

A close-up photograph of a man's face, which is the central focus. He has a pained expression, with his eyes closed and his mouth slightly open, showing his teeth. A large, dark metal instrument, resembling a pair of pliers or a large needle, is positioned vertically over his mouth, with its tips resting on his lips and teeth. The man's skin is dark and appears to be sweating or glistening. He is wearing a white garment around his neck. His arms are raised and held by a pair of large, dark, muscular hands. The background is a blurred, outdoor setting with some greenery and a greyish ground. The overall tone is dark and graphic.
