The logo is a vibrant, stylized graphic. It features the characters 'H妹と' in a yellow font with a pink outline, positioned above '変態' in a pink font with a yellow outline. Below these is '日常' in a large, bold pink font with a yellow outline. At the bottom, the characters 'せつすな' are written in a smaller, pink font with a yellow outline. The entire text is set against a background of pink and yellow wavy, cloud-like shapes. A thin pink line with two small pink circles at the end curves around the text from the left and top.
