Fulfilling my ambition to
build

the world?
What does it mean ...
The man I expected!
Also, I'll ask you tonight ...

You can afford that
Do whatever I can from now on!
Sigma master

Hmm!
I accepted this
dangerous thing
because it's a high reward!
It's all for money!
MONEY!

Nice view.....
Your body is beautiful and
looks like a sculpture!

Dynamo
take off
your rubber
suit and
show your beautiful
back

Is it
again?
I love seeing my ass, Master
What's up looking at
a man's ass Is it fun?
It can't be helped ...

Nice view !

Two elastic bulges that are tight to you!
The privilege of the leader of the Repliroid Rebels to be able to appreciate the beautiful butt in this way!

I'm dying!

I have another request for you who is such a talented person is that okay?

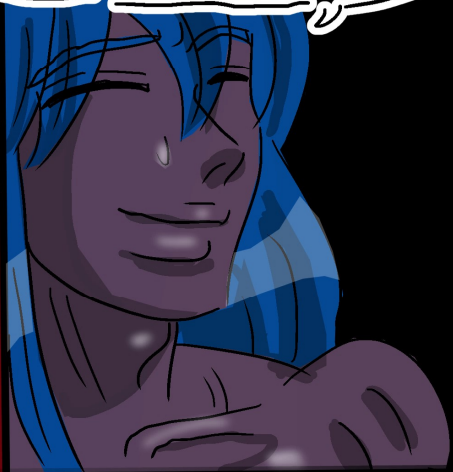

Looking at your male butt
Obscene cock and anus
It can be seen through!

What are you doing?
I'll listen to whatever Sigma says!
So what is it?

PLEASE!!
頼む!

...Huh?
What did you say now?
Is it my mistake?

Will you sell your pants?

No, what does it mean to prostrated and pay for the pants I took off? I don't understand the meaning too much I mean, if that happens it looks like I'm bad can you stop me?

Will you sell your pants for 10,000 Zenny?
If that's not possible, take it off now and I'll give you 50,000 Zenny!

When I look at your erotic buttock I get horny and I want your pants that hold your nasty lower body at all costs! please!

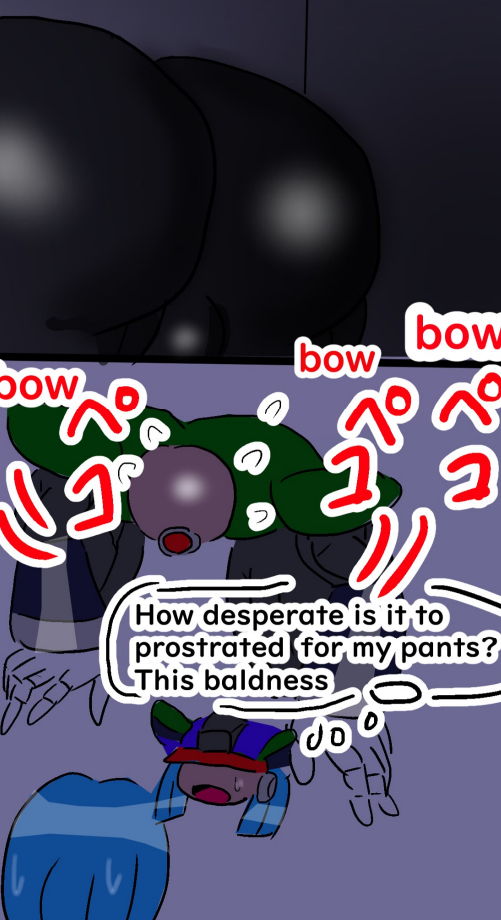

I'll sell my pants for you

WOW!
Nice view♡

HWA
おせー

bow bow
How desperate is it to prostrated for my pants? This baldness

Master...
Is it okay for your head to really
put out 50,000 Zenny on my pants?

Even the Brucella shop, which sells
underwear for high school girls who
have tens of thousands of pants that
I took off, doesn't have such a
high price ...
Is my used underwear so valuable?

The idea of the leader of the Repliroid Rebels
to pay a lot of money for dirty pants that are covered
with my sweat and filth and look like lumps of
germs is on a different scale .
I can't keep up with your too novel ideas

Yummy
But show me
your cock that
I'm most
interested in

Save it in Minigrip and
make it treasure for the
rest of my life!
It's not a bad idea
to wear your eagle's
head and taste
your used underwear!

Finally the long-awaited
handsome Freshly taken
off raw pants!
This warmth! smell!
Sniff
Sniff
Embarrassing stains
and hair on your cock!
Such rare items are rarely
available!

No matter how many times
I see it I will fall in love with
your body Your erotic ass !
In addition, the testicles of your
pre-preparation and the big cock.

I that asserts itself as
much as this!
I'm happy to be able
to hold your Provocative
body like this!

Dynamo
It's really a shame
to shoot a male
pheromone
at this moment and
provoke!

PLFF
PLFF ♡

You're really
uncomfortable!

master

When I look at such
a nasty lower body
