Aoi transforms into Aoi and

"Hey, is there still such a guy...!"

Someone was watching it
through a monitor.

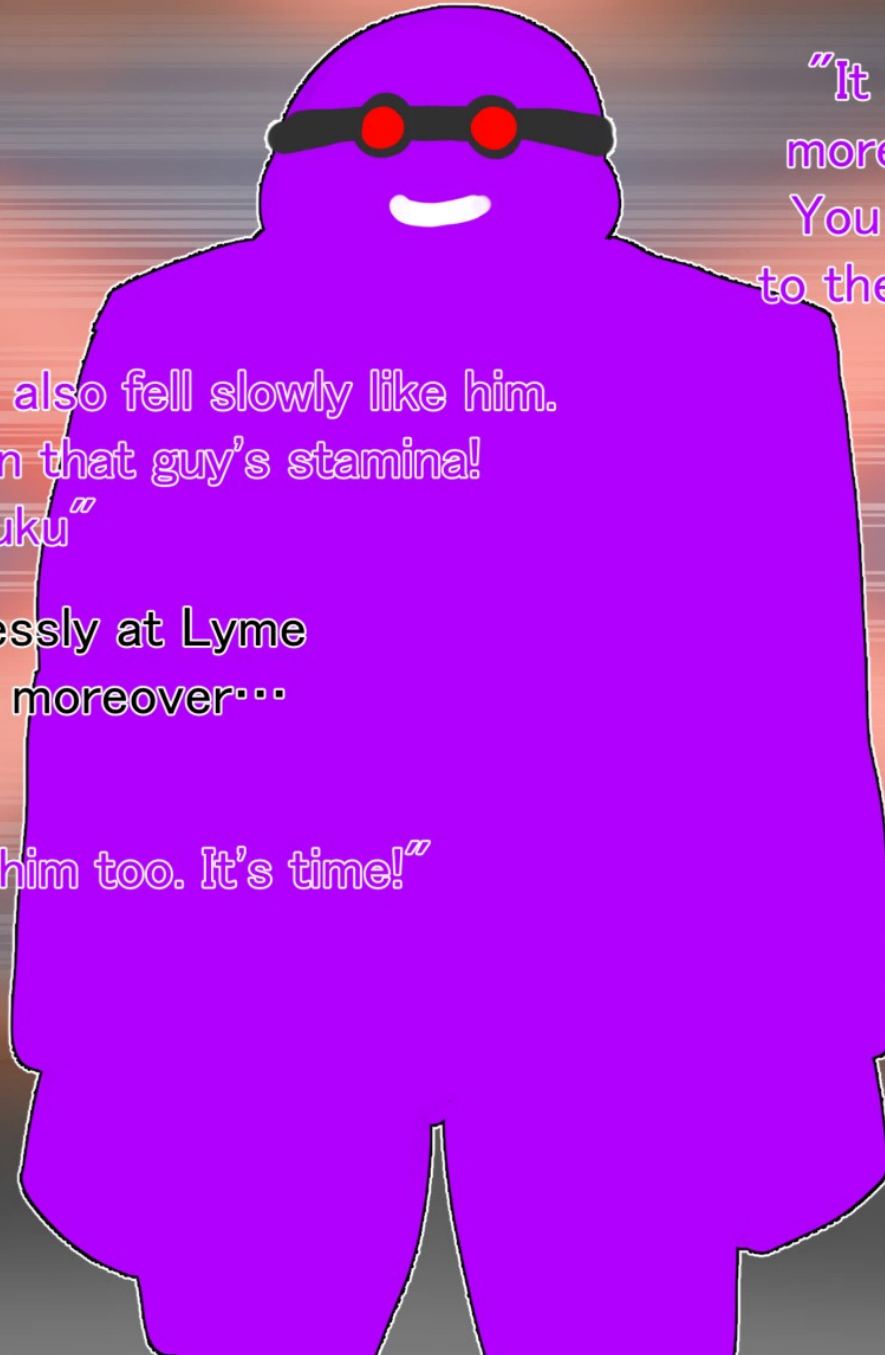

He is the Bad Cross scientist "Doctor Biggle". Hideout
I was monitoring the fight between Aoi and Raimee from.

"It looks like you're having
more trouble than I thought...
You seem to be accustomed
to the way you move and fight."

"Well, it's okay, this guy also fell slowly like him.
Let's go...Rimey, drain that guy's stamina!
Kukuku"

Biggle smiles fearlessly at Lyme
Send her support. moreover...

"Just in case, let's send him too. It's time!"

キ イ イ イ ...

"Yes, master..."

"Haaaa!"

Transform into Rusty Blue
Aoi fronts the Bad Cross monster Raimee
However, he is caught in a momentary gap
and looks at the monitor

"There's a gap! That's it!!"

"Oh no!"

ガッ
!!
“Uhehe~, I caught you!”

“Kuh... let go!!”

For a moment, I saw
a hypnotic image on the monitor.
The moment my consciousness wavers,
Lyme clings to me
Restrains Aoi's body

"Kuh!"

Aoi struggles to shake off her arrest, but Lyme who never tries to break the restraint

(Kuh,
When this happens,
unleash your power...!)

Laine, who sensed Aoi's counterattack...

"I won't let you do that!"

"Oh!"

The moment you try to fight back,
Raimee grabs Aoi's chest
like sucking involuntarily
Aoi raises her voice

"Hmm, this guy... what, what!?"

"The fun is about to begin~"

"That's right!"

"Oh!"

(What is this...!?)

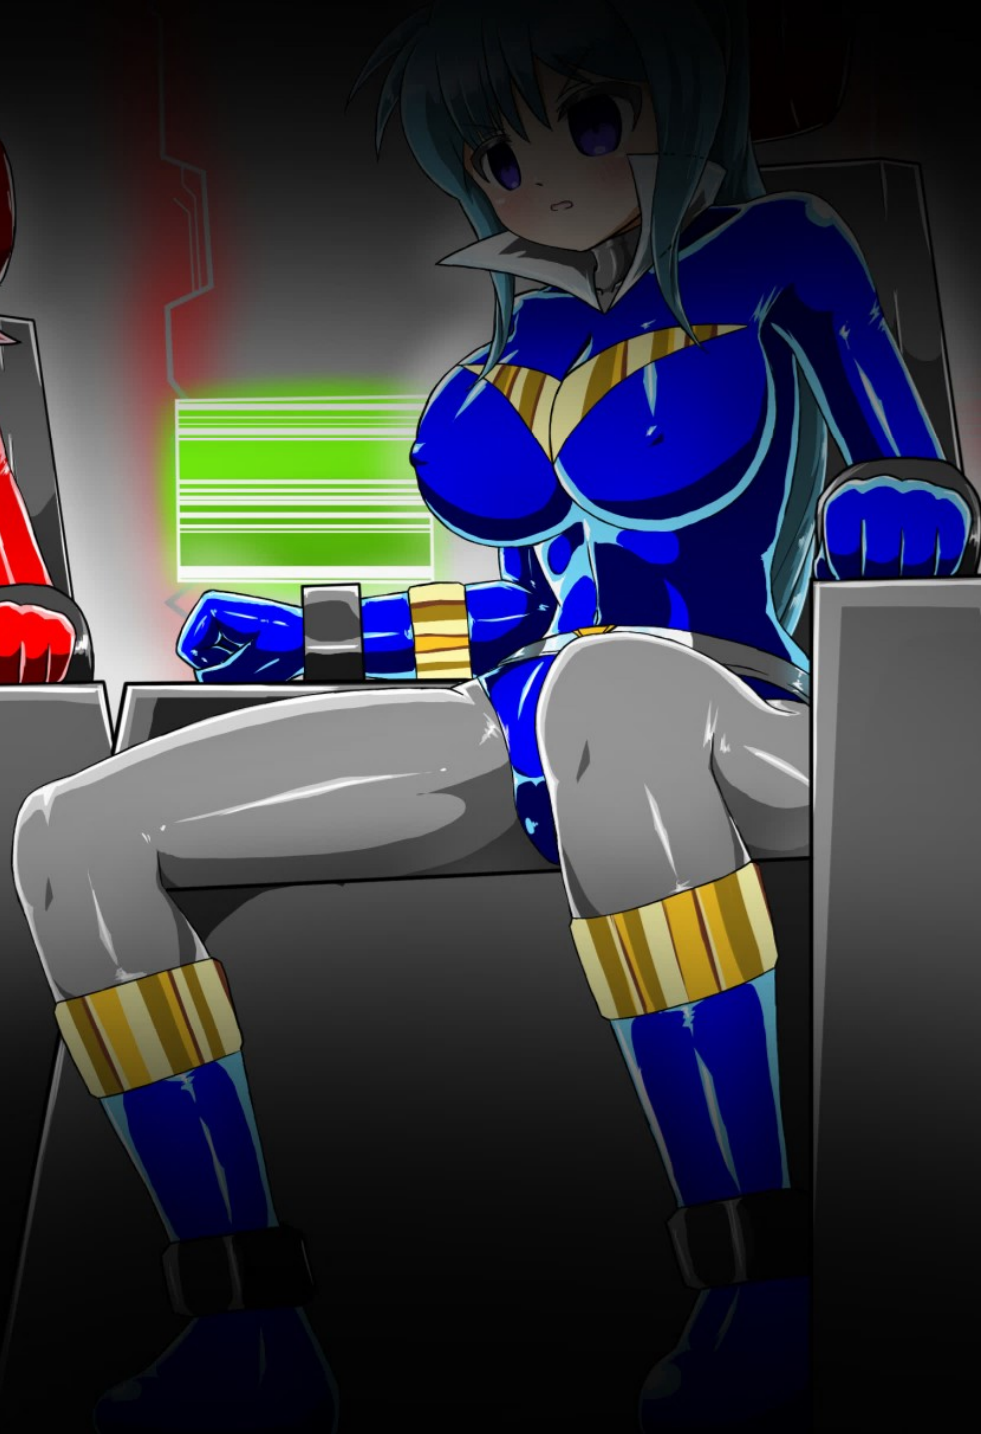

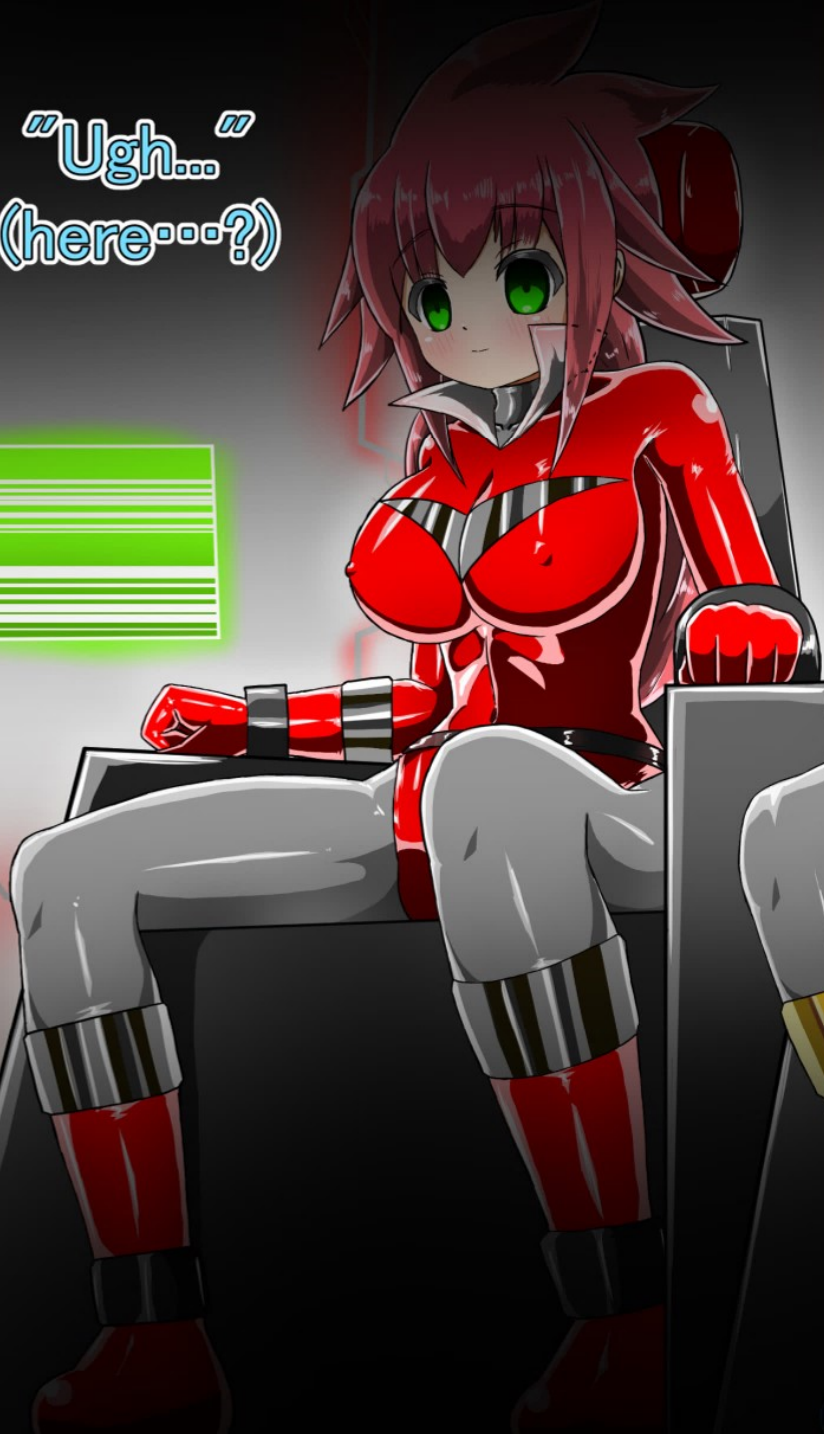

Uses tentacles to absorb energy from mallow's breasts
ryme to start

"Haa, haa"

(I'm losing my strength...it's bad,
I have to do something!)

A chance to escape somehow
even though my power is sucked up
Aoi asks

"Ugh..."
(here...?)

"That's right...
I'm fighting Bad Cross..."

"I can't move my body...
what!? This is...!"

Aoi who wakes up realizes
that she is restrained.

"Even so, this place...!?, you!"

"That's right,
I was attacked by you...!!
But why even you...!?"

I looked around, trying to
grasp the situation.
Akali was also detained

(I remembered...that time...)

pipipi...!

(Hmm...!
What? Right now...)

It's just a moment when I remember
that Akari was sexually harassed.
Aoi felt her body burning

Aoi Hoshino, a character with long blue hair and purple eyes, is shown in a compromising position. She is wearing a blue and white outfit and is being held from behind by a pair of large, muscular arms. She has a distressed expression, with a sweat drop on her forehead and a small frown. The background is a plain grey.

(I haven't done it recently,
so just a little...)

(But... I'm Rusty Blue...
Thinking back on that time,
something like this...)

I remember my mission and
feel guilty for masturbating
Aoi begins to hesitate to masturbate

(It's no use trying to resist...)

To drown out the self-control of
Aoi, a warrior of justice
When the nanomachine stimulated the
sexual feeling and was caught
in the bad cloth
Imprinted Hypnosis Eats
Aoi And Arouses Libido

"Ha, ha... uh..."

pipipi...
Kiiii...
"Hmm..."
(Well, again...)

"Hmm..."

Forcibly raised
without knowing
to provoke sexual desire
Aoi begins to
stimulate her breasts

The stimulus given during battle or when
captured in transformation form
feel ashamed that I am trying to masturbate
as my sexual desire increases

Pipipi...

"Uh... hm..."

"I can't hold back like this..."

Contrary to such Aoi,
I felt ashamed and

at the same time the nanomachines
Stimulate the sensuality of mallow

"Oh...!"

"Uhehe~,
next is this Raimee-sama~!"

Raimee extends tentacles and restrains Aoi, who is unresisting under the influence of hypnosis.

pipipi...
Kiiii...

"Ah... Kuu!"
(Oh, again...!?)

Stimulates sensuality in the same way that nanomachines send signals
While arousing Aoi's libido, she used to be on the verge of climaxing with Lyme.
Forcibly recalling sexual stimulation from memory

"Haa, haa, haa...!"

(If it stays like this...
if it stays like this...!)

Imagining what will be done to me from now on, my breathing becomes rough.

(No... stay strong!
I'm Rusty Blue!!)

Remember your mission as a warrior and call your own heart
Shake off the anticipation of climax and glare at Rhyme

“As expected of Rusty Blue!
But is it okay~? If you act quietly,
I'll make you feel better right away!”

“Don't be silly!

It was when Aoi tried
to release her power

Kiiii...

(But if I leave myself as it is...)

Previously cornered to the
verge of climax by Laimee,
“If, at that time...”
she imagined so many times.
Each time her body is hot and estrus,
Temptation attacks Aoi,
who was increasing
her expectations day by day.

キイイイ...

キイイイ...

"I'll stay like this until my uncles say it's okay... Let's get started then!"

"yes..."

Exhausting physical strength without knowing that the other party is a combatant disguised as an ordinary person. Due to the effects of hypnosis and nanomachines, the two are more obedient than usual.

"Well, from now on, the uncles will love that naughty body. Put your arms behind your head"

Kiiii...
pipipi...
"Uh..."

On top of being exhausted in battle, his consciousness is weakened by nanomachines and hypnosis. Their bodies were burning hot, and they didn't have the energy left to reject the men.

"Okay, that's fine!"

"Haa, haa..."

"Hey, what's going on!"

"Ah, huh... uh ♡"

"What a soft and huge breast milk!"

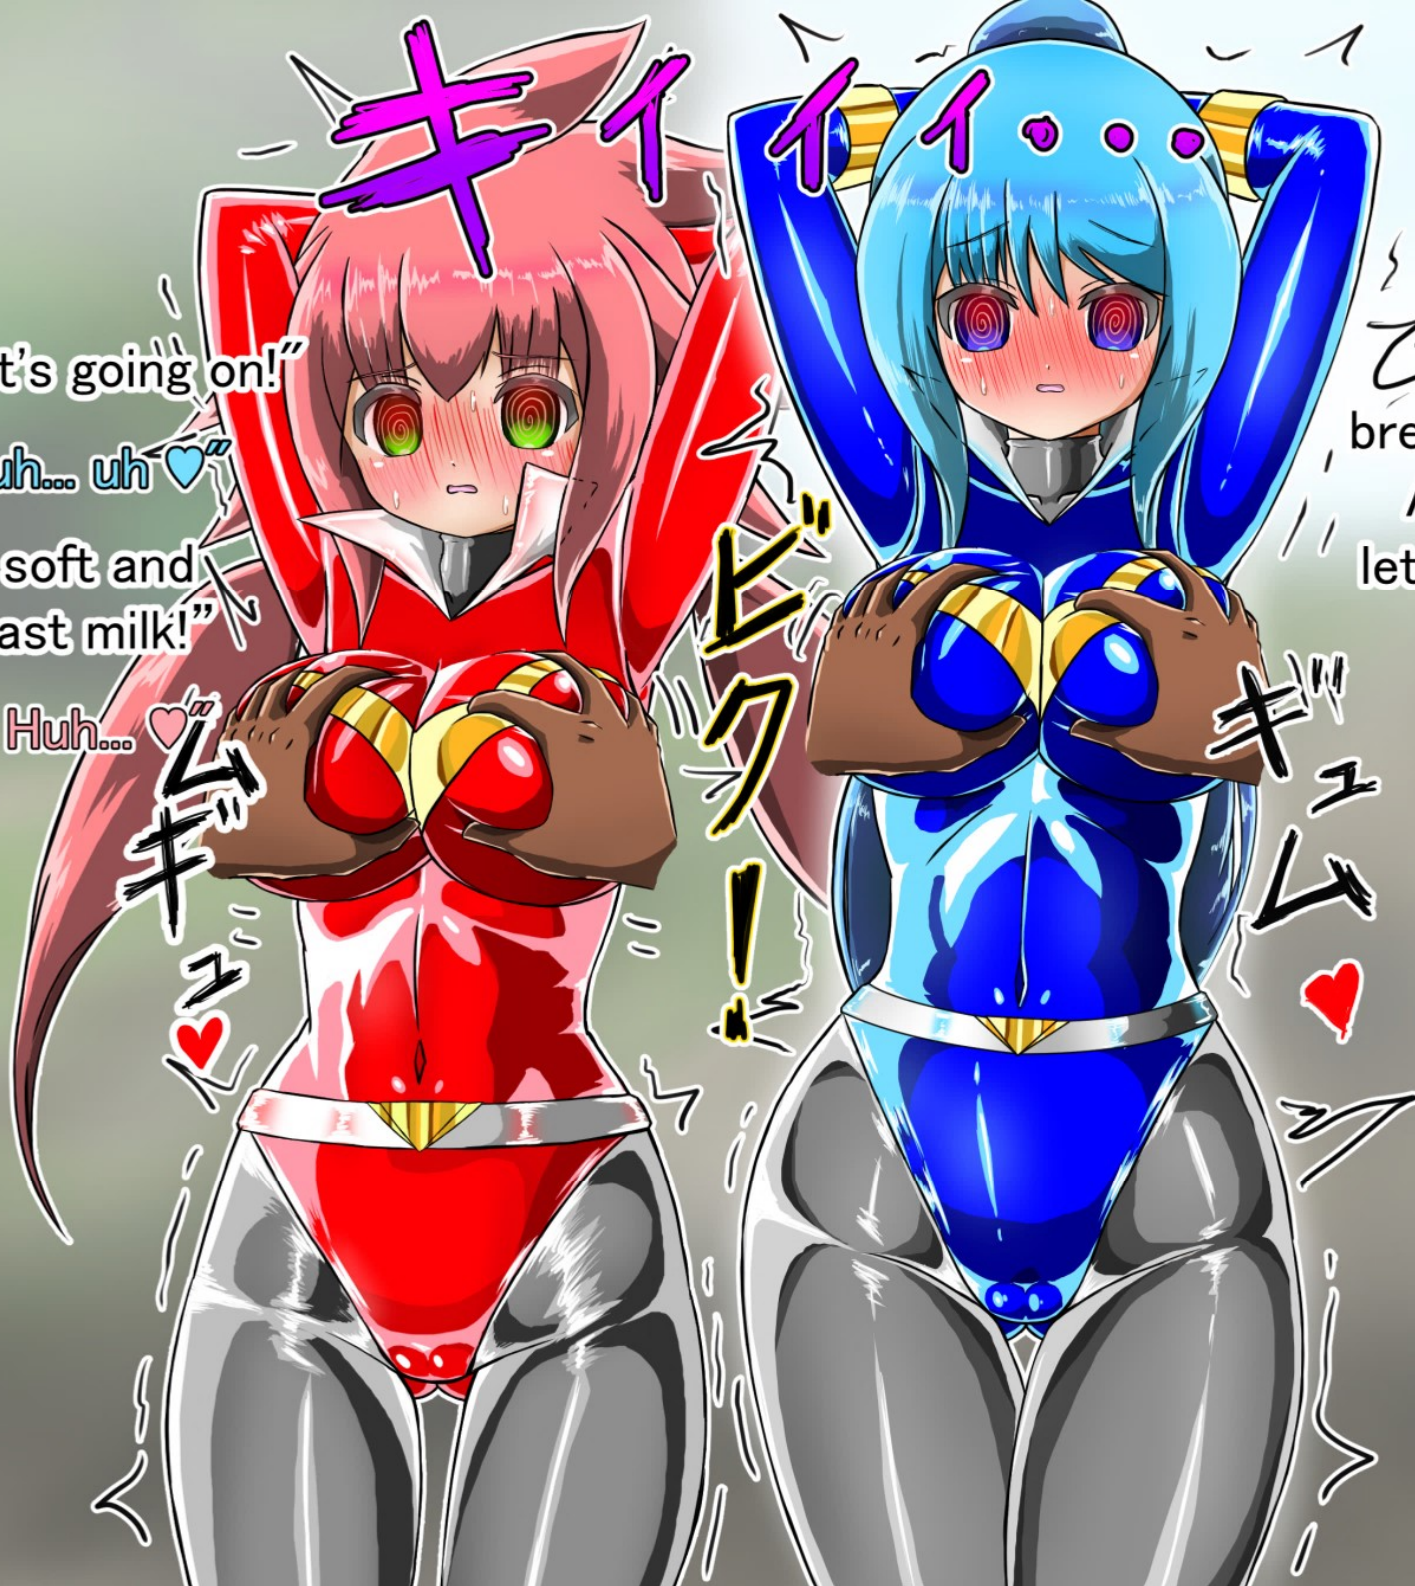

"Ah... Uh... Huh... ♡"

"Let's go!"

"Nuu ♡"

"Ah ♡"

The men grab the breasts of the two, and Aoi unintentionally let out a gasping voice.

pipipi...
kiiii...

"Isn't it unavoidable that your body aches?"

Pipipi...
Kiiii...

"No! No! Stop!"

(Ah♥, it's not just her body... her butt is hot too...♥)

"Come on, come over here!"

"No... let go!"

Biggle forced Aoi to stand up.

Attach the weakening device and turn the buttocks

"What are you going to do...?"

"Kukuku, you know that."

pipipi...
kiiii...

While denying Biggle's words,
The question and answer session
with Biggle in the hypnotic
state earlier was imprinted
While awakened by hypnosis,
by nanomachines
Increased desire not only
for the body but also for the anus

"Haa, haa, haa... ♡"
(What happens if the
buttocks are also violated...?
Even so, if I climax, I will... ♡)

"Ah ♡, hah, hah... ♡"
(I'm losing strength...
my body is hot... ♡)

The weakening
device began to growl,
Aoi writhes while feeling the weakness
and heightening of her own body

"Say hello as usual!"
