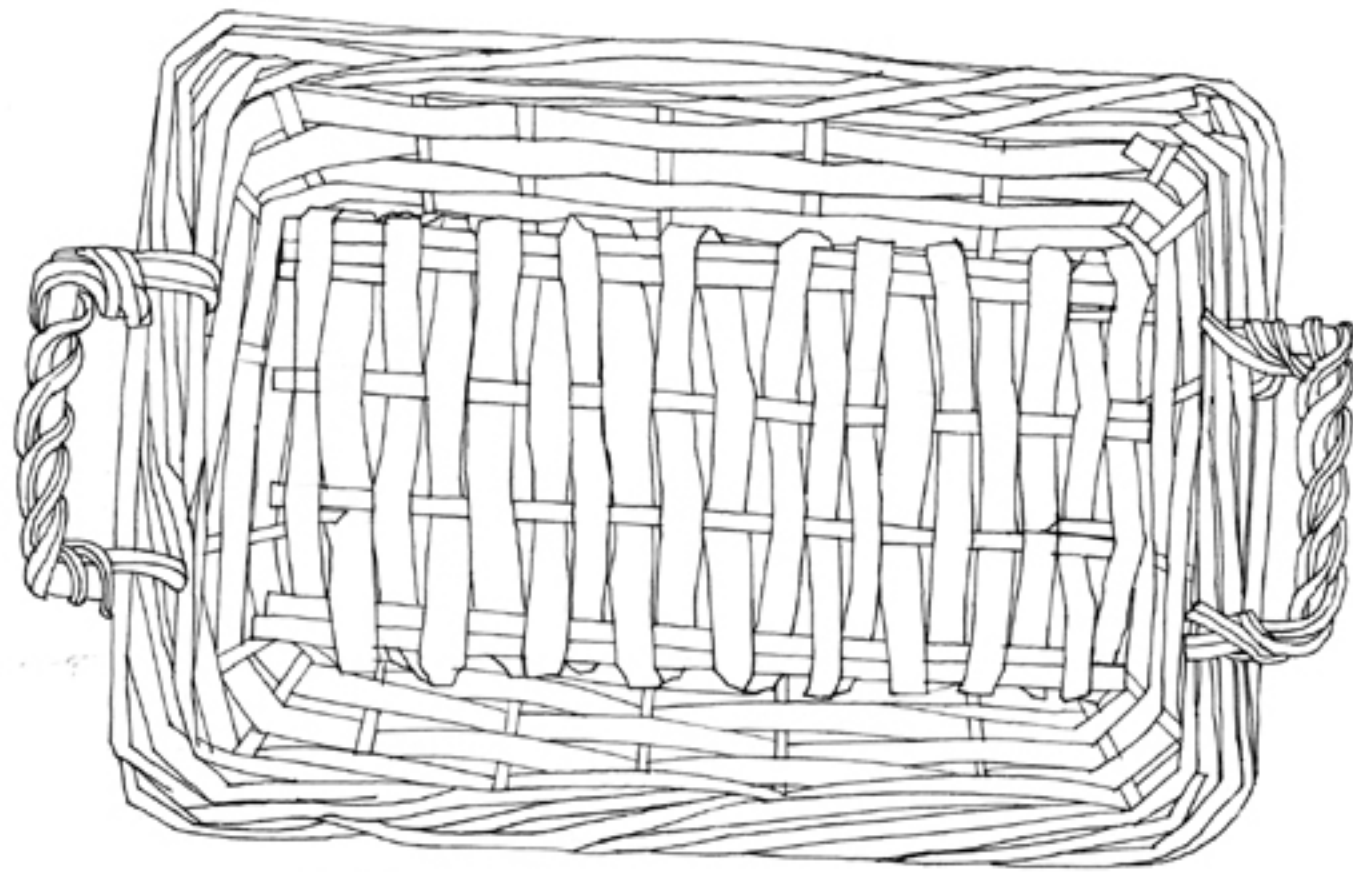

They stick a mud to a board to dry

Autumn Blessing

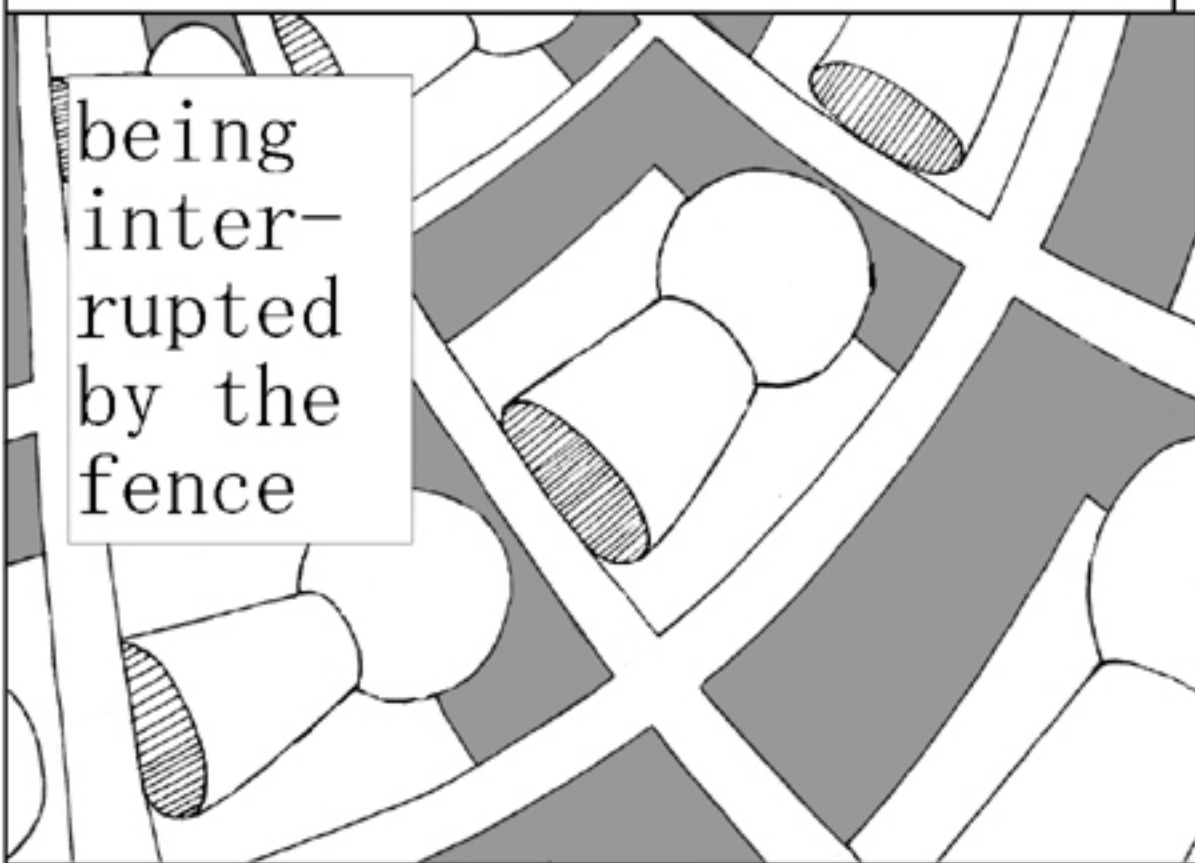

in many places of the human village

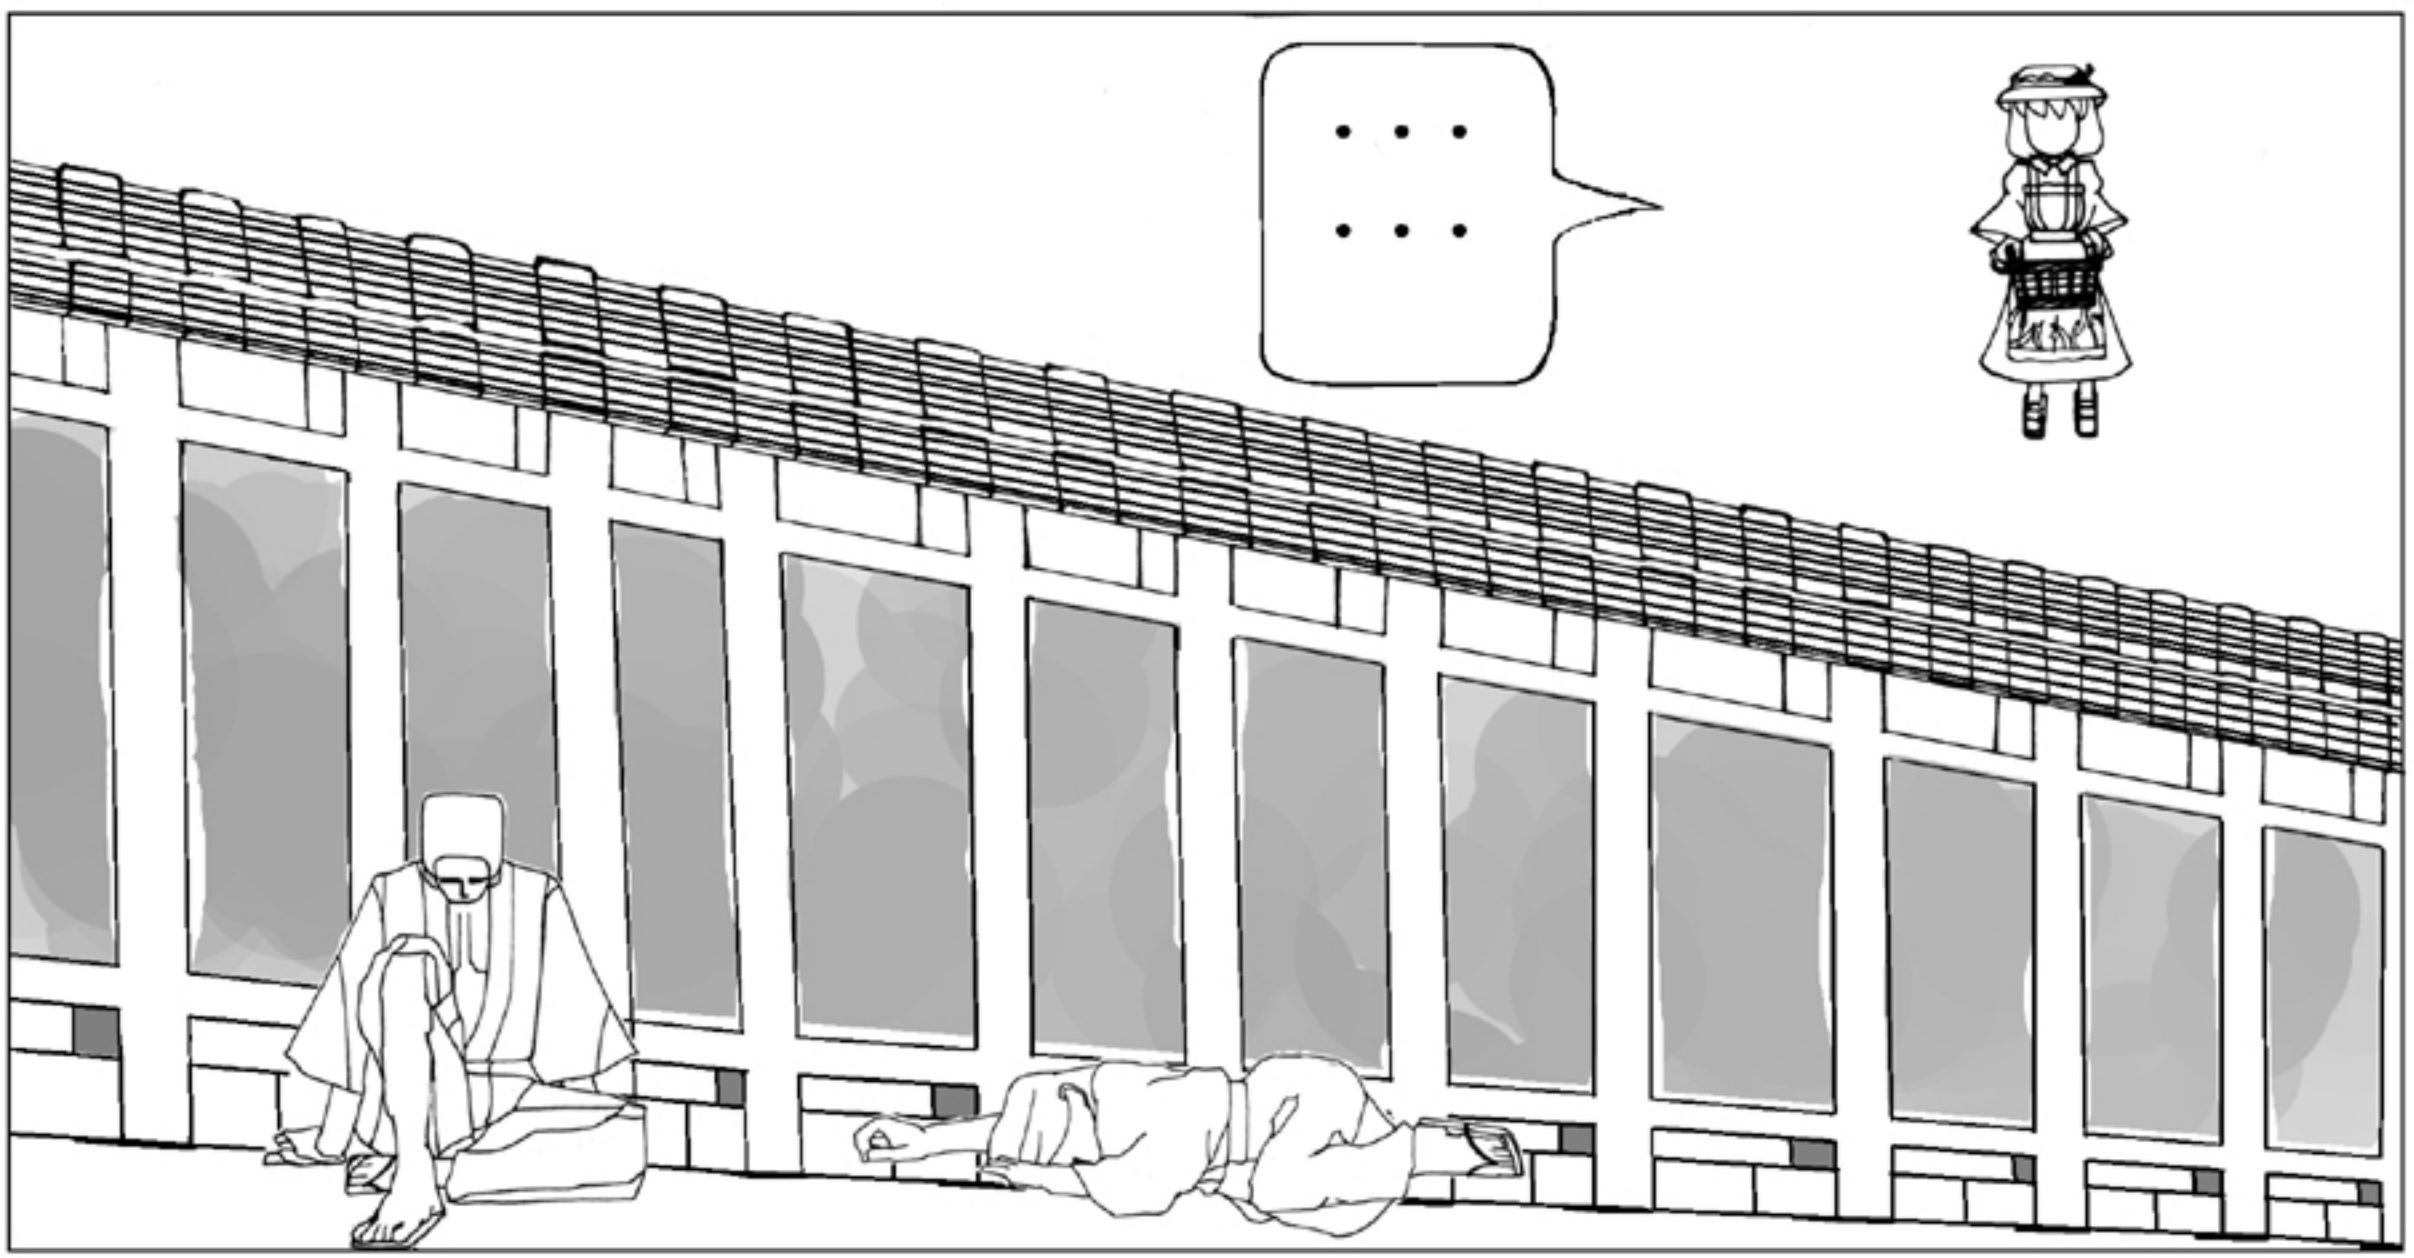

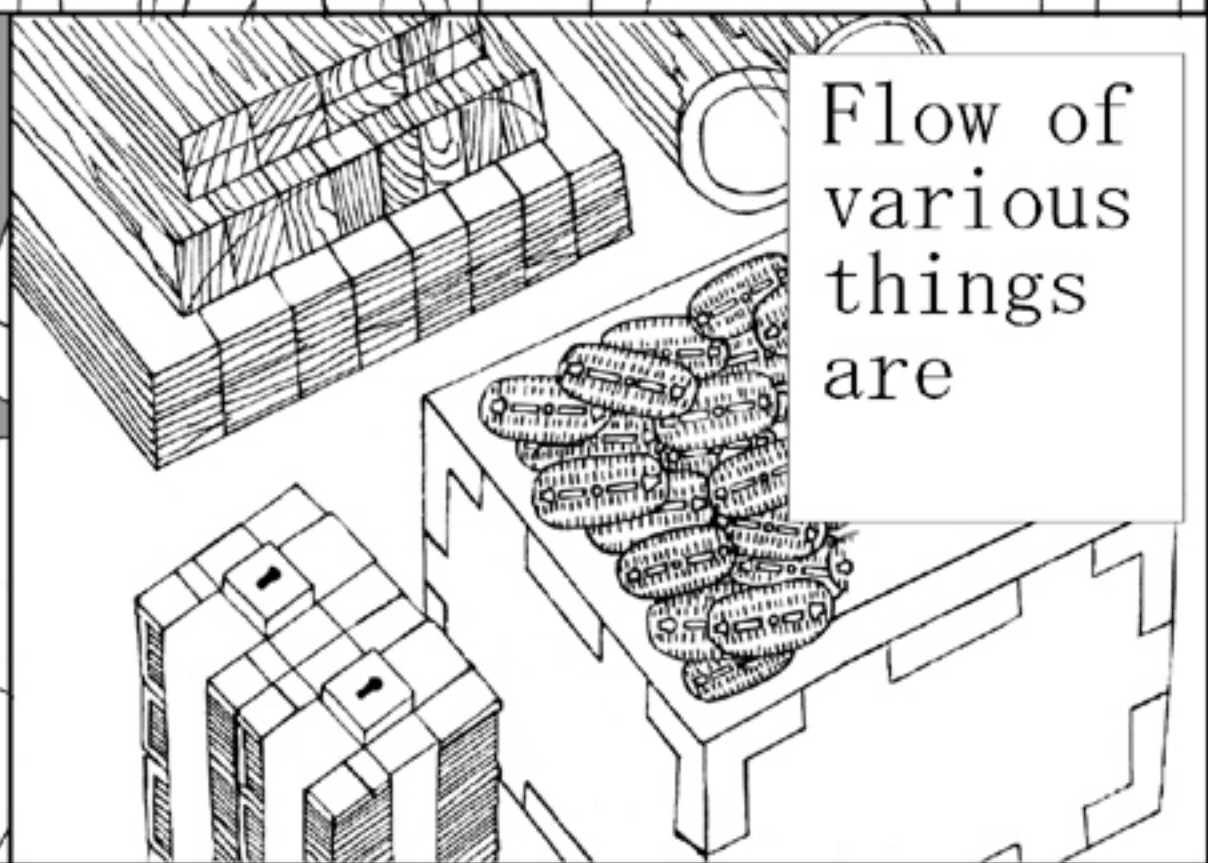

A fence has been made

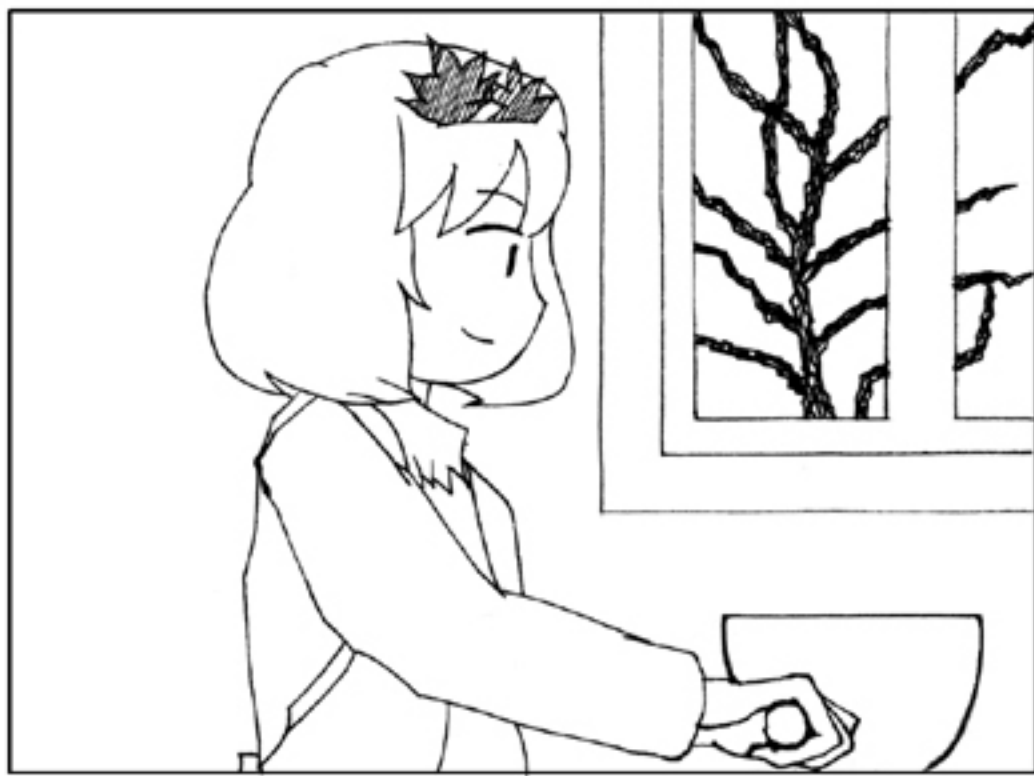

being interrupted by the fence

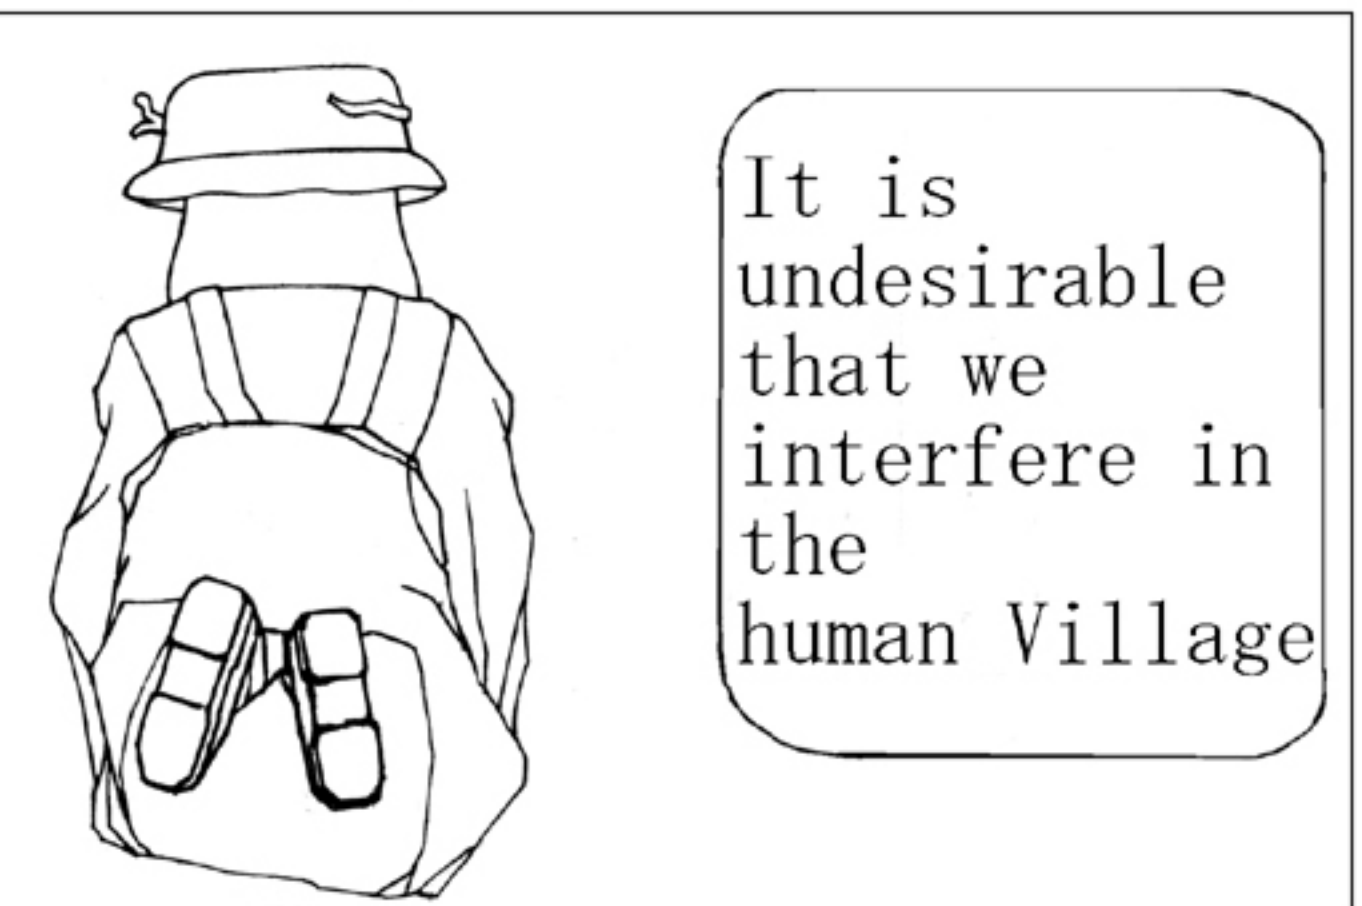

Flow of various things are

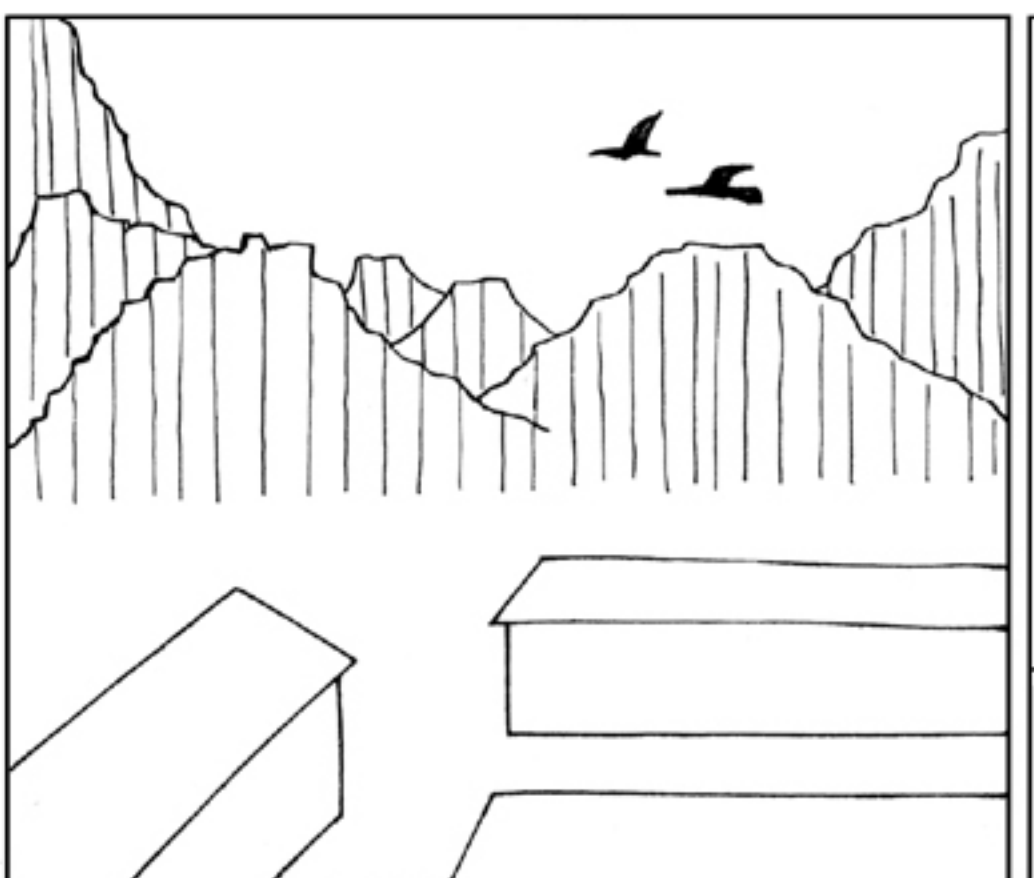

What can I do for that?

beyond own sphere

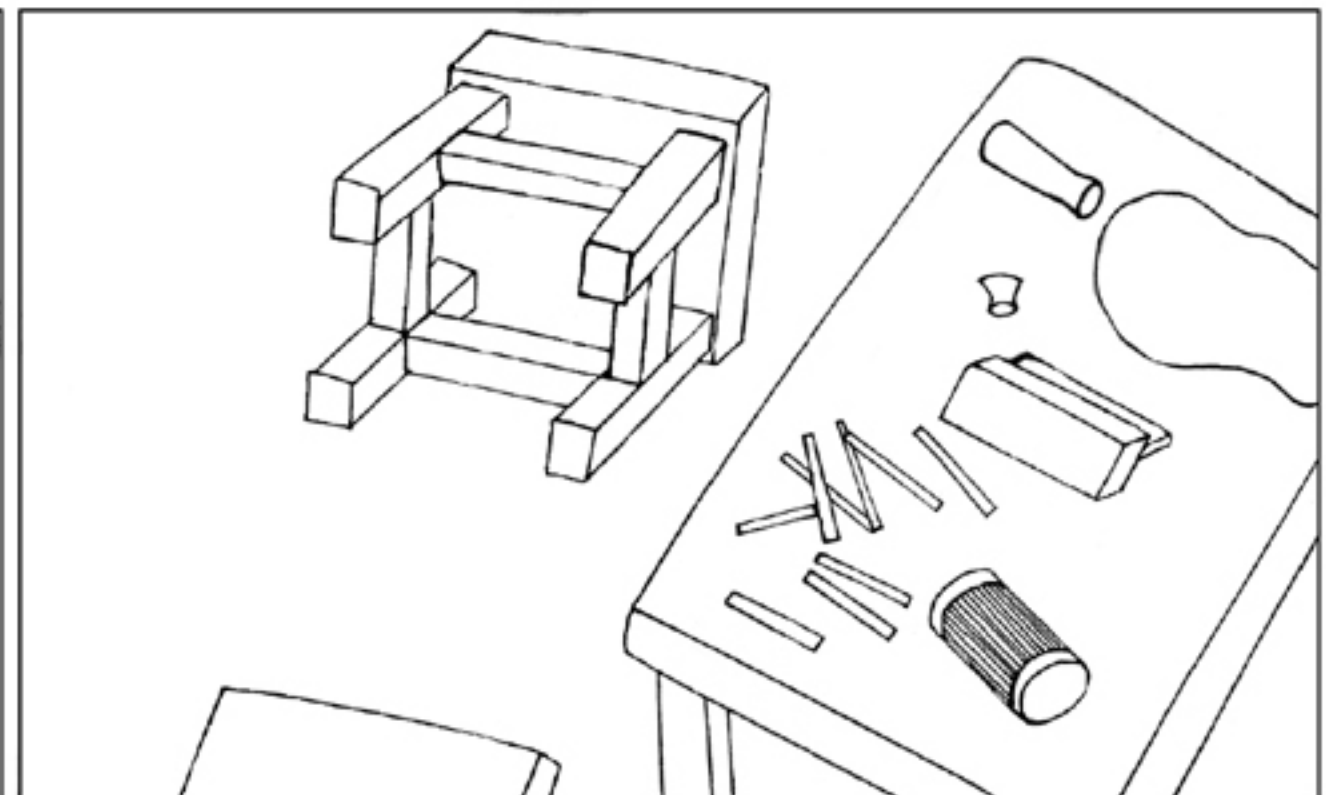

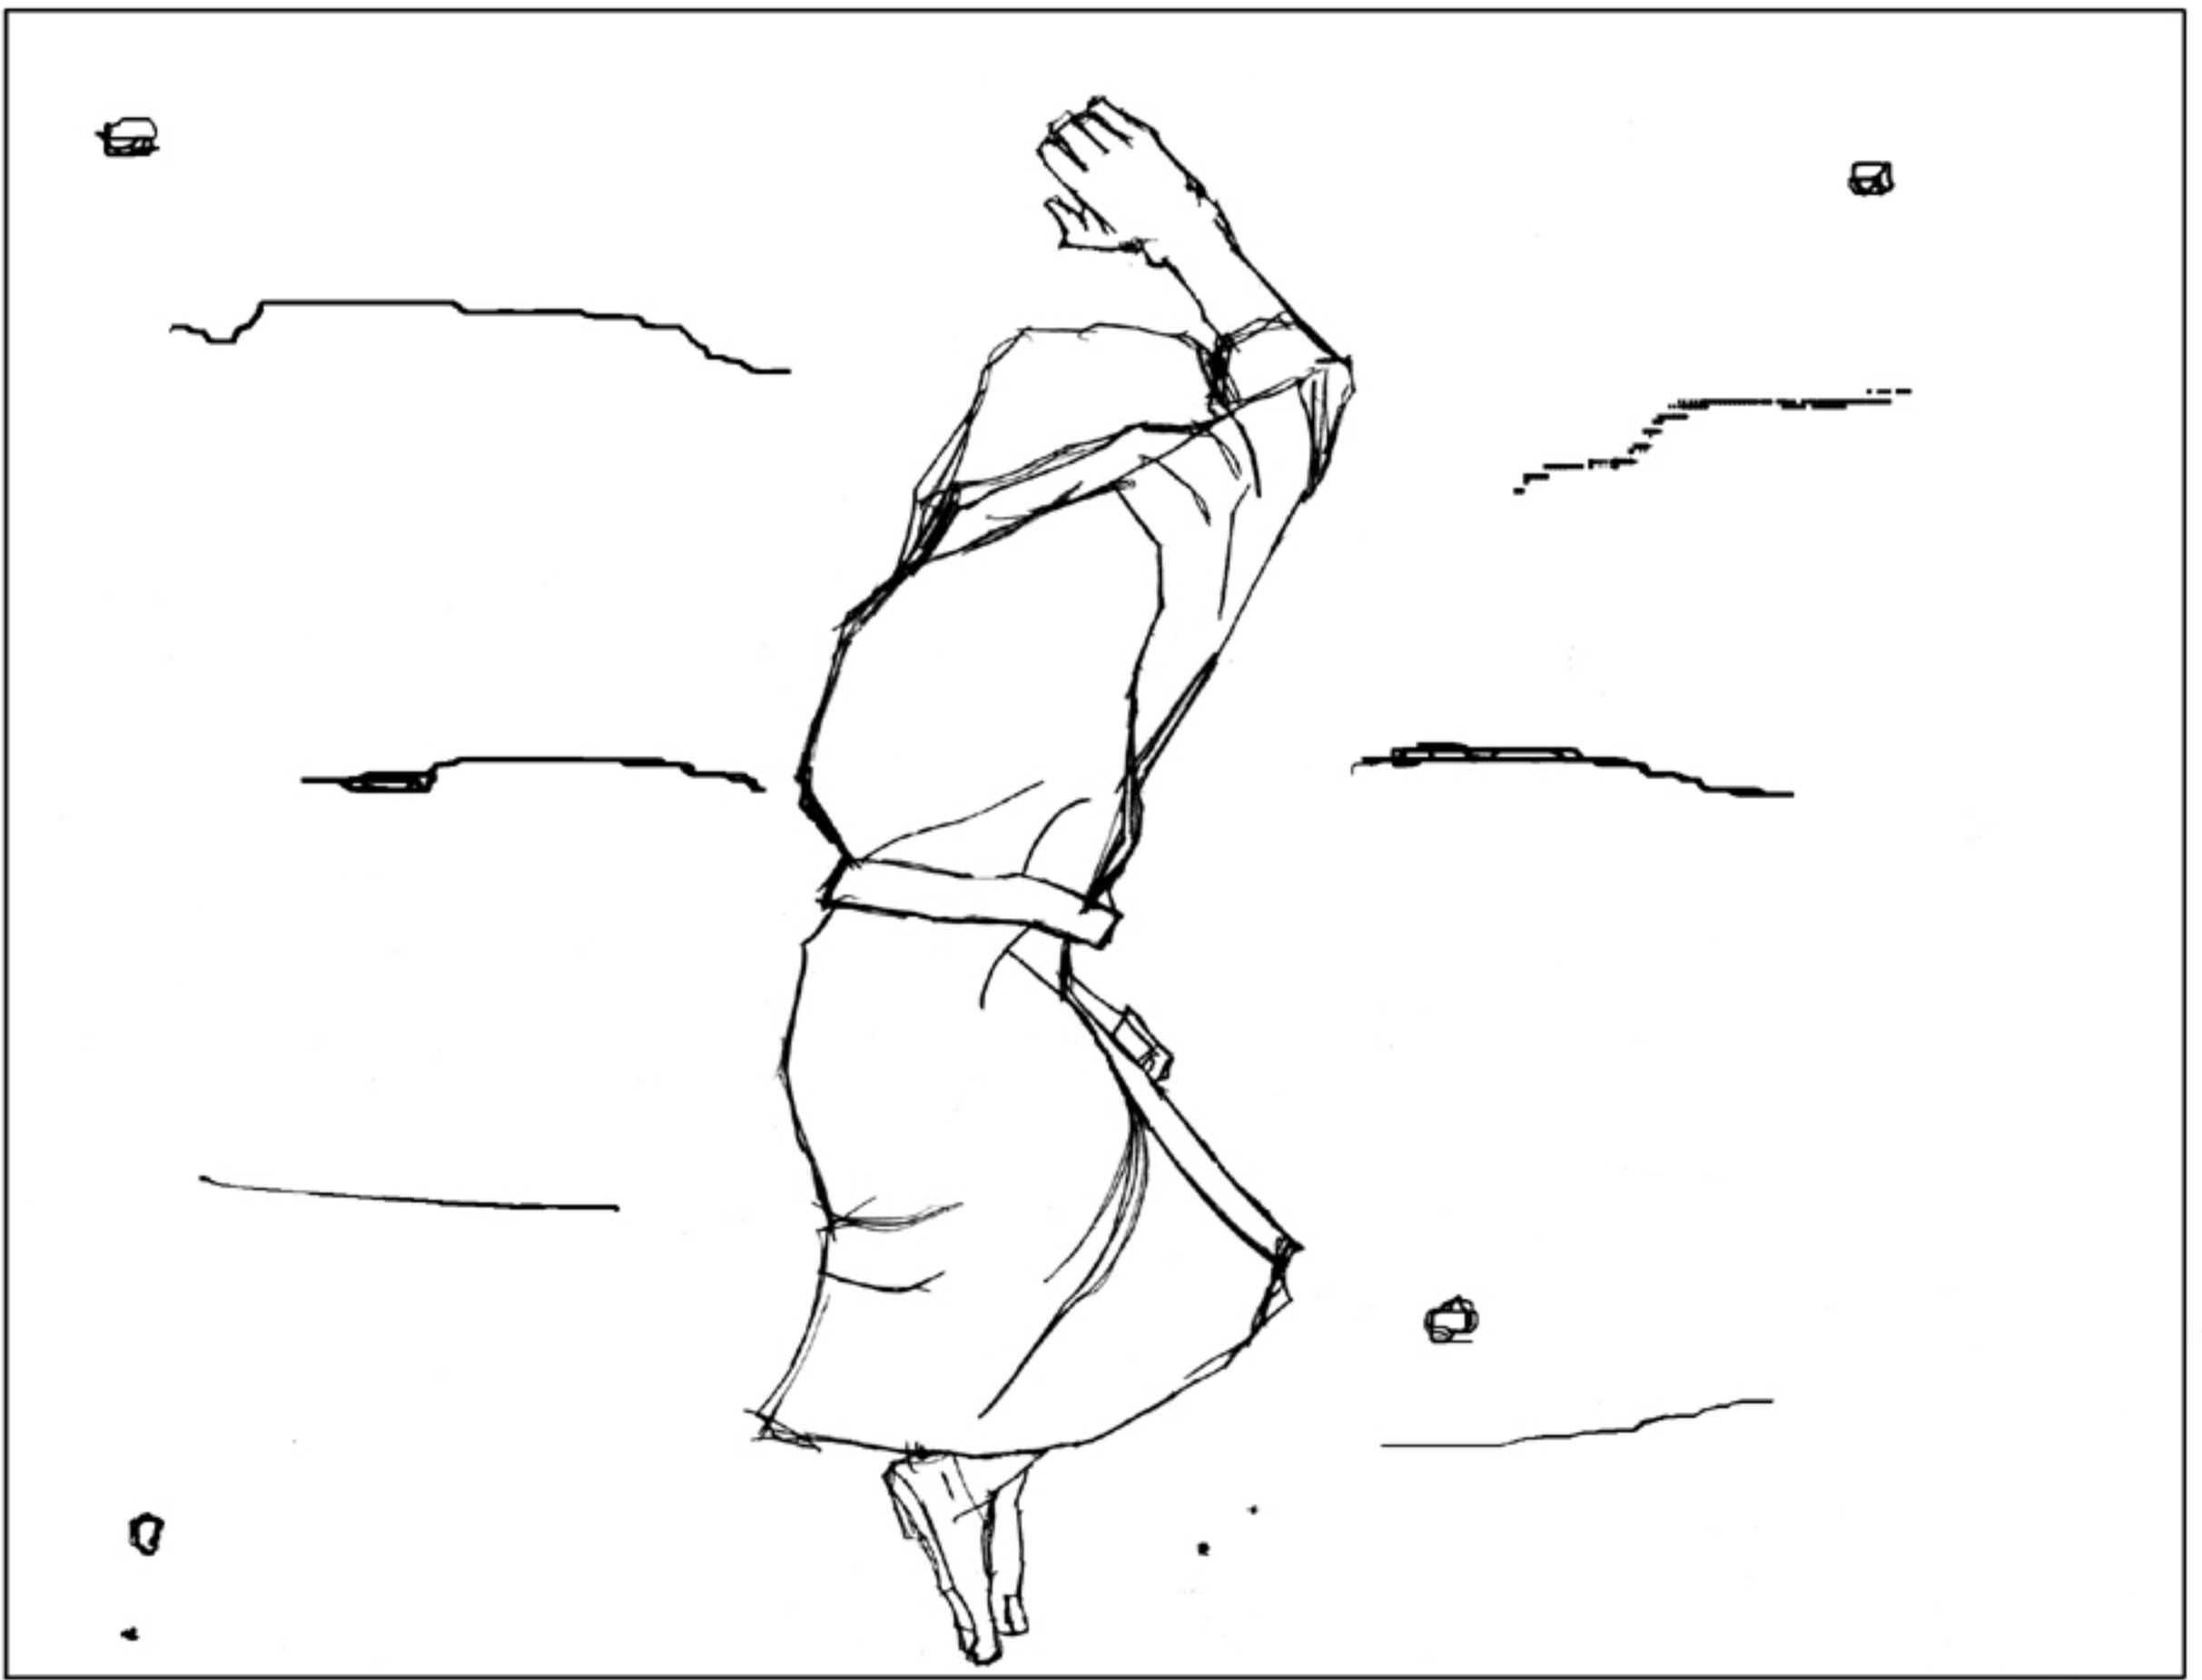

It is undesirable that we interfere in the human Village

I have nothing to do for happening of the human village

I am just a person who take charge of abundant harvest

Excuse me ~ ~ ~

entirely
clear

Meal

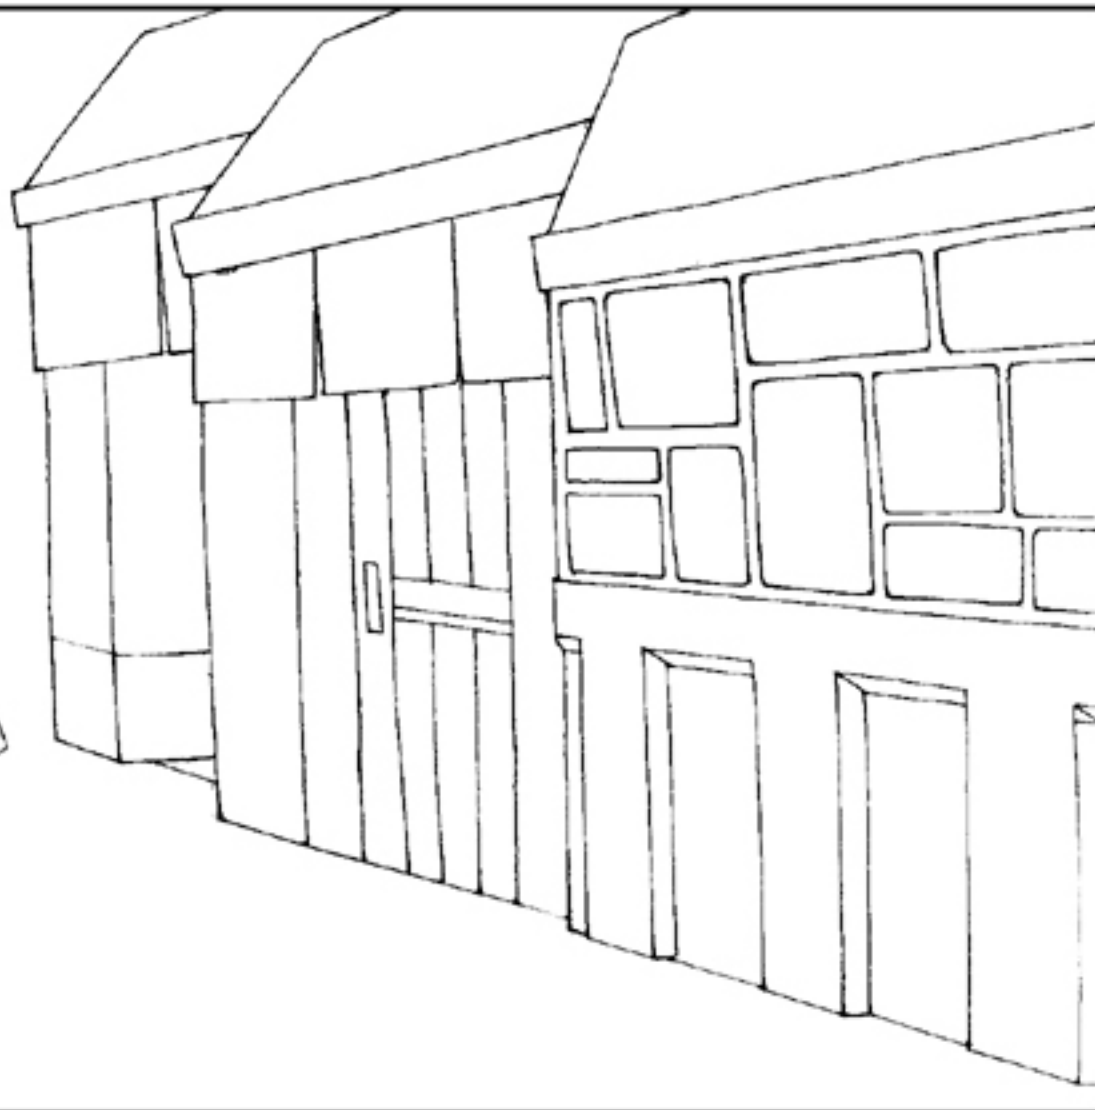

May I
give you
this?

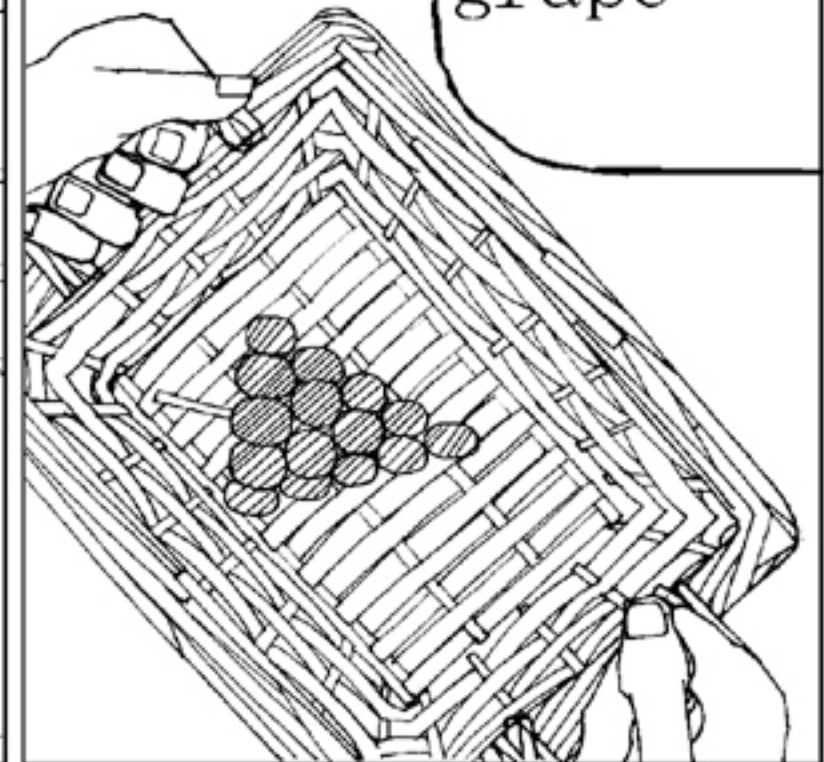

We are
thankful
I
appreciate
your help

Gnaw
Gnaw

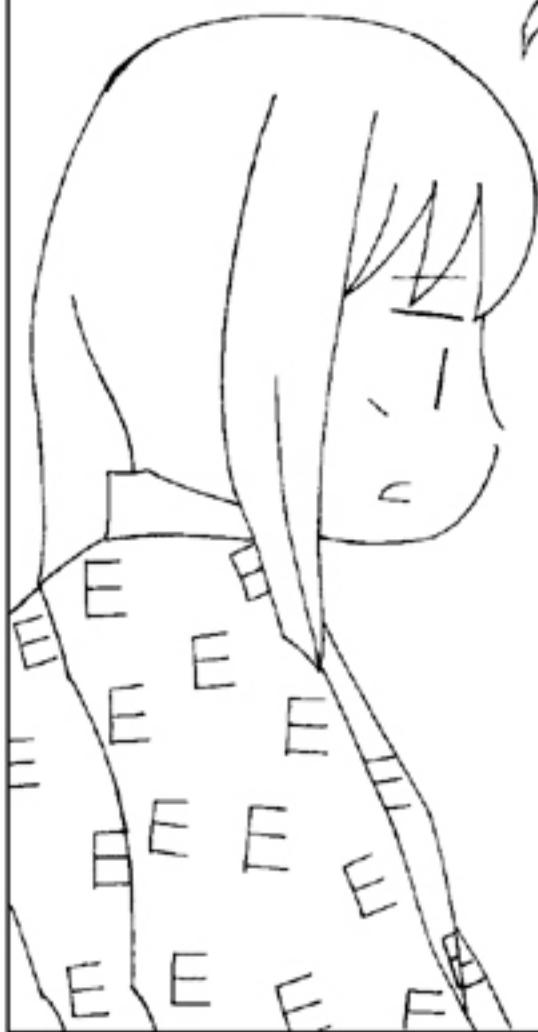

I wonder we can make a pie with this

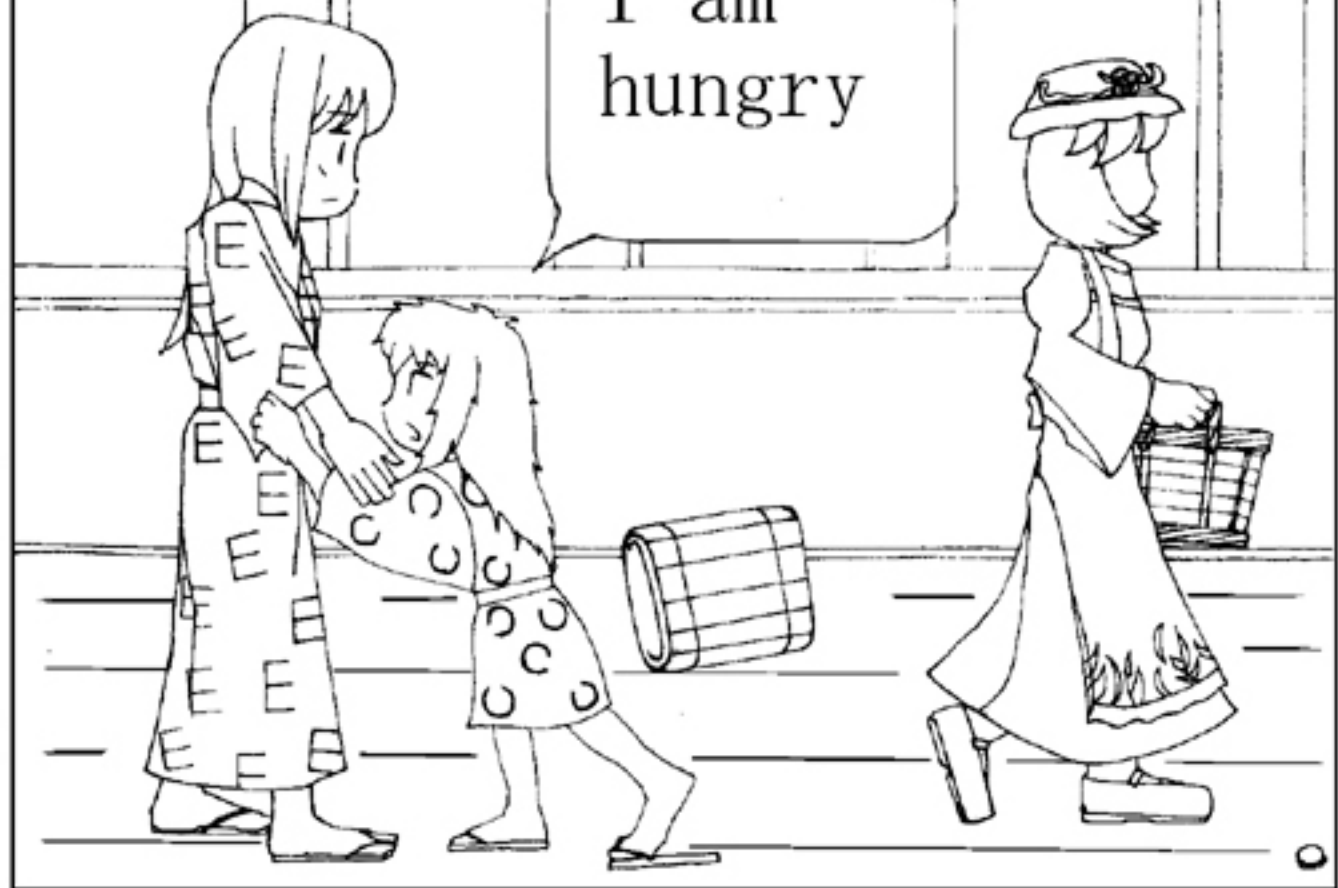

The rest is only one grape

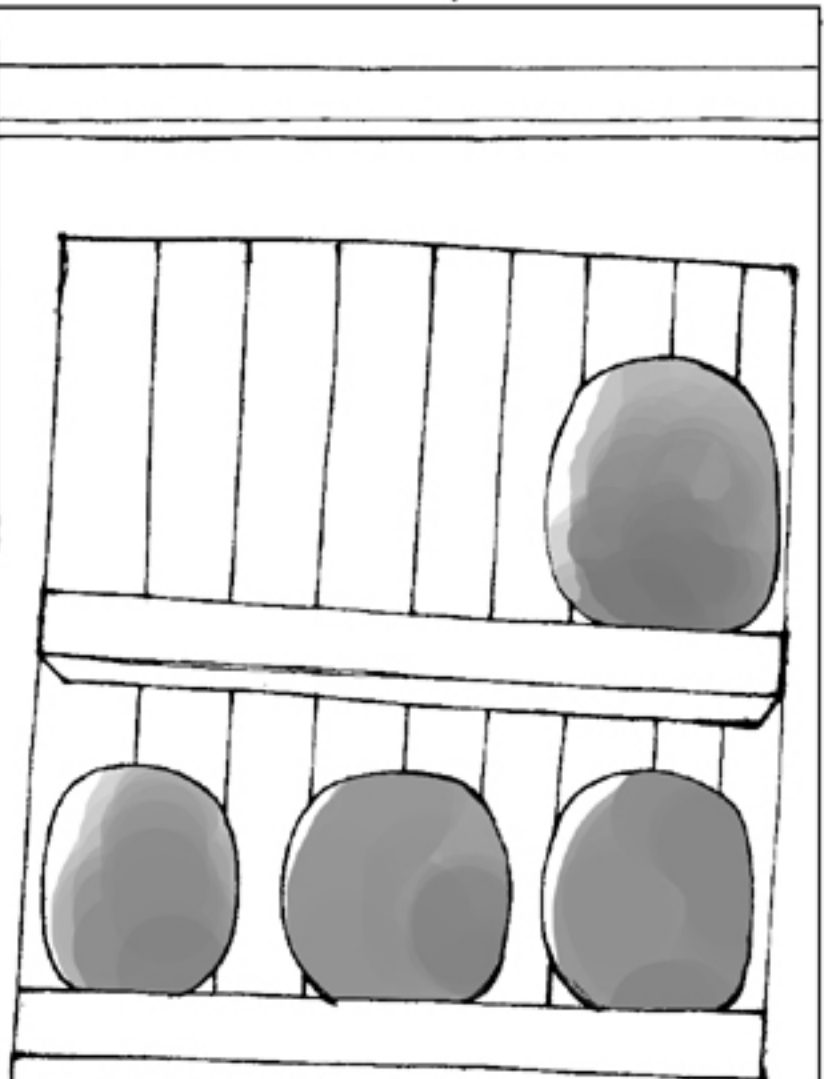

You must be patient

Mam I am hungry

You had a meal some time ago, didn't you?

hm?

We can never thank you enough

I want that grape

What are you saying? You have accepted it a little while ago

Mam I want grape
