I can straddle
the counter,
too.

Oh!Wow!

"Growth sound" grows only girls, not boys.

 growth sound

The sound is secretly played over the school's public address system.

Oh, welcome!

Thank you for visiting us!

**You must be seated at the
counter as usual.
Let me show you around.**

A man with short dark hair, wearing a white collared shirt and a tan vest, is sitting at a wooden cafe counter. He is looking towards the right.

I'm a regular customer of this cafe.

I'm here to have a chat with the owner.

I usually sit at the counter led by this cute girl.

**Coffee, sir?
Thank you for everything.**

Because I enjoy talking with you.

OK

Owner!
Omelette rice has been ordered.

The counter here is too high!
Hey, we're in front of the customers!

It's fun to watch the interaction between her and the owner!

Thank you

Please continue to patronize us!

At School

**That's a strange sound coming from
the school's public address system.**

<Average height of women>

Welcome

Let me show you to your seat at the counter.

Huh? I feel like her mood has changed.
Is it my imagination...

...that's interesting.

That's right. So, you know...

Owner!
Hamburgers are ordered!

Huh? Hey!

Customer.
How can I help you?

**You! You're getting taller, aren't you?
The counter used to be as high as your chin.**

I think I might have.

Owner! Would you mind putting your back to her?

Like this?

**Yes, that's right. And...
With the ruler here...**

The height difference is about **12 cm**.

How close can she get to the owner's height?

Can I check it regularly from now on?

Yes, of course.

At School

I'm hungry.

<Average height of women>

Welcome.

Let me show you to
your seat at the counter.

**It's been three days.
Huh? Is she at the same eye level as me?
No way...**

**Hey, owner!
I want you to bring that girl.**

Yes, sir.

Owner!
Did you call for me?

I knew it!
You've definitely grown taller!

Oh?

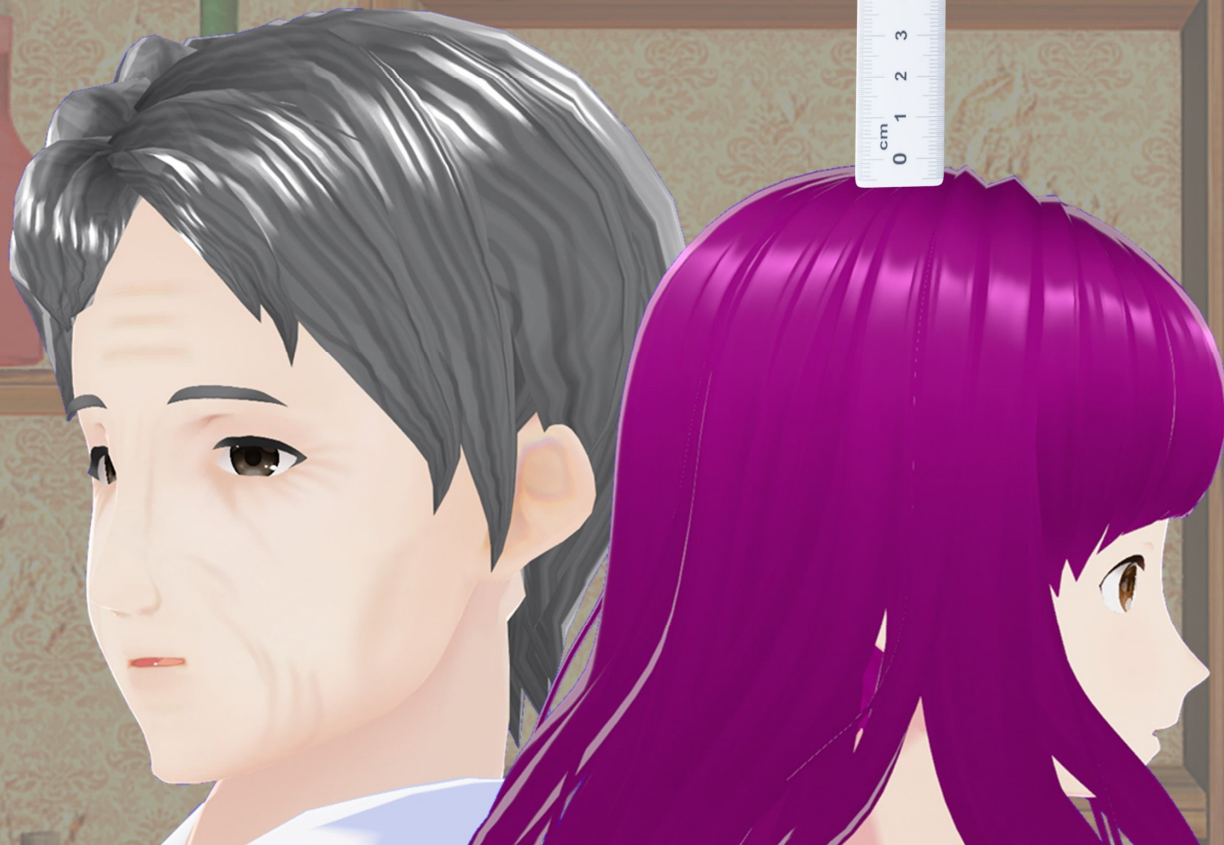

Now you two, back to back again!

The height difference is **3 cm!**
It's only been three days!

You've grown **10 cm in 3 days!**

Too fast!

I'll definitely come back!

Please let me measure your height again!

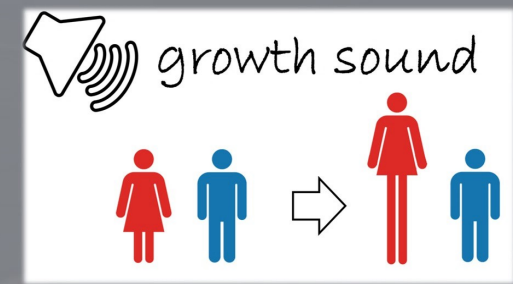

Yes, please!

**I don't feel like I've
grown at school.**

At School

**I'm working part-time
at a café today too!**

<Average height of women>

Welcome

Let me show you to
your seat at the
counter.

**It's been six days.
Huh? Am I looking up at you?
Has she passed me in height?**

Isn't that girl taller than the owner?

Really?

Excuse me!

Ya?

What's wrong?

You are grown!

That's strange.

**Did anything
change recently?**

Something changed...
Oh, did you change the meat for the
hamburgers?

Because of the recession.
I increased the pork ratio
to cut costs.

How did you notice the difference in taste?

**Well, I had them yesterday.
So, I know what's in them.**

Oh, no, I see.

I'm about 4 cm taller than the owner.

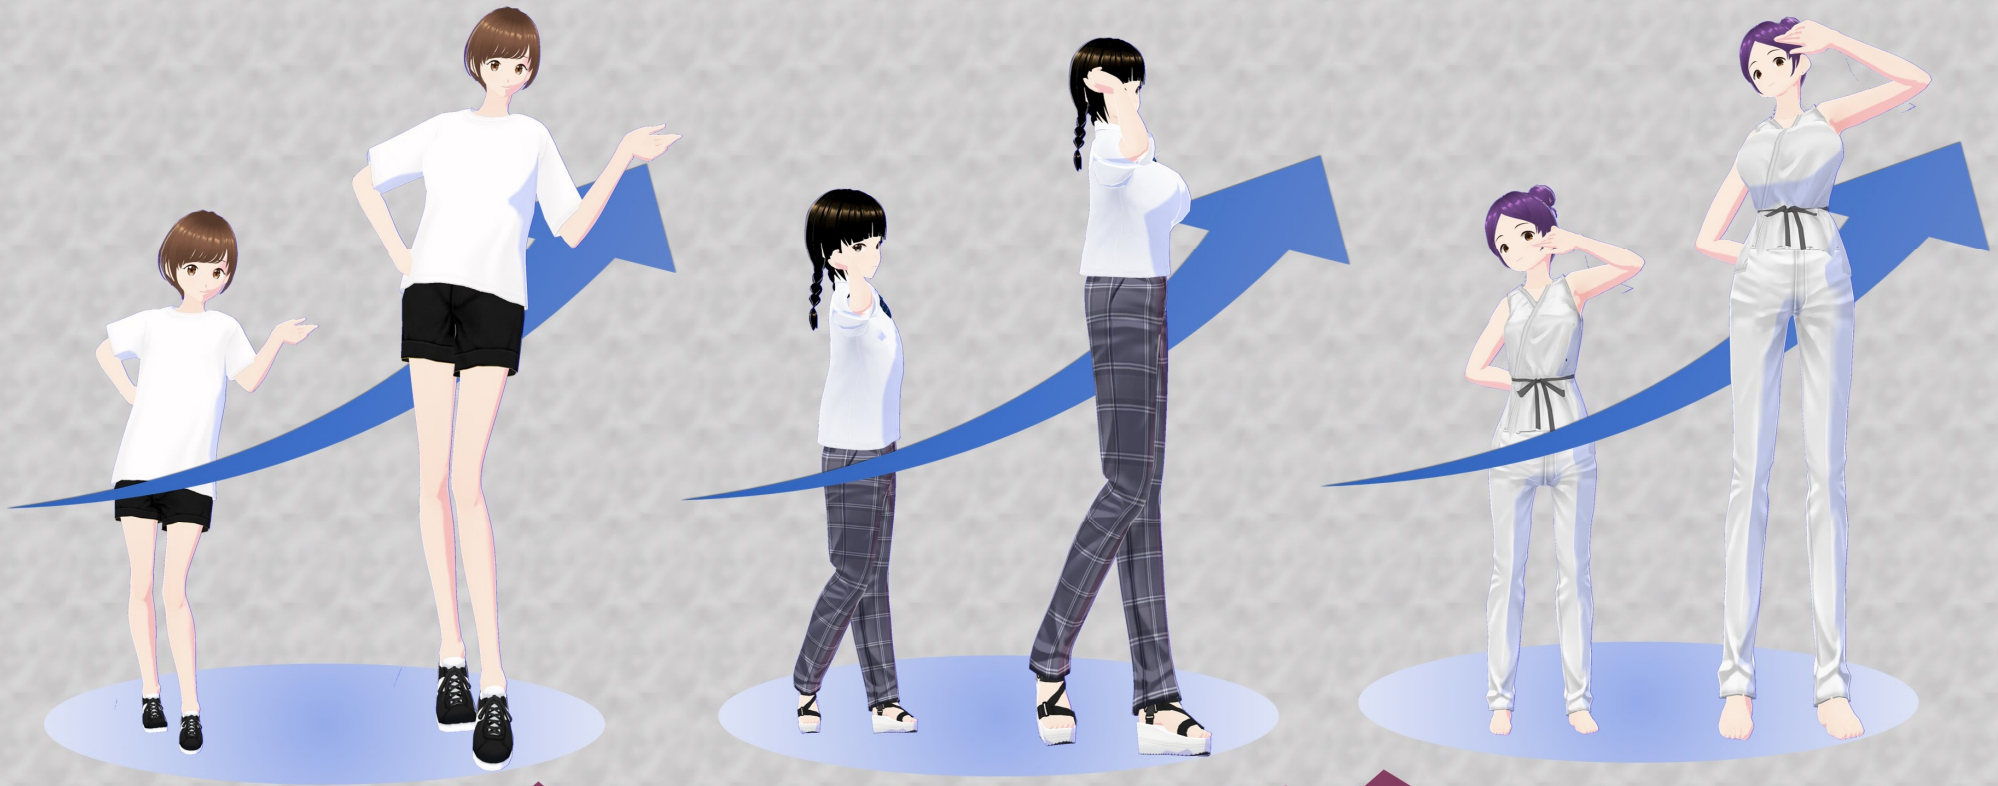

That's amazing. It's only been a week.
