This book?

I can't reach it.

Thank you!

I recommend this book.
Would you like to talk a little?

Yes! By all means!

I didn't expect it to turn out that way.

The battle scenes are also very powerful.

That's one last special kick!

Yes it was! It was great!

Would you like to talk from time to time in the future?

Come on! I'm always here.

Yhah!
I'll definitely be back!

You read difficult books.

I like to take my time reading difficult books. How about you?

I'm an idiot, so...

I'm just an occasional reader
of simple books.

How about getting into
the habit of reading first?

Yes!
Thank you!

**For now.
I'll borrow lots of books.**

I like the line on page 243.

You remember it well.

That's right, I remember every book I read.

What, all of it?

Otherwise, what's the point of reading the book?

Lately I have been able to reach
some of the books on the top.

I took it for you last time.

I'd love to read your book sometime.

Your breasts are right in front of me...

What's wrong?
Let's go choose a book.

I've been reading at a faster pace lately.
I have to borrow them over and over again

An anime-style illustration of two girls in a library. The girl on the right has black hair in a braid, wears a white short-sleeved shirt with a blue and red striped tie, and a dark blue plaid skirt. She is reaching up with her right arm towards the top shelves of a bookshelf. The girl on the left has short black hair and glasses, wearing a light blue vest over a white shirt. She is looking up at the first girl. The background is filled with bookshelves containing many books of various colors and sizes.

I'll take the higher books for you.

Wow...
