Hey, does that sound strange?

**If you ask me,
I can hear a faint sound.**

I'll ask the teacher.

Thanks

whoosh...

whoosh...

Hey, does
that sound strange?
I don't hear it at all.

whoosh...

You hear something?

I don't hear it at all.

Eh...

It's so quiet that I don't even notice it.

but it's still ringing.

That's strange.

whoosh...

Hey! I just talked to a teacher.

The image shows two anime-style female characters in school uniforms. The character on the left has long black hair in pigtails and is looking towards the character on the right. The character on the right has short brown hair and is gesturing with her hand while speaking. The background is a dark green chalkboard.

**It's a problem with the
broadcasting equipment.
I was told to be patient for a while.**

**Thanks.
It's a small sound.
So It's no problem.**

1 hour later

Yes!
It's time for school lunch!

**Are you such a gluttonous
character?**

**Not really. But
I'm hungry today.**

I'm hungry today, too.

**Oh, yeah.
Tomorrow's the test.
That sucks...**

**I haven't studied at all.
I guess I just soaked it
in overnight.**

We are going home early today.

Next morning

**Good morning! What's up?
You look so happy.**

**Nothing. I washed my
face this morning.
My skin felt so soft.
I just feel good.**

I know exactly what you mean.

whoosh...

Good morning

Oh, Hobbit Woman.

You're looking good today.

whoosh...

Always, don't say hobbit!

You look like a hobbit
so I can call you that.

Ha ha ha!
Come on, class is
about to start.
See you soon.

Oh, I'm so frustrated!

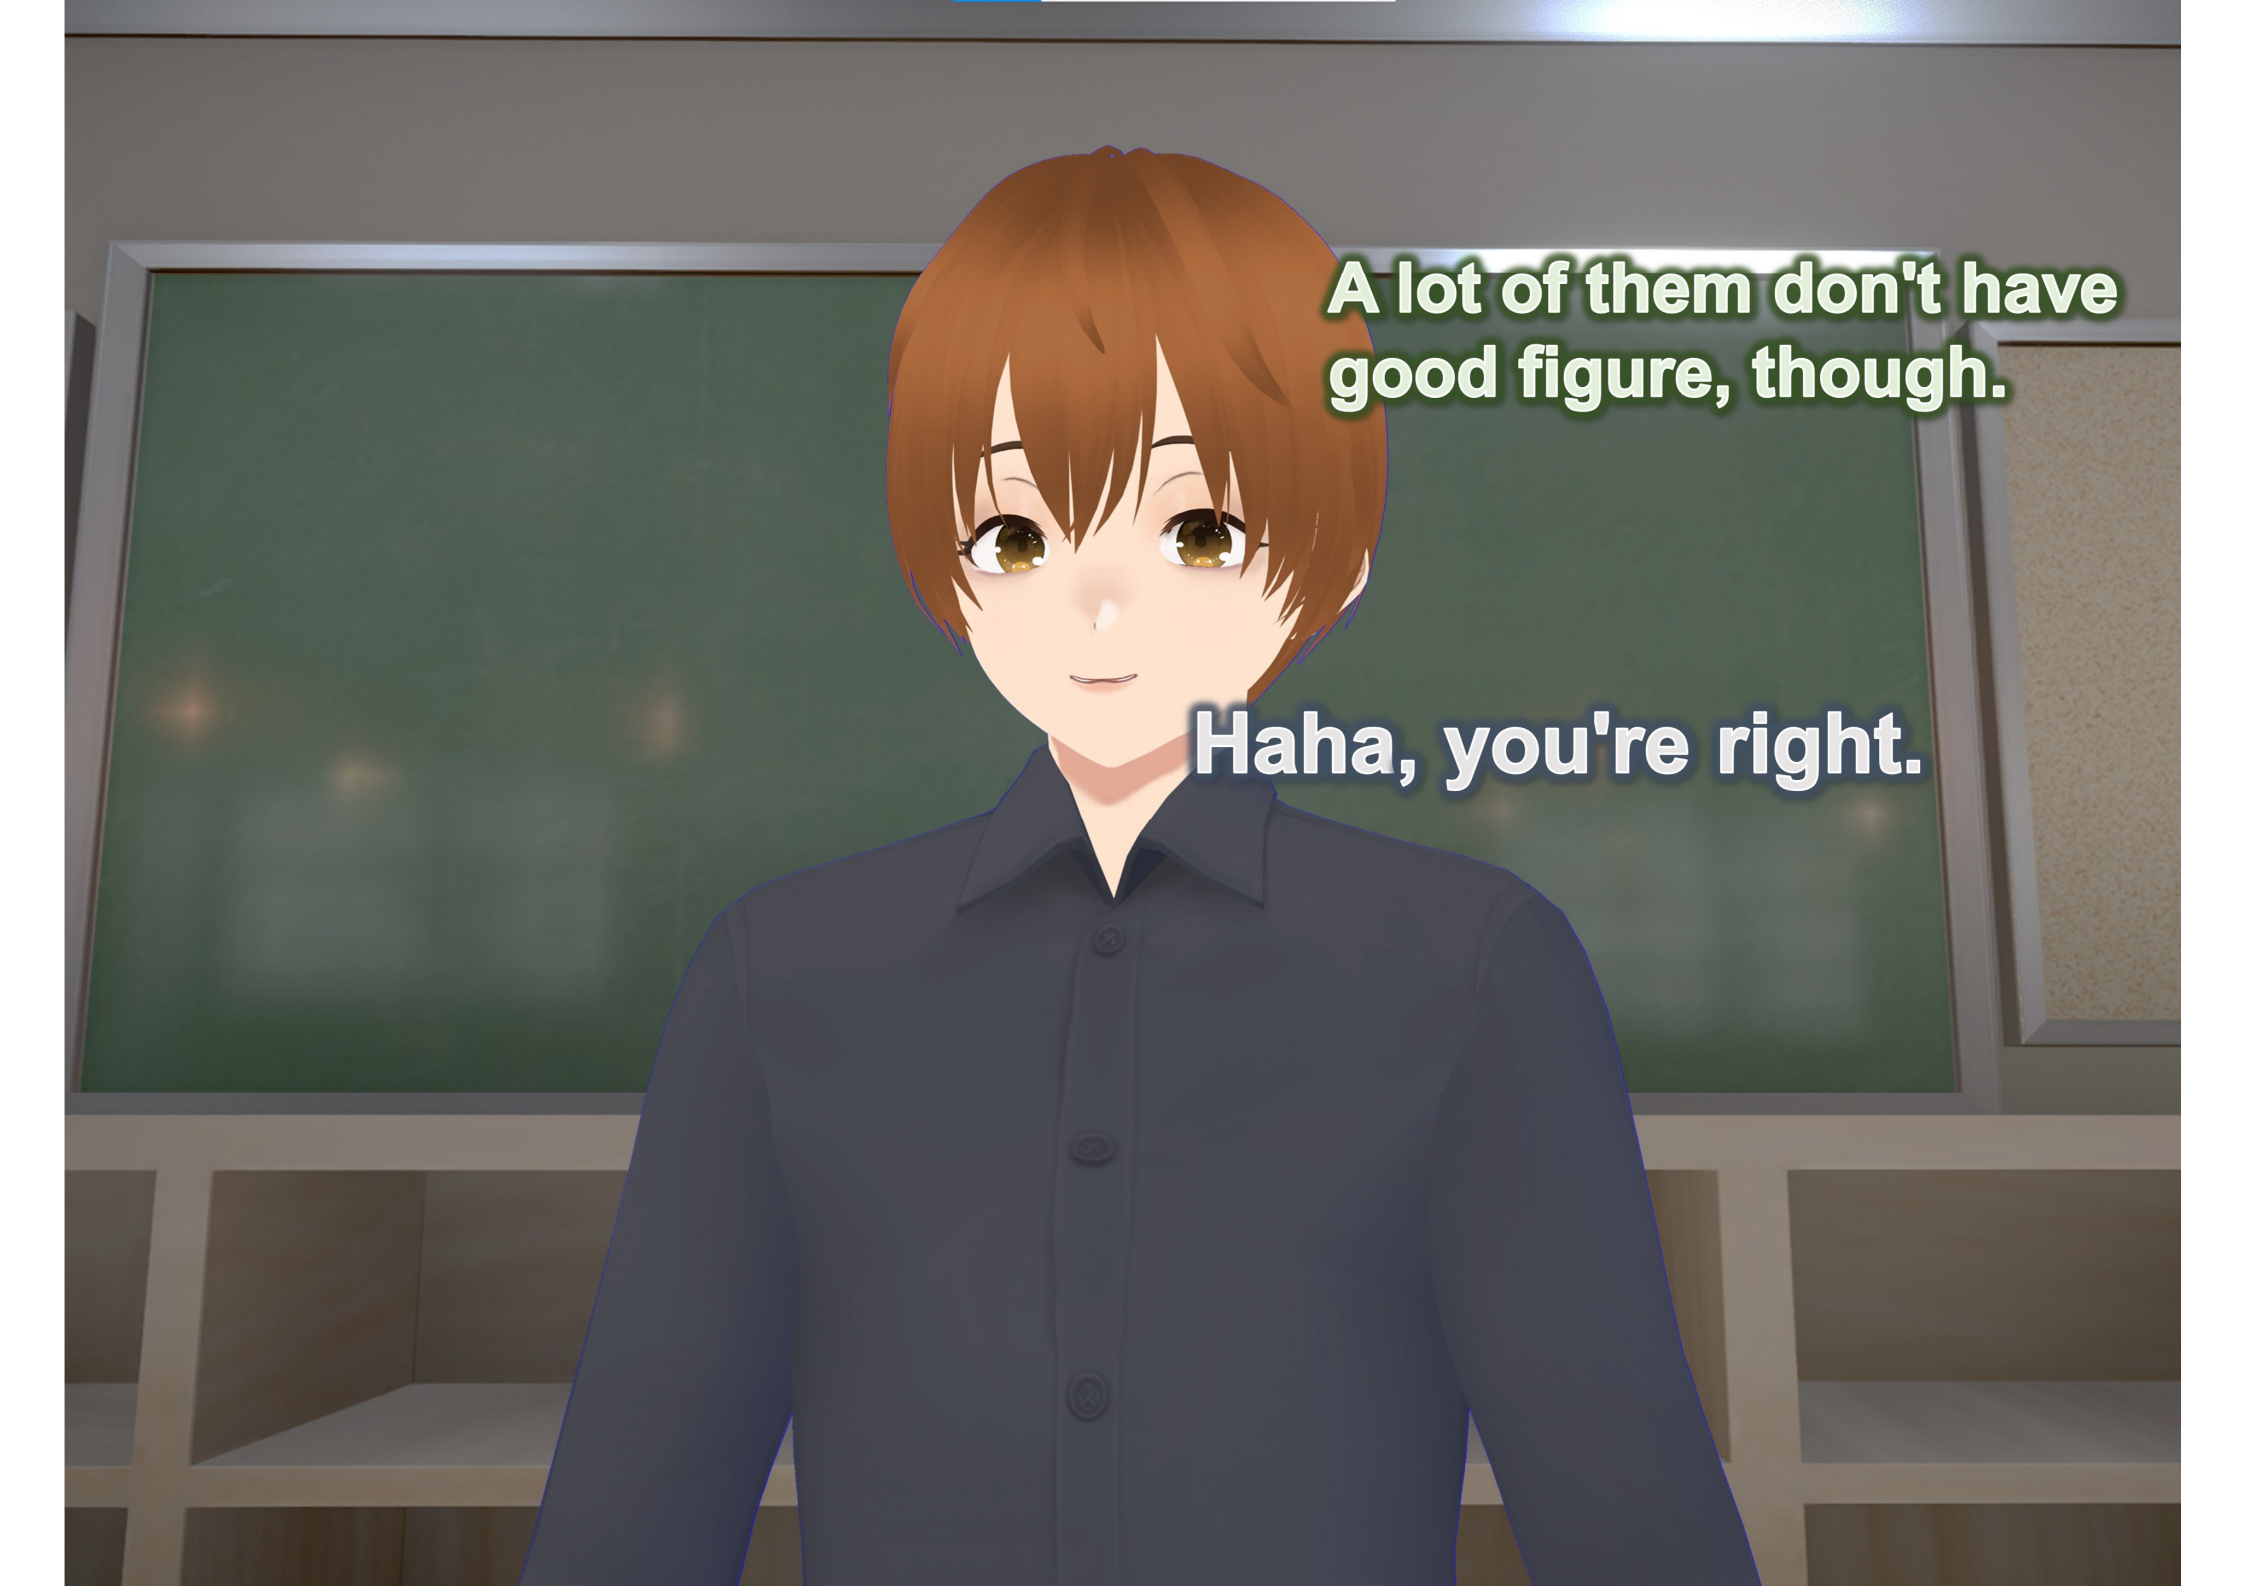

Don't do it!

School lunch

**Many of the girls in our class
are pretty, aren't they?**

**A lot of them don't have
good figure, though.**

Haha, you're right.

I'm hungry today too!

Speaking of which...

We can still hear that weird sound.

**They still haven't fixed
the broadcasting equipment.**

Oh, yeah.

I'm used to it now, so I don't mind.

After the test

Just the overnight portion. It was perfect.

That kid was on a roll, huh?
Well, less than me.
