I can't join the men's soccer
team...**

**I'm the only girl...
No matter how much I practice
I can't keep up with the boys...**

Ah!

Pon

**I can't do any juggling at all.
I guess I have no talent...**

**The boys will keep getting bigger
and bigger.

Juggling practice...

Huh? I'm getting it done today without fail!

Just kick it straight and it will fall straight down, right?

Why couldn't I do something this simple...

Tap

Great...

**Now that I've got the hang of it,
I can do it forever!**

**Maybe I should just close my
eyes.**

Pon

Oh! Oh!
Even with my eyes
closed, I can control the
ball so easily with just
my senses!

**Flexibility exercises are not my thing...
If I lift my legs any higher, it'll hurt...**

**Huh! It doesn't hurt at all!
When did I become so flexible?**

spreading my legs...

We' ll pull each other...

**Eh? Have you reached your limit already?
I'm the only one who can spread it...**

drag

Does it hurt you? It doesn't hurt me at all.

And even though we are the same height, my legs are longer than yours.

Eh? Are you already too tired to run?

I'll run by myself.

But I'm not tired at all.

running all night!

I didn't know I had so much
