

Eisha 135cm 32kg

Aisha is a reincarnated girl who is trapped in a box garden and is an expert archer. She was defeated by the "witch of the garden", Vignette, who raped her directly and taught her pleasure. In addition, she is attacked by tentacle monsters...

Quktis 126cm 27kg

She has a sexual mage mentor (female) and is a wizard herself. She has been experimented on and played with by her master, and her clitoris has become incredibly sensitive.

Her personality is gentle and kind, rather than lecherous. However, she likes to feel good.

Masturbate : Average of 35 times per day

***She lifts her skirt with magic.**

Sonic wave vibration device

Vibrates the clitoris with sound waves without direct contact. Does not consume sexual sensation because it does not touch directly.

In addition, it can be used on the clitoral root and the clitoral groin area, which are buried in the flesh, so they can be fully massaged for a wonderful sexual pleasure.
