

I guess, she's been out a lot lately.

Huh? Mom's not here today either?

And she won't tell us why...

I've used the secret sauce today.

Ufufu~♥ I did my best to make it.

The curry is super tasty!

Big Sis - Maho

Lil Bro - Ren

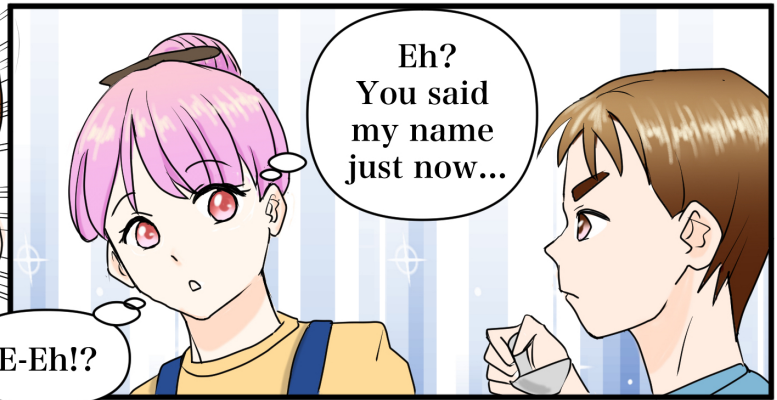

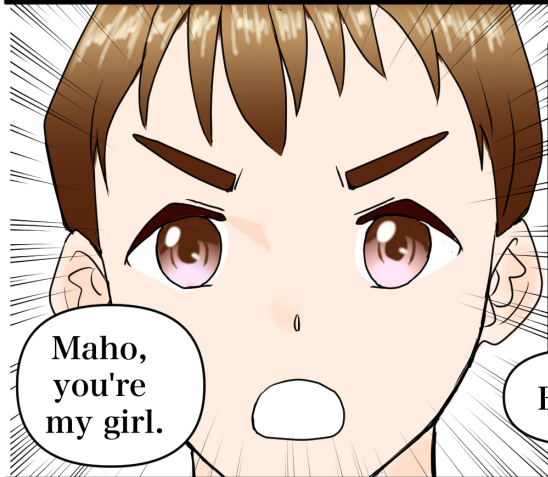

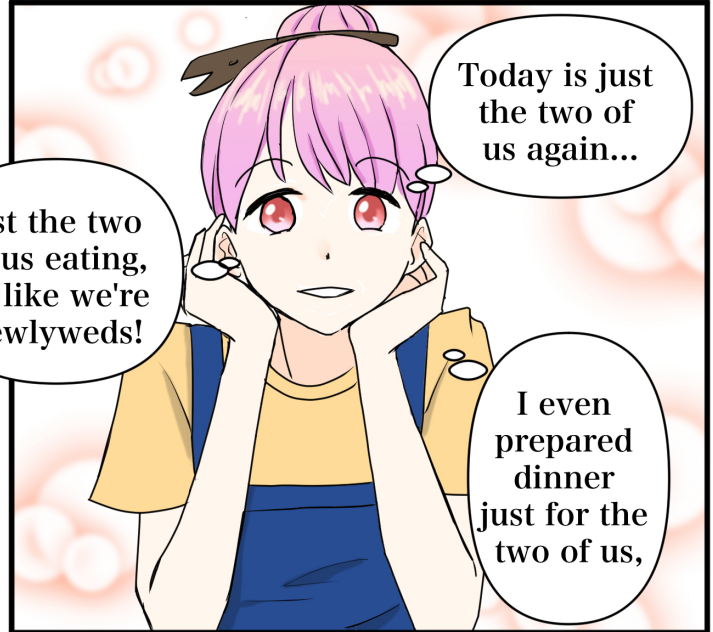

My sister doesn't have big boobs, but I like her because she's naughty (Thing of love)

And there's a lot of refills.♥

Ren-kun!
How many
friends do

I invite?!

Right,
I have to book
a wedding venue!

Wh-What
do I do?!

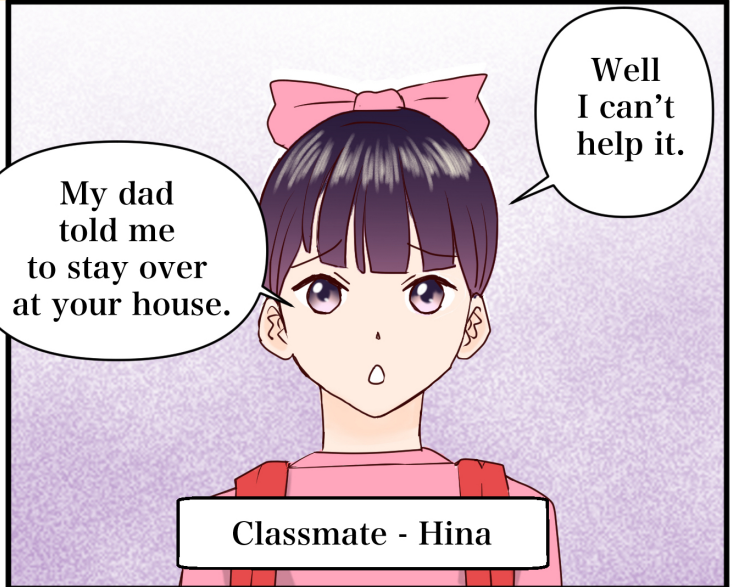

How are you
able to show up
at the best time?!

Eh?
What do
you mean?

Hm?!

My dad
told me
to stay over
at your house.

Well
I can't
help it.

Classmate - Hina

Didn't you know about this?

Um...

Hehe, I'm not gonna tell you.

Eh, about what?

Sure.

Can we sleep together?

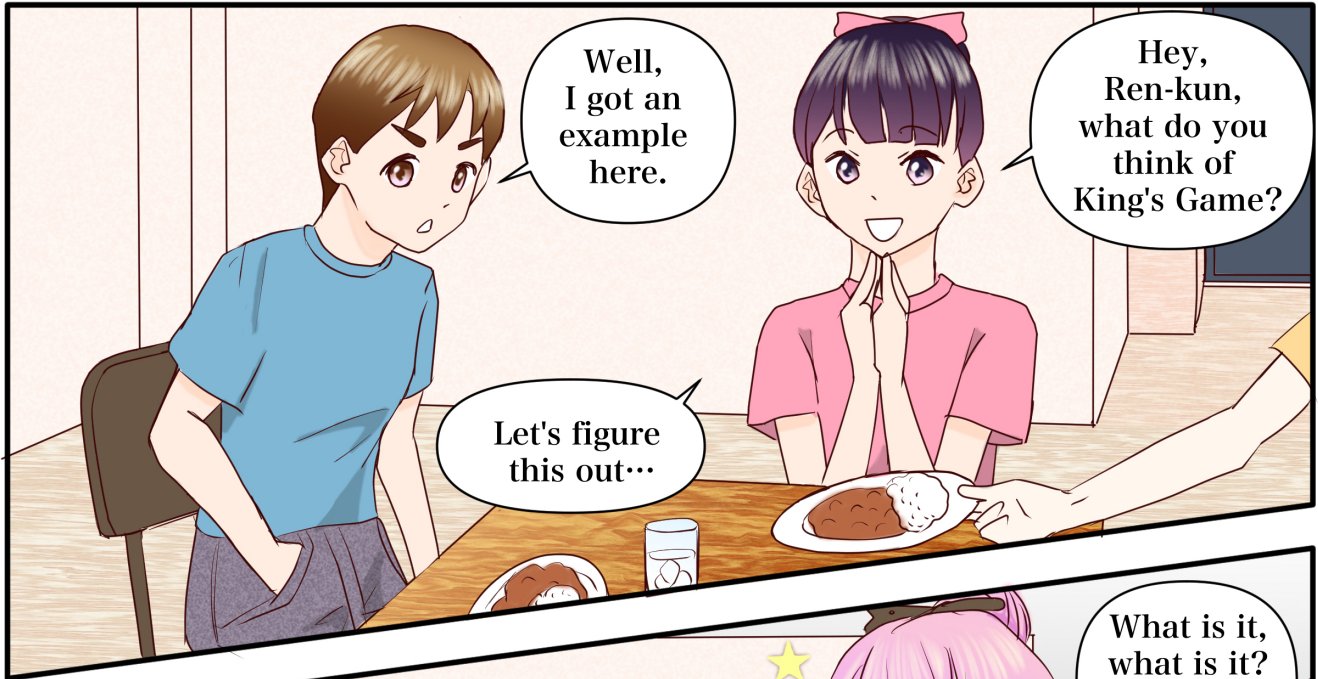

I don't mind it.

Ah, Ren-kun, you're having curry?

Yeah, it's delicious.

Ren-kun, I'm staying at your house today.

Well, I got an example here.

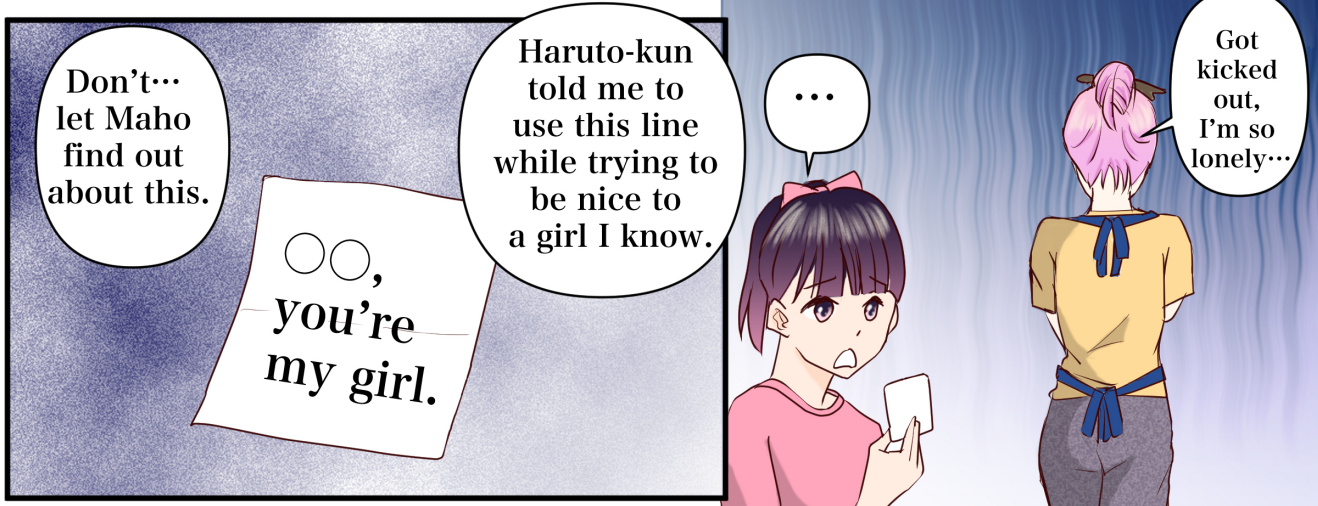

Hey, Ren-kun, what do you think of King's Game?

Let's figure this out...

This is a recreation for our school trip, you're the outsider here.

What is it, what is it? Let me in on it!

Don't... let Maho find out about this.

OO,
you're my girl.

Haruto-kun told me to use this line while trying to be nice to a girl I know.

...

Got kicked out, I'm so lonely...

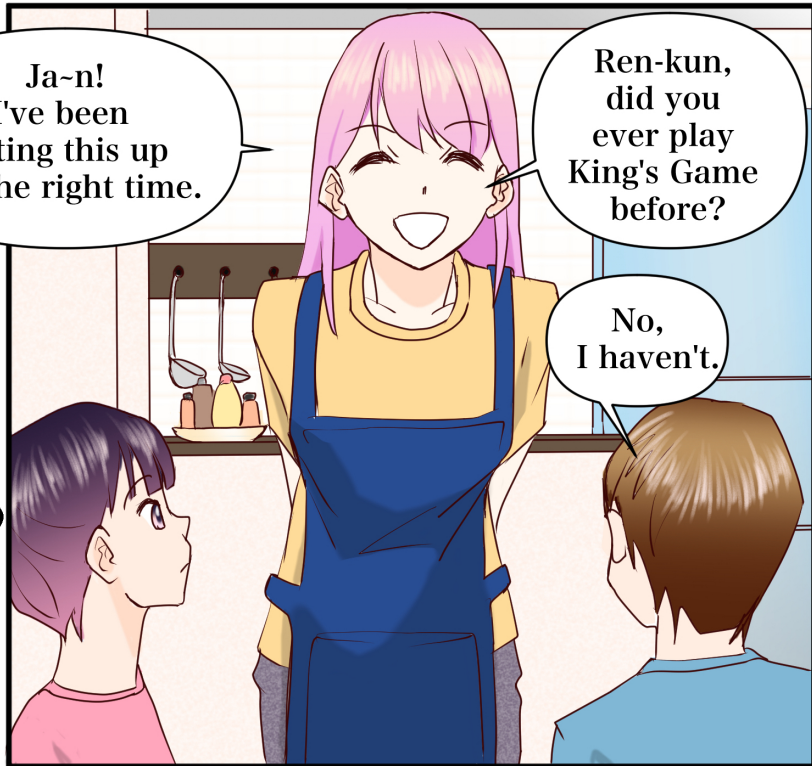

Ja-n!
I've been
setting this up
for the right time.

Ren-kun,
did you
ever play
King's Game
before?

No,
I haven't.

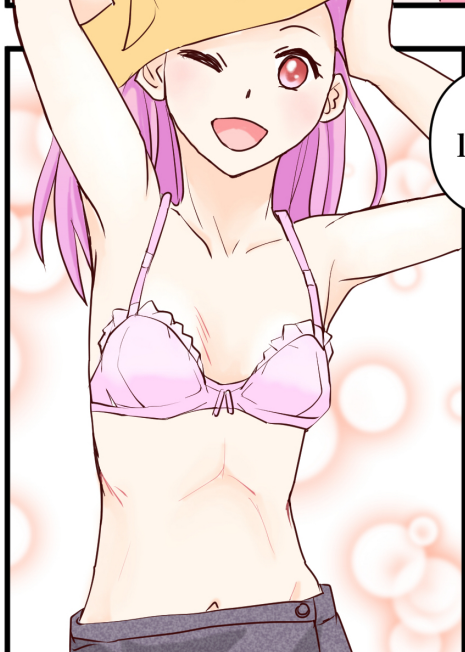

Ah...
looks
suspicious.

Let's get
to playing,
then!

If I find out
it's one of
your antics,
I'll have to
back out...

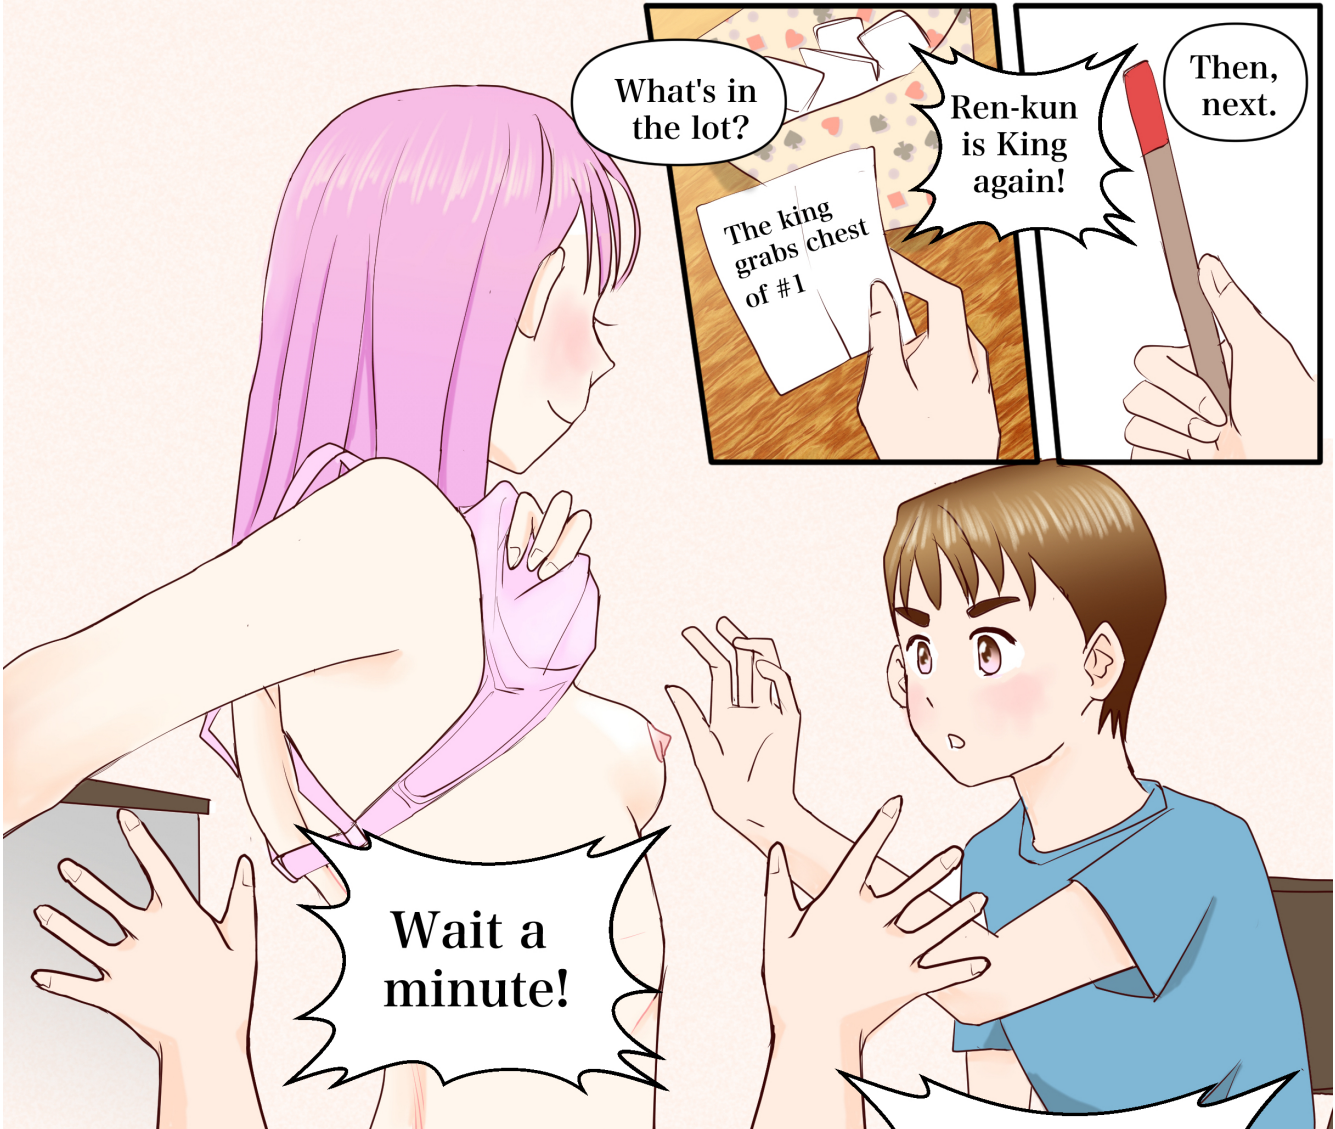

Hina-chan
can join in
as well.

Now,
let's draw
out lots.

Great!
Ren-kun
is the King!

What's in the lot?

The king grabs chest of #1

Ren-kun is King again!

Then, next.

Wait a minute!

The naughty ones are the "Fake Confessions" and "Seashelle Ties"!

It won't do any good if the classmates cry!

Skinship is important too!

How about you go clean up dinner!

Stop teaching him weird lewd stuff!
